Now, therefore, in exercise of the powers conferred by sub-section (4) of section 1 of the said Act, the Central Government hereby applies the provisions of the said Act to the above mentioned establishments.

[S. 35019(193)/86-SS-II]

का. था. 406 :—~मैसर्स-टाटा श्रायरन एण्ड स्टील कम्पनी लि., जमणेदपुर बिहार (बी.श्रार./1 और बी. श्रार./311) (जिसे इसमें इसके पश्चात् उक्त स्थापन कहा गया है) ने कर्मचारी भविष्य निधि और प्रकीर्ण उपबन्ध प्रधिनियम, 1952 (1952 का 19) (जिसे इसमें इसके पश्चात् उक्ते श्रधिनियम कहा गया है) की धारा 17 की

to the Central Govern- उपधारा (2क) के श्रधीन छूट दिए जाने के लिए आसेंदन najority of employees in nts have agreed that the किया है;

और बेल्द्रीय सरकार का समाधान हो गा है कि उक्त स्थापन के कर्मचारी किसी पृथक अभिदाय या प्रीमियम का सन्दाय किए बिना ही, भारतीय जीवन बीमा निगम की जीवन बीमा स्कीम की सामृहिक बीमा स्कीम के अधीन जीवन बीमा के रूप में जो फायदा उठा रहे हैं वे ऐसे कर्मचारियों को उन फायदों से अधिक अनुकूल हैं जो उन्हें कर्मचारी निक्षेप सहबद्ध बीमा स्कीम, 1976 (जिसे इसमें इसके पण्चात् उक्त स्कीम कहा गया है) के अधीन अनुकाय हैं;

स्रतः केन्द्रीय सरकार, उक्त श्रिधिनियम की धारा 17 की उपधारा (2क) डारा प्रवत्त शिक्तयों का प्रयोग करते हुए और भारत सरकार के श्रम मंत्रालय की श्रिधसूचना संख्या का श्रा, 909 तारीख 22-12-1982 के श्रनुसरण में और इससे उपाबद श्रनुसूची में विनिर्दिष्ट शर्तों के श्रधीन रहते हुए उक्त स्थापन को, 12-2-1986 से तीन वर्ष की श्रवधि के लिए जिसमें 11-2-1989 भी सम्मिलित है, उक्त स्कीम के सभी उपबन्धों के प्रवर्तन से छूट देती है।

अनुमूची

- उक्त स्थापन के सम्बन्ध में नियोजन प्रादेशिक भनिष्य निधि ग्रायुक्त बिहार को ऐसी जिन्नरिणयां भेजेगा और ऐसे लेखा रखेगा तथा निरीक्षण के लिए ऐसी मुविधाएं प्रदान करेगा जो केन्द्रीय सरकार समय-समय पर निर्दिष्ट करे।
- 2. नियोजक, ऐसे निरीक्षण प्रभारों का प्रत्येक गास की मर्नाष्त्र के 15 दिन के भीतर सन्दाय करेगा जो केन्द्रीय मरकार, उक्त अधिनियम की धारा 17 की उप-धारा (3क) के खण्ड (क) के श्रधीन समय-समय पर निर्दिष्ट करे।
- 3. सामूहिक बीमा स्कीम के प्रणासन में, जिसके भ्रन्तर्गत लेखाओं का रखा जाना, विवर्णामों का प्रस्तुत किया जाना, बीमा प्रीमियम का सन्वाय लेखाओं का भ्रन्तरण, निरीक्षण प्रभारों का सन्वाय धादि भी है, होने वाले सभी व्ययों का बहुन नियोजक द्वारा किया जाएगा।
- 4. नियोजक, केन्द्रीय सरकार द्वारा यथा अनुमोदित सामूहिक बीमा स्कीम के नियमों की एक प्रति, और जब कभी उनमें संशोधन किया जाए, तब उस संशोधन की प्रति तथा कर्मचारियों की बहुमंख्या की भाषा में उसकी मुख्य वानों तथा अनुदाद, स्थापन के सूचना-पट्ट पर प्रदर्शित करेगा।
- 5. यदि काई ऐसा कर्मचारी, जो कर्मचारी भविष्य निधि का या उक्त अधि।नेयम के अधीन छूट प्राप्त किसी स्थापन की भविष्य निधि का पहले ही नदस्य है, उनके स्थापन में नियोजित किया जाता है तो नियोजिक सामूहिक बीमा स्वीम के सदस्य के रूप में उनका नाम सुरन्त दर्ज करेगा और उसकी बावत श्रावण्यक प्रीमियम भारतीय जीवन बीमा निगम को सन्दन्त करेगा।

- 6. यदि मामूहिक बीमा स्कीम के अधीन कर्मचारियों को उपलब्ध फायदे बढ़ाये जाते हैं तां, नियोजक उक्त स्कीम के अधीन कर्मचारियों को उपलब्ध फायदों में समुचित रूप से वृद्धि की जाने की व्यवस्था करेगा जिससे कि कर्मचारियों के लिए सामूहिक बीमा स्कीम के अधीन उपलब्ध फायदे उन फायदों से अधिक अनुकूल हों, जो उक्त स्कीम के अधीन अनुजेय हैं।
- 7. सामूहिक बीमा स्कीम में किसी बात के होते हुए भी, यदि किसी कर्मचारी की मृत्यु पर इस स्कीम के अधीन सन्देय रकम उस रकम से कम है जो कर्मचारी को उस दक्षा में सन्देय होती जब वह उक्त स्कीम के अधीन होता तो, नियाजक कर्मचारी के विधिक वारिस/नामनिर्देशिती को प्रतिकर के रूप में दोनो रकमों के अन्तर के बराबर रकम का सन्दाय करेगा।
- 8. सामूहिक बीमा स्कीम के उपवन्धों में कोई भी संगोधन, प्रादेशिक भविष्य निधि ग्रायुक्त विहार के पूर्व श्रनुमोदन के बिना नहीं किया जाएगा और जहां किसी संगोधन से कर्म-चारियों के हित पर प्रतिकृत प्रभाव पड़ने की संभावना हो वहां, प्रादेशिक भविष्य निधि श्रायुक्त, श्रयना अनुमोदन देने से पूर्व कर्मचारियों की अपना दृष्टिकोण स्पष्ट करने का युक्तियुक्त श्रवभर देगा।
- 9. यदि किसी कारणवंश, स्थापन के कर्मचारी, शारतीय जीवन बीमा निगम की उन सामृष्टिक बीमा स्कीम के, जिम स्थापन पहले श्रपना चुका है, श्रधीन नहीं रह जाते हैं, या इस स्कीम के श्रधीन कर्मचारियों को प्राप्त होने वाले फायदे किसी रीति में कम ही जाते है, तो यह छूट रह की जा सकती है।
- 10. यदि किसी कारणवण, नियोजक भारतीय जीवन वीमा निगम रारा निगत तारीख के भीतर प्रीमियम का सन्दाय करने में असफल रहता है, और पालिसी को व्यपगत हो जाने दिया जाता है तो छूट रह की जा सकती है।
- 11. नियोजक द्वारा प्रीमित्रम के सन्दाय में किए गए किमी व्यक्तिकम की दशा में, उन मृत सदस्यों के नाम निर्देशितियों या विधिक वारिसा को जो यदि यह, छूट न दी गई होती ता उक्त स्कीम के प्रान्तर्गत होते वीमा फायदों के सन्दाय का उत्तरदायित्य नियाजक पर होगी।
- 12. इस स्कीम के श्रधीन श्राने वाले किसी सदस्य की मृत्यु होने पर भारतीय जीवन बीमा निगम, बीमाकृत राणि के हशदार नामनिर्देशिती/विधिक वारिसों की उस राणि का सन्दाय तत्परता से और प्रत्येक दशा में हर प्रकार से पूर्ण दावे की प्राप्ति के एक मास के भीतर सुनिश्चित करेगा।
 - [संख्या एस-35014/10/87-एस . एस . -2]
- S.O. 406.—Whereas Messys. The Tata Iron and Steel Company I inuted., Jamshedpur, Bihar (BR/I and BR/311) thereinafter refetred to as the said establishment) have upplied for exemption under sub-section (2A) of section 12 of the employees' Provident Funds and Miscellaneous Provi-

sions Act, 1952 (19 of 1952) hereinaster referred to as the said Act).

And whereas, the Central Government is satisfied that the employees of the said establishment are, without making any separate contribution or payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Corporation of the India in the nature of life insurance Which are more favourable to such employees than the benefits admissible under the Employees' Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme).

Now, therefore, in exercise of the powers conferred by sub-section (2A) of section 17 of the said Act and in continuation of the notification of the Government of India in the Ministry of Labour, S.O. 909 dated the 22nd December, 1982 and subject to the conditions specified in the Schedule annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 12th February, 1986 upto and inclusive of the 11th February, 1989.

SCHEDULE

- 1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner, Bihar and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under clause (a) of sub-section (3A) of section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintenance of accounts, submission of returns, payment of insurance premia, transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The employer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and, as and when amended, alongwith a translation of the selient features thereof, in the language of the majority of the employees.
- 5. Whereas an employee, who is already a member of the Employees' Provident Fund or the Provident Fund of an establishment exempted under the said Act, is employed in his establishment, the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6. The employer shall arrange to enhance the benefits available to the employees under the Group Insurance Scheme appropriately, if the benefits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.
- 7. Notwithstanding anything contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal heir/nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, Bihar and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.
- 9. Where for any reason, the employees of the said establishment do not remain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already

adopted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.

- 10. Where, for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Life Insurance Corporation of India, and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominees or the legal heirs of deceased members who would have been covered under the said Scheme but for grent of this exemption, shall be that of the employer.
- 12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure prompt payment of sum assured to the nominec or the Legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

Now therefore, in exercise of the powers conferred by subsection (2A) of section 17 of the said Act and in continuation of the notification of the Government of India in the Ministry of Labour, S.O. 3026 dated the 10-8-1982 and subject to the conditions specified in the Schedule annexed here to the Central Government hereby exempts the said establishment from the operation all the provisions of the said Scheme for a further period of three years with effect from 28-8-1985 upto and inclusive of the 27-8-1988.

SCHEDULE

- 1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner, Tamil Nadu and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under thause (a) of sub-section (3A) of section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintanance of accounts, submission of returns payment of insurance premia, transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The employer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and, as and when amended, alongwith a translation of the salient features thereof, in the language or the majority of the employees.
- 5. Whereas an employee, who is already member of the Employees' Provident Fund or the Provident Fund of an establishment exempted under the said Act, is employed in his establishment, the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6. The employer shall arrange to enhance the benefits available to the employees under the Group Insurance Scheme appropriately, if the benefits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.
- 7. Notwithstanding anything contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this Scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal heir/nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Providend Fund Commissioner. Tamil Nadu and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.
- 9. Where, for any reason, the employees of the said establishment do not remain covered under the Group Insurance Scheme, of the Life Insurance Corporation of India as already adonted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.

- 10. Where, for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Life Insurance Corporation of India, and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominecs or the legal heirs of deceased members who would have been covered under the said Scheme but for grant of this exemption, shall be that of the employer.
- 12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure promot payment of sum assured to the nominee or the Legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

का. ग्रा. 409.— मैसर्स स्टॉलिंग एकेसिब्स प्राइ-बेट, पोस्ट बाक्स न. 1128, ग्रहमदाबाद 380002 (जी. जे/6241) (जिसे इसमें इसके पण्चात् उक्त स्थापन कहा गया है) ने कर्मचारी भविष्य निधि और प्रकीण उपबन्ध श्रिधिनियम, 1952 (1952 का 19) (जिसे इसमें इसके पण्चात् उक्त श्रिधिनियम कहा गया है) की धारा 17 की उपधारा (2क) के श्रिधीन छूट दिए जाने के लिए श्रावेदन किया है;

और केन्द्रीय सरकार का समाधान हो गया है कि उक्त स्थापन के कर्मचारी किसी पथक अभिदाय या प्रीमियम का सन्दाय किए बिना ही, भारतीय जीवन बीमा निगम स्कीम की सामृहिक बीमा स्कीम के अधीन जीवन बीमा के रूप में जो फायदा उठा रहे हैं वे ऐसे कर्मचारियों को उन फायदों से अधिक अनुकूल हैं जो उन्हें कर्मचारी निक्षेप सहबद्ध वीमा स्कीम, 1976 (जिसे इसमें इसके पश्चात् उक्त स्कीम कहा गया है) के अधीन अनुजेय हैं,

अतः केन्द्रीय सरकार, उक्त प्रधिनियम की धारा 17 की उपधारा (2क) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए और भारत सरकार के श्रम मन्त्रालय की श्रिधमूचना मंख्या का. आ. 2791 तारीख 13-7-1982 के शनुसरण में और इससे उपाबद्ध अनुसूची में विनिर्दिष्ट शर्तों के श्रधीन रहते हुए उक्त स्थापना को, 31-7-1985 से तीन वर्ष की श्रविध के लिए जिसमें 30-7-1988 भी सिम्मिलत है, उक्त स्कीम के सभी उपबन्धों के प्रवर्तन से छट देती है।

ग्रन्**स्**ची.

- 1. उक्त स्थापन के सम्बन्ध में नियोजन प्रावेशिक भविष्य निधि प्रायुक्त गुजरात को ऐसी विवरणियां भेजेगा और ऐसे लेखा रखेगा तथा निरीक्षण के लिए ऐसी मुकि-धाएं प्रदान करेगा जो केन्द्रीय सरकार समय-समय पर निर्दिष्ट करें।
- 2. नियोजक, ऐसे निरीक्षण प्रभारों का प्रत्येक मास की समान्ति के 15 दिन के भीतर सन्दाय करेगा जो केन्द्रीय सरकार, उक्त ग्रधिनियम की धारा 17 की उप-धारा (3क) के ग्रधीन समय-समय पर निर्दिष्ट करें।

- 608
- 3 सामुहिक बीमा स्कीम के प्रणासन में, जिसके अन्तर्गत लेखाओं का रखा जाना, विवरणियों का प्रस्तृत किया जाना, बीमा प्रीभियम का सन्दाय लेखाओं का अन्तरण, निरीक्षण, प्रभारों का सन्दाय ग्रादि भी है, होने वाले सभी व्ययों का बहन नियोजक द्वारा किया जाएगा।
- 4. नियोजक, केन्द्रीय सरकार द्वारा यथा श्रनुमोदित सामृहिक बीमा रकीम के नियमों की एक प्रति और जब कभी उनमें सणीधन किया जाए, तब उस संशोधन की प्रति तथा कर्मचारियों की बहुसंख्या की भाषा में उसकी मुख्य बातों का श्रनुवाद, स्थापन के सूचना पट्ट पर प्रदणित करेगा।
- 5. यदि कोई ऐसा कर्मचारी, जो कर्मचारी भविष्य निधि का या उक्त श्रधिनियम के भ्रधीन छूट प्राप्त किसी स्थापन की भविष्य निधि का पहले ही सदस्य है, उसके स्थापन में नियोजित किया जाता है तो निवोजक सामूहिक बीमा स्कीम के सदस्य के हप में उसका नाम तूरन्त दर्ज करेगा और उसकी बाबत श्रावश्यक प्रीमियम भारतीय जीवन बीमा निगम को सन्दत करगा।
- 6. यदि सामूहिक बीमा स्कीम के श्रधीन कर्मचारियों को उपलब्ध फायदे बढाये जाते हैं तो, नियोजक उक्त स्कीम के श्रधीन कर्मचारियों को उपलब्ध फायदों में समुचित रुप से वृद्धि की जाने की व्यवस्था करेगा जिससे कि कर्म-चारियों के लिए सामूहिक बीमा स्कीम के श्रधीन उपलब्ध फायदे उन फायदों से श्रधिक श्रनुकूल हों, जो उक्त स्कीम के श्रधीन श्रनुक्षेय हैं।
- 7. सामूहिक बीमा स्कीम में किसी बात के होते हुए भी, यदि किसी कर्मचारी की मृत्यु पर इस स्कीम के प्रधीन सन्देय रकम उस रकम से कम है जो कर्मचारी को उस दशा में सन्देय होती जब यह उक्त स्कीम के प्रधीन होता तो, नियोजक कर्मचारी के विधिक बारिस नामनिर्देशिती को प्रतिकर के रुप में दोनों रकमों के ध्रन्सर के वराबर रकम का सन्दाय करेगा।
- 8. सामृहिक स्कीम के उपवन्धों में कोई भी संशोधन, प्रादेशिक भविष्य निधि ग्रायुक्त गुजरात के पूर्व अनुमोदन के बिना नहीं किया जाएगा और जहां किसी संशोधन से कर्मचारियों के हिल पर प्रतिकृत प्रभाव पड़ने की संभावना हो वहां प्रादेशिक भविष्य निधि ग्रायुक्त अपना श्रनुमोदन देने से पूर्व कर्मचारियों को ग्रपना इरिटकोण स्पष्ट करने का युक्तियुक्त ग्रवसर देगा।
- 9. यदि किसी कारणवण, स्थापन के कर्मचारी, भारतीय जीवन बीमा निगम की उस सामृहिक बीमा स्कीम के, जिसे स्थापन पहले अपना चुका है, अधीन नहीं रह जाते हैं, या इस स्कीम के अधीन कर्मचारियों को प्राप्त होने वाले फायदे किसी रीति से कम हो जाते हैं, तो यह छूट रद्द की जा सकती है।

- 10. यदि किसी कारणवश, नियोजक भारतीय जीवन बीमा निगम द्वारा नियत तारीख के भीतर प्रोमियम का सन्दाय करने में असफल रहता है, और पालिसी को व्यपगत हो जाने दिया जाता हैतो छूट रह की जासकती है।
- 11. नियोजक द्वारा प्रीमियम के सन्दाय में किए गए किसी व्यनिक्रम की वशा में, उन मृत सदस्यों के नामनिर्दे-शिनयों या विधिक वारिसों को जो यदि यह, छूट न दी गई होती तो उक्त स्कीम के अन्तर्गत होते, बीमा फायदों के सन्दाय का उत्तरदायित्व नियोजक पर होगा।
- 12. इस स्कीम के ग्रधीन भ्राने वाले किसी सदस्य की मत्यु होने पर भारतीय जीवन बीमा निगम, बीमाकृत राशि के हकदार नामनिर्देशिती/विधिक घारिसों को उस राशि का सन्दाय तत्परता से और प्रत्येक दशा में हर प्रकार से पूर्ण दाव की प्राप्ति के एक मास के भीतर सुनिश्चित करेगा

[संख्या एस-35014/12/87-- एस .एस .-2)]

S.O. 409.—Whereas Messrs. Starling Abrasives Private Limited, P.B. No. 1128, Ahmedabad-380002 (GJ/6241) (hereinafter referred to as the said establishment) have applied for exemption under sub-section (2A) of section 17 of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 (19 of 1952) (hereinafter referred to as the said Act);

And whereas, the Central Government is satisfied that the employees of the said establishment are, without making any separate contribution or payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Scheme of the Life Insurance Corporation of India in the nature of life insurance which are more favourable to such employees than the benefits admissible under the Employees' Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme);

Now, therefore, in exercise of the powers conferred by sub-section (2A) of section 17 of the said Act and in continuation of the notification of the Government of India in the Ministry of Labour, S.O. 2791 dated the 13th July, 1982 and subject to the conditions specified in the Schedule annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 31st July, 1985 upto and inclusive of the 30th July, 1988.

SCHEDULE

- 1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner. Gujarat and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under clase (a) of sub-section (3A) of section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintenance of accounts, submission of returns, payment of insurance premia, transfer of accounts payment of inspection charges etc, shall be borne by the employer.
- 4 The employer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and, as and when amended, alongwith a translation of the salient features thereof, in the language or the majority of the employees.

- 5. Whereas an employee, who is already a member of the Employees' Provident Fund or the Provident Fund of an establishment exempted under the said Act, is employed in his establishment, the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6. The employer shall arrange to enhance the benefits available to the employees under the Group Insurance Scheme appropriately, if the benefits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.
- 7. Notwithstanding anything contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal heir/nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, Gujarat and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.
- 9. Where, for any reason, the employees of the said establishment do not remain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already adopted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.
- 10. Where, for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Life Insurance Corporation of India and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominees or the legal heirs of deceased members who would have been covered under the said Scheme but for grant of this exemption, shall be that of the employer.
- 12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure prompt payment of sum assured to the nominee or the Legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

- 8. सामूहित स्कीम के उपबन्धों में कोई भी संशोधन, प्रादेशित अविध्य निधि यायुक्त महाराष्ट्रा के पूर्व अनुमोदन के बिना नहीं किय आएगा और जहां किसी संशोधन से कर्म-चारियों के हिन पर प्रतिकूल प्रभाव पड़ने की संभावना हो वहां, प्रादेशिक भविष्य निधि आयुक्त, अपना अनुमोदन दैने से पूर्व कर्मचारियों को अपना दृष्टिकाण स्पष्ट करने का युक्तियुक्त अवसर देगा ।
- 9. यदि किसी कारणवण स्थापन के कर्मचारी, भारतीय जीवन बीमा निगम की उस सामूहिक वीमा स्कीम के, जिसे स्थापन पहले अपना चुका है, अबीन नहीं रह जाते हैं, या इस स्कीम के झधीन कर्मचारियों की प्राप्त होने वाले झायदे किसी रीति से कम हो जाते हैं, तो यह छूट रह की जा सकती है।
- 10. यदि किसी कारणवश, नियोजक भारतीय जीवन वीमा निगम द्वारा नियत तारीख के भीतर प्रोमियम का संदाय करने में ग्रसफ़ल रहता है, और पालिसी को व्ययगत हो जाने दिया जाता है तो छूट रहू की जा सकती है।
- 11 नियोजक द्वारा प्रीमियम के संदाय में किए गए किसी व्यतिक्रम की दशा में, उन मृत सदस्यों के नामिन्देशि-नियों या विधिक वारिसों को जो यदि यह, छूट न दी गई होती ती उनत स्कीम के अन्तर्गत होते, बीमा फायदों के संदाय का उत्तरदायित्व नियोजक पर होगा ।

12. इस स्कीम के अधीन आने वाले किसी सदस्य की मृत्यू हाने पर भारतीय जीवन बीमा निगम, बीमाकुत राशि के हकदार नामनिर्देशिती/विधिक वारिसों की उस राशि का संदाय तंत्परता से और प्रत्येक दशा में हर प्रकार से पूर्व वावे दी प्राप्ति के एक मास के भीतर सुनिश्चित करेगा।

[सं. एस.-35014/14/87-एस. एस.-2]

S.O. 411.—Whereas Messrs. Century Rayon, P.O. No. 22, P.O. Shaned. Marbad Road, Kalyan (MH/1616) (heremafter reterred to as the said establishment) have applied for exemption under sub-section (2A) of section 17 of the the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 (19 of 1952) (hereinafter referred to as the said Act);

And whereas, the Central Government is satisfied that the employees of the said establishment are, without making any separate contribution or payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Scheme of the Life Insurance Corporation of the India in the nature of life insurance which are more favourable to such employees than the benefits admissible under the Employees' Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme);

Now, therefore, in exercise of the powers conferred by subsection (2A) of section 17 of the said Act and in continuation of the notification of the Government of India in the Ministry of Labour, S.O. 740 dated the 18th December, 1982 and subject to the conditions specified in the Schedule annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 29th January, 1986 upto and inclusive of the 28th January, 1989.

SCHEDULE

- 1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner, Maharashtra and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under clause (a) of sub-section (3A) of section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintenance of accounts, submission of returns, payment of insurance premia, transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The emoloyer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and, as and when amended, alongwith a translation of the salient features thereof, in the language or the majority of the employees.
- 5. Whereas an employee, who is already a member of the Employees' Provident Fund or the Provident Fund of an establishment exempted under the said Act is employed in his establishment, the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6 The employer shall arrange to enhance the menefits available to the employees under the Group Insurance Scheme appropriately, if the benefits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.

- 7. Notwiths(anding anything contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal heir/nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, Maharashtra and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.
- 9. Where, for any reason, the employees of the said establishment do not remain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already adopted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.
- 10. Where, for any reason, the employer fails to pay the premium etc, within the due date, as fixed by the Life Insurance Corporation of India, and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominees or the legal heirs of deceased members who would have been covered under the said Scheme but for grant of this exemption, shall be that of the employer.
- 12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure prompt payment of sum assured to the nominee or the Legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

[संख्या एस-35014/40/83-पी.एफ.-2/एस. एस.-2]

S.O. 414.—Whereas Messrs. The Madhya Pradesh State Forest Development Corporation Limited Panchanan, Vth Floor Malviya Nagar Bhopal-MP and its branches at various centres in Madhya Pradesh bearing code Nos. MP[3082 to 3095, 3239 3569 to 3572 and 4654 (hereinafter referred to as the said establishment) have applied and for exemption under subsection (2A) of section 17 of the employees' Provident Funds and Miscellaneous Provisions Act, 1952 (19v of 1952) hereinafter referred to as the said Act).

And Whereas, the Central Government is staisfied that the employees of the said establishment are, without making any separate contribution or payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Corporation of the India in the nature of Life insurance which are more favourable to such empoyees than the benefits admissible under the Employees' Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme);

Now, therefore in exercise of the powers conferred by sub-section (A) of section 17 of the said Act and in continuation of the notification of the Government of India in the Ministry of Labour SO. 2002 dated the 14-4-1983 and subject to the conditions specified in the SCHEDULE annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 30-4-1986 upto and inclusive of the 29-4-1989.

SCHEDULE

1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner, Madhya Pradesh and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.

- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under clause (a) of sub-section (3A) of section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintenance of accounts, submission of returns, payment of insurance premia, transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The employer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and as and when amended, alongwith a translation of the salient features thereof, in the language of the majority of the employees.
- 5. Whereas an employee, who is already a member of the Employees' Provident Fund or the Provident Fund of an establishment exempted under the said Act, is employed in his establishment, the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of Inida.
- 6. The employer shall arrange to enhance the benefits available to the employees under the Group Insurance Scheme appropriately, if the benefits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.
- 7. Nothwithstanding anything contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal heir nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, Madhya Pradesh and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.
- 9. Where, for any reason, the employees of the said establishment do not ramain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already adopted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.
- 10. Where, for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Life Insurance Corporation of India, and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominees or the legal heirs of deceased members who would have been covered under the said Scheme but grant of this exemption, shall be that of the employer.
- 12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure prompt payment of sum assured to the nominee or the Legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

S.O. 417.—Whereas Messr. Glaxo Laboratories (India) Limited, 50, Hide Road Calcutta-700088 (WB | 1860) (hereinafter referred to as the said establishment) have applied for exemption under sub-section (2A) of section 17 of the employees' Provident Funds and Miscellaneous Provisions Act, 1952 (19 of 1952) hereinafter referred to as the said Act.

And whereas, the Central Government is satisfied that the employees of the said establishment are, without making any separate contribution or payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Scheme of the Life Insurance Corporation of the India in the nature of life insurance which are more favourable to such employees than the benefits admissible under the Employees' Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme);

Now therefore, in exercise of the powers conferred by subsection (2A) of section 17 of the said Act and in continuation of the notification of the Government of India in the Ministry of Labour, S.O. 4667 dated the 25-11-1983 and subject to the conditions specified in the Schedule annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 24-12-1986 upto and inclusive of the 23-12-1989.

SCHEDULE

- 1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner, West Bengal and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under clause (a) of sub-section (3A) of section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintanance of accounts, submission of returns payment of insurance premia transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The employer shall display on the Notice Board of the establishment, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and, as and when amended, alongwith a translation of the salient features thereof, in the language or the majority of the employes.
- 5. Whereas an employee, who is already a member of the Employees' Provident Fund or the Provident Fund of an establishment exempted under the said Act is employed in his establishment, the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6. The employer shall arrange to enhance the benefits available to the employees under the Group Insurance Scheme appropriately, if the benfits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.
- 7. Notwithstanding anything contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this Scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal beir nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, West Bengal and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval give a reasonable opportunity to the employees to explain their point of view.
- 9. Where, for any reason, the employees of the said establishment do not remain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already adopted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.
- 10. Where, for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Llfe Insurance Corporation of India and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominees or the legal heirs of deceased members who would have been covered under the said Scheme but for grant of this exemption, shall be that of the employer.
- 12. Upon the death of the member, covered under the Scheme the Life Insurance Corporation of Ind'a shall ensure prompt payment of the sum assured to the nominee/legal heirs of the deceased members entitled for it and in any case within one month from the receipt of claim complete in all respects.

का. था. 420:—मैंसर्स-बीमा इन्डस्ट्रीज, 32, सैक्टर ई, इन्डस्ट्रियल एरिया, गोविन्सपुरा, भोपाल-462023 (एम.पी. /4798) (जिसे इसमें इसके पण्चात् उक्त स्थापन कहा गया है) ने कर्मचारी भविष्य निधि और प्रकीण उपबन्ध श्रिधिनियम, 1952 (1952 का 19) (जिसे इसमें इसके पण्चात् उक्त श्रिधिनियम कहा गया है) की धारा 17 की उपधारा (2क) के श्रिधीन छूट दिए जाने के लिए श्रावेदन किया है;

और केन्द्रीय सरकार का समाधान हो गया है कि उक्त स्थापन के कर्मचारी किसी पृथक अभिदाय या प्रीमियम का सन्दाय किए बिना ही, भारतीय जीवन बीमा निगम की जीवन बीमा स्कीम की सामृहिक बीमा स्कीम के अधीन जीवन बीमा के रूप में जो फायदा उठा रहे हैं वे ऐसे कर्मचारियों को उन फायदों से अधिक अनुकूल हैं जो उन्हें कर्मचारी निक्षेप सहबद्ध बीमा स्कीम, 1976 (जिसे इसमें इसके पश्चात् उक्त स्कीम कहा गया है) के अधीन अनुक्रय हैं;

अतः केन्द्रीय सरकार, उक्त अधिनियम की धारा 17 की उपधारा (2क) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए और भारत सरकार के श्रम मंद्रालय की श्रिधसूचना संख्या का आ. 321 तारीख 6-1-1984 के धानुसरण में अंद इससे उपाबद्ध धानुसूची में विनिर्दिष्ट शतों के अधीन रहते हुए उक्त स्थापन को, 28-1-1987 से तीन वर्ष की ध्रवधि के लिए जिसमें 27-1-1990 भी सम्मिलत है, उक्त स्कीम के सभी उपबन्धों के प्रवर्तन से छूट देती है।

भनुसुची

- 1. उक्त स्थापन के सम्बन्ध में नियोजन प्रादेशिक भविष्य निधि प्रायुक्त, मध्य प्रदेश को ऐसी विवरणियां भेजेगा और ऐसे लेखा रखेगा तथा निरीक्षण के लिए ऐसी सुवि-* धाएं प्रदान करेगा जो केन्द्रीय सरकार समय-समय पर निर्दिष्ट करे।
- 2. नियोजक, ऐसे निरीक्षण प्रभारों का प्रत्येक मास की समाप्ति के 15 दिन के भीतर सन्दाय करेगा जो केन्द्रीय सरकार, उक्त प्रधिनियम की धारा 17 की उपधारा (3क) के खण्डे (क) के प्रधीन समय-समय पर निर्दिष्ट करे।
- 3. सामृहिक बीमा स्कीम के प्रशासन में, जिसके अंतर्गत लेखाओं का रखा जाना, विवरणियों का प्रस्तुत किया जाना, बीमा प्रीमियम का सन्दाय, लेखाओं का भन्तरण, निरीक्षण प्रभारों का सन्दाय भ्रादि भी है, होने वाले सभी ध्ययों का वहन नियोजक द्वारा किया जाएगा।
- 4. नियोजक, केन्द्रीय सरकार द्वारा यथा प्रनुमोदित सामू-हिक बीमा स्कीम के नियमों की एक प्रति, और जब कभी उनमें संशोधन किया जाए, तब उस संशोधन की प्रति तथा कर्मचारियों की बहुसंख्या की भाषा में उसकी मृख्य बातों का प्रनुवाद, स्थापन के सूचना पट्ट पर प्रवश्तित करेगा।
- 5. यदि कोई ऐसा कर्मचारी, जो कर्मचारी भविष्य निधि का या उकत अधिनियम के अधीन छूट प्राप्त किसी स्थापन की भविष्य निधि का पहले ही सबस्य है, उसके स्थापन में नियोजित किया जाता है तो नियोजिक सामृहिक बीमा स्कीम के सदस्य के रूप में उसका नाम तुरन्त दर्ज करेगा और उसकी बाबस आवश्यक प्रीमियम भारतीय जीवन निगम को सन्दर्स करेगा।

- 6. यदि सामृहिक बीमा स्कीम के प्रधीन कर्मचारियों को उपलब्ध फायदे बढ़ाये जाते हैं, तो, नियोजक उक्त स्कीम के प्रधीन कर्मचारियों को उपलब्ध फायदों में समुचित रूप से वृद्धि की जाने की व्यवस्था करेगा जिससे कि कर्मचारियों के लिए सामृहिक बीमा स्कीम के प्रधीन उपलब्ध फायदे उन फायदों से प्रधिक प्रनुकूल हों, जो उक्त स्कीम के प्रधीन प्रमुक्त हैं।
- 7. सामृहिक बीमा स्कीम में किसी बात के होते हुए भी, यदि किसी कर्मचारी की मृत्यु पर इस स्कीम के प्रधीन सन्दय रकम का उस रकम से कम है जो कर्मचारी को उस दशा में सन्दय होती जब वह उका स्कीम के प्रधीन होती तो, नियोजक कर्मचारी के विधिक वारिस/नामनिर्देशिती को प्रतिकर के रूप में दोंनों रकमों के अन्तर के बरावर रकम का सन्दाय करेगा।
- 8. सामृहिक स्कीम के उपबन्धों में कोई भी संकोधन, प्रावेशिक भविष्यं निधि ग्रायुक्त मध्य प्रदेश के पूर्व श्रनु-मोदन के बिना नहीं किया जाएगा और जहां किसी संशोधन से कर्मचारी के हित पर प्रतिकृल प्रभाव पहने की संभावना हो वहां, प्रावेशिक भविष्यं निधि श्रायुक्त, श्रपना ग्रनुमोदन देने से पूर्व कर्मचारियों को ग्रपना दृष्टि कोण स्पष्ट करने का युक्तियुक्त श्रवसर देगा।
- 9. यदि किसी कारणवण, स्थापन के कर्मचारी, भारतीय जीवन बीमा निगम की उस सामूहिक बीमा स्कीम के, जिसे स्थापन पहले ग्रपना चुका है, श्रधीन नहीं रह जाते हैं, या इस स्कीम के श्रधीन कर्मचारियों को प्राप्त होने वाले फायदे किसी रीति से कम हो जाते हैं, तो यह छूट रह की जा सकती है।
- 10. यदि किसी कारणवण, नियोजक भारतीय जीवन भीमा निगम द्वारा नियन तारीख के भीतर प्रीभिषम का सन्दाय करने में श्रसफल रहता है, और पालिसी को ज्ययगत ही जाने दिया जाता है तो छुट रह की जा सकती है।
- 11. नियोजक द्वारा प्रीमियम के सन्दाय में किए गए किसी व्यक्तिकम की दशा में, उन मृत सदस्यों के नाम निर्देशितियों या विधिक बारिसों को जो यदि यह, छूट नदी गई होती तो उक्त स्कीम के अंतर्गत हीते, बीमा फायदों के सन्दाय का उत्तरदायित्य नियोजक पर हीगा।
- 12. इस स्कीम के प्रधीन श्राने वाले किसी सदस्य की मृत्यु होने पर भारतीय जीवन बीमा निगम, बीमाकृत राशि के हकदार नाम निर्देशिती/विधिक वारिसों को उस राशि का सन्दाय तत्परता से और प्रत्येक देशा में हर प्रकार से पूर्ण दाने की प्राप्ति के एक मास के भीतर सुनि-निश्चित करेगा ।

[संख्या एस-35014/299/83-पी. एफ 2/एस. एस. 2]

S.O. 420.—Whereas Messro. Vema Industries, 32, Sector-E, Industrial Area, Govind Pura, Bhopal-462023 (MP/4798) (hereinsfter referred to as the said establishment) have applied for exemption under sub-section (2A) of Section 17, of the Employees' Provident Funds and Miscellaneous Provisions Act. 1952 (19 of 1952) (hereinafter referred to as the said Act).

And whereas, the Central Government is satisfied that the employees of the said establishment are, without making any separate contribution of payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Scheme of the Life Insurance Corporation of India in the nature of Life Insurance which are more favourable to such employees than the benefits admissible under the Employees Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme);

Now, therefore, in exercise of the powers conferred by sub-section (2A) of Section 17 of the said Act and in Continuation of the notification of the Government of India in the Ministry of Labour, S.O. 321 dated the 6-1-84 and subject to the conditions specified in the Schedule annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 28-1-1987 upto and inclusive of the 27-1-1990.

SCHEDULE

- 1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner Madhya Pradesh and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under clause (a) of sub-section (3A) of Section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintenance of accounts, submission of returns, payment of insurance premia, transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The employer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurnace Scheme as approved by the Central Government and, as and when amended, alongwith a translation of the salient features thereof, in the language of the majority of the employees.
- 5. Whereas an employees, who is already a member of the Employees' Provident Fund or the Provident Fund of an establishment the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6. The employer shall arrange to enhance the benefits available to the employees under the Group Insurance Scheme appropriately, if the benefits available to the employees under the said Scheme are enhanced 30 that the benefits available under the Group Insurance Scheme are more favourable to the employees than the bfinefits admissible under the said Scheme.
- 7. Notwithstanding any thing contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal heir/nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, Madhya Pradesh and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.
- 9. Where, for any reason, the employees of the said establishment do not remain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already adopted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.

- 10. Where for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Life Insurance Corporation of India, and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominees or the legal heirs of deceased members who would have been covered under the said Scheme but for grant of this exemption, shall be that of the employer.
- 12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure prompt payment of the sum assured to the nominee/legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

- 11. नियोजक द्वारा प्रीमियम के सन्दाय में किए गए किसी व्यतिक्रम की दशा में, उन मृत सदस्यों के नामनिर्वेशितियों या विधिक वारिसों को जो यदि यह छूट न दी गई होती तो उक्त स्कीम के अन्तर्गत होते, बीमा फायदों के सन्दाय का उस्तरदायिस्य नियोजक पर होगा।
- 12. इस स्कीम के प्रधीन प्राने वाले किसी सदस्य की मृत्यु होने पर भारतीय जीवन बीमा निगम, बीमाकृत राशि के हकदार नामनिर्देशिती/विधिक वारिसों को उस राशि का सन्दाय तत्परता से और प्रत्येक दशा में हर प्रकार से पूर्ण दाये की प्राप्ति के एक मास के भीतर सुनिश्चित करेगा।

[सं. एस-35.014/311/83-पी. एफ.-2/एसएस-2]

S.O. 422.—Whereas Messrs VST Service Station (Cuddalore) Kondur Post, Cuddalore (TN|3045-C) (hereinafter referred to as the said establishment) have applied for exemption under sub-section (2A) of Section 17 of the Employees Provident Funds and Miscellaneous Provisions Act, 1952 (19 of 1952) (hereinafter referred to as the said Act):

And whereas, the Central Government is satisfied that the employees of the said establishment are without making any separate contribution of payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Corporation of India in the nature of Life Insurance which are more favourable to such employees than the benefits admissible under the Employees Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme);

Now, therefore, in exercise of the powers conferred by sub-section (2A) of Section 17 of the said Act and in Continuation of the notification of the Government of India in the Ministry of Labour, S.O. 330 dated the 6-1-1984 and subject to the conditions specified in the schedule annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 28-1-1987 upto and inclusive of the 27-1-1990.

SCHEDULE

- 1. The employer in rolation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner, Tamil Nadu and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time direct under clause (a) of sub-section (3A) of Section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintenance of accounts submission of returns, payment of insurance premia, transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The employer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and, as and when amended alongwith a translation of the sallent features thereof, in the language of the majority of the employees.
- 5. Whereas an employee, who is already a member of the Employees' Provident Fund of the Provident Fund of an establishment the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6. The employer shall arrance to enhance the benefits available to the employees under the Group Insurance Scheme appropriately, if the benefits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.
- 7. Notwithstanding any thing contained in the Group Insuance Scheme, if on the death of an employee the amount payable under this scheme be less than the amount that would be payable had employee been covered under the said Scheme, the employer shall pay the difference to the legal heir nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group I surance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, Tamil Nadu and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.
- 9. Where, for any reason, the employees of the said establishment do not remain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already adopted by the said establishment, or the benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.
- 10. Where for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Life Insurance Corporation of India, and the policy is allowed to lapse the exemption is liable be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominces or the legal heirs of deceased members who would have been covered under the said Scheme but for grant of this exemption, shall be that of the employer.

12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure primare payment of the sum assured to the nominee legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

- 4. नियोजक, केन्द्रीय सरकार द्वारा यथा धनुमोदित सामूहिक बीमा स्कीम के नियमों की एक प्रति, और जब कभी उनमें संशोधन किया जाए, तब उस संशोधन की प्रति तथा कर्मचारियों की बहुसंख्या की भाषा में उसकी मुख्य बातों का धनकाद, स्थापन के सूचना पट्टू पर प्रविशात करेगा।
- 5. यवि कोई ऐसा कर्मचारी, जो कर्मचारी भविष्य निधि का या उक्त अधिनियन के श्रधीन छूट प्राप्त किसी स्थापन की

- भविष्य निधि का पहले ही सदस्य है, उसके स्थापन में नियो-जित किया जाता है तो नियोजक सामूहिक बीमा स्कीम के सदस्य के रूप में उसका नाम तुरन्त दर्ज करेगा और उसकी वाबत ग्रावश्यक प्रीनियम भारतीय जीवन बीमा निगम को संदत्त करेगा।
- 6. यदि सामूहिक वीमा स्कीम के ग्रधीन कर्मचारियों को उपलब्ध फायदे बढ़ाये जाते हैं तो, नियंजिक उक्त स्कीम के ग्रधीन कर्मचारियों को उपलब्ध फायदों में समुचित रूप से वृद्धि की जाने की व्यवस्था करेगा जिस से कि कर्मचारियों के लिए सामूहिक बीमा स्कीम के ग्रधीन उपलब्ध फायदे उन फायदों से ग्रधिक अनुकूल हों, जो उक्त स्कीम के ग्रधीन अनुज्ञेय हैं।
- 7. सामूहिक बीमा स्कीम में किसी बात के होते हुए भी, यदि किसी कर्मचारी की मृत्यु पर इस स्कीम के अधीन संदेय रकम उत रकम से कम है जो कर्मचारी को उस दशा में संदेय होती जब वह उक्त स्कीम के अधीन होता तो, नियोजक कर्मचारी के विधिक वारिस/नामनिर्देशिती को प्रतिकर के रूप में दोनों रकमों के अन्तर के बराबर रकम का संदाय करेगा।
- 8. सामृहिक स्कीम के उपबन्धों में कोई भी संशोधन प्रादेशिक भविष्य निधि ग्रायुक्त तामिलनाडू के पूर्व ग्रनुमोदन के श्रिना नहीं किया जाएगा और जहां किसी संशोधन से कर्म-चारियों के हित पर प्रतिकूल प्रभाव पड़ने की संभावना हो वहां, प्रावेशिक भविष्य निधि ग्रायुक्त भ्रमना अनुमोदन देने से पूर्व कर्मचारियों को भ्रयना दृष्टिकोण स्पष्ट करने का युक्ति-युक्त ग्रवसरदेगा।
- 9. यदि किसी कारणवर्षा, स्थापन के कर्मचारी, भारतीय जीवन बीमा निगम की उस सामूहिक बीमा स्कीम के, जिसे स्थापन पहले अपना चुका है, अधीन नहीं रह जाते हैं, या इस स्कीम के अधीन कर्मचारियों को प्राप्त होने वाले फायदे किसी रीति से कम हो जाते हैं, तो यह छूट रह की जा सकती है।
- 10. यदि किसी कारणवश, नियोजक भारतीय जीवन बीता निगम द्वारा निगत तारीख के भीतर प्रीमियम का संदाय करने में असफल रहता है, और पालिसी को व्यवगत हो जाने दिया जाता है तो छूट रह की जा सकती है।
- 11. नियोजक बारा प्रीमियम के संदाय में किए गए कि जी व्यतिकम की दशा में, उन मृत सदस्यों के नामनिर्वेष्ठितियों या विधिक वारिसों को जो यदि यह, छूट न दी गई होती तो उक्त स्कीम के प्रस्तर्गत होते, बीमा फाउदों के संदाय का उत्तरदायित्व नियोजक पर होगा।
- 12 इस स्कीम के अधीत आने वाले किसी सदस्य की मृत्यु होने पर आरतीय जीवन बीमा निगम, बीमाकृत राशि के हकदार नामनिर्देशिती/दिविध वारिसों की उस राशि का संदाय तत्परता से और प्रत्येक दशा में हर प्रकार से पूर्ण दावे की प्राप्ति के एक मास के भीशर सुनिश्चित क्रेगा।

[सं. एस. 35014/314/83-पी. एफ. 2/एस. एस. 2]

S.O. 425.—Whereas Messrs. VST Motors Limited, 144
Anna Road, Madras-2 (TN|3045) (hereinafter referred to as the said establishment) have applied for exemption under sub-section (2A) of section 17 of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 (19 of 1952) (hereinafter referred to as the said Act).

9. Where, for any reason catablishment do not remain sumance Scheme of the Life as already adopted by the said to the employees under this manner, the exemption shall

And whereas, the Central Government is satisfied that the employees of the said establishment are, wi hout making any separate contribution or payment of premium, in enjoyment of benefits under the Group Insurance Scheme of the Life Insurance Scheme of the Life Insurance Corporation of India in the nature of life insurance which are more favourable to such employees than the benefits admissible under the Employees' Deposit Linked Insurance Scheme, 1976 (hereinafter referred to as the said Scheme);

Now, therefore, in exercise of the powers conferred by sub-section (2A) of section 17 of the said Act and in continuation of the notification of the Government of India in the Ministry of Labour, S.O. 324 dated the 6-1-1984 and subject to the conditions specified in the Schedule annexed hereto the Central Government hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a further period of three years with effect from 28-1-1987 upto and inclusive of the 27-1-1990.

SCHEDULE

- 1. The employer in relation to the said establishment shall submit such returns to the Regional Provident Fund Commissioner, Tamil Nadu and maintain such accounts and provide such facilities for inspection as the Central Government may direct from time to time.
- 2. The employer shall pay such inspection charges as the Central Government may, from time to time, direct under clause (a) of sub-section (3A) of section 17 of the said Act within 15 days from the close of every month.
- 3. All expenses involved in the administration of the Group Insurance Scheme, including maintenance of accounts, submission of returns, payment of insurance premia, transfer of accounts, payment of inspection charges etc. shall be borne by the employer.
- 4. The employer shall display on the Notice Board of the establishments, a copy of the rules of the Group Insurance Scheme as approved by the Central Government and; as and when arrended, alongwith a translation of the salient features thereof, in the language or the majority of the employees.
- 5. Whereas an employee, who is already a member of the Fmolovees' Provident Fund or the Provident Fund of an establishment exempted under the said Act, is employed in his establishment, the employer shall immediately enrol him as a member of the Group Insurance Scheme and pay necessary premium in respect of him to the Life Insurance Corporation of India.
- 6. The employer shall arrange to enhance the benefits available to the employees under the Group Insurence Scheme appropriately if the benefits available to the employees under the said Scheme are enhanced so that the benefits available under the Group Insurance Scheme are more favourable to the employees than the benefits admissible under the said Scheme.
- 7. Notwithstanding anythine contained in the Group Insurance Scheme, if on the death of an employee the amount payable under this scheme be less than the amount that would be payable had employee been covered under the said Scheme the employer shall pay the difference to the legal heir/nominee of the employee as compensation.
- 8. No amendment of the provisions of the Group Insurance Scheme, shall be made without the prior approval of the Regional Provident Fund Commissioner, Tamil Nadu and where any amendment is likely to affect adversely the interest of the employees, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explan their point of view.

- 9. Where, for any reason, the empployees of the said establishment do not remain covered under the Group Insurance Scheme of the Life Insurance Corporation of India as already adopted by the said establishment, or the Benefits to the employees under this Scheme are reduced in any manner, the exemption shall be liable to be cancelled.
- 10. Where, for any reason, the employer fails to pay the premium etc. within the due date, as fixed by the Life Insurance Corporation of India, and the policy is allowed to lapse, the exemption is liable to be cancelled.
- 11. In case of default, if any made by the employer in payment of premium the responsibility for payment of assurance benefits to the nominees or the legal heirs of deceased members who would have been covered under the said Scheme but for grant of this exemption, shall be that of the employer.
- 12. Upon the death of the members covered under the Scheme the Life Insurance Corporation of India shall ensure prompt payment of sum assured to the nominee or the Legal heirs of the deceased member entitled for it and in any case within one month from the receipt of claim complete in all respects.

[No. S. 35014/314/83-PF-II-SS-II]

का .श्रा. 42 6.— मैसर्स-इण्डिया गैरज और बी.टी. पदमानावन एण्ड ब्रादर्ज, 144, श्रक्षा रोड, मद्रास-2 (टी. एन./8236 और 8459) (जिसे इसमें इसके पश्चात जनत स्थापन कहा गया है) ने कर्मचारी भविष्य निधि और प्रकीण उपबन्ध श्रिधनियम, 1952 (1952 का 19) (जिसे इसमें इसके पश्चाल उक्त श्रिधनियम कहा गया है) की धारा 17 की उपधारा (2क) के श्रिधीन छूट दिए जाने के लिए श्रावदन किया है;

और केन्द्रीय सरकार का समाधान हो गया है कि उक्त स्थापन के कर्मचारी किसी पृथक श्रीभवाय या श्रीमियम का सन्दाय किए बिना ही, भारतीय जीवन बीमा निगम की जीवन बीमा स्कीम की सामूहिक बीमा स्कीम के श्रधीन जीवन बीमा के रूप में जो फायदा उठा रहे हैं व ऐसे कर्म-चारियों को उन फायदों से श्रीधक अनुकूल हैं जो उन्हें कर्मचारी निक्षेत्र सहबद्ध बीमा स्कीम, 1976 (जिसे इसमें इसके पश्चात् उक्त स्कीम कहा गया है) के श्रधीन श्रनुजेंथ हैं;

ग्रतः केन्द्रीय सरकार, उक्त श्रिष्ठियम की धारा 17 की उपधारा (2क) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए और भारत सरकार के श्रम मंत्रालय की श्रिष्ठसूचना संख्या का श्रा. 335 तारीख 6-1-1984 के श्रनुसरण में और इसमे उपाबद्ध श्रनुसूची में वितिर्दिष्ट शर्तों के श्रधीन रहने हुए उक्त स्थापन को, 28-1-1987 में तीन वर्ष की श्रविध के लिए जिसमें 27-1-1990 भी सम्मिलित है, उक्त स्थीम के सभी उपबन्धों के प्रवर्तन से छूट देती है।

ग्रनुसूची

1. उक्त स्थापन के सम्बन्ध में नियोजक प्रावेशिक भिविष्य निश्चि स्नायुक्त तामिल नाडू की ऐसी विवरणियां भेजेगा और ऐसे लेखा रखेगा तथा निरीक्षण के लिए ऐसी मुविधाएं प्रदान करेगा जो केन्द्रीय सरकार समय-समय पर निर्दिष्ट करें।

- 2. तियोजिक, ऐसे निरीक्षण प्रभारों का प्रत्येक मास की समाप्ति के 15 दिन के भीतर सन्दाय करेगा जो केन्द्रीय सरकार, उक्त प्रधिनियम की धारा 17 की उप-धारा (3क) के खण्ड (क) के प्रधीन समय-समय पर निदिष्ट करे।
- 3. साम्हिक बीमा स्कीम के प्रशासन में, जिसके प्रन्तर्गत लेखाओं का रखा जाना, विवरणियों का प्रस्तुत किया जाना, बीमा प्रीमियम का सन्दाय लेखाओं का प्रन्तरण, निरीक्षण प्रभारों का सन्दाय ग्रादि भी है, होने वाले सभी व्ययों का वहन नियोजक द्वारा किया जाएगा।
- 4. नियोजक, केन्द्रीय संग्कार द्वारा यथा अनुमोदित साम्हिक बीमा स्कीम के नियमों की एक प्रति, और जब कभी उनमें संशोधन किया जाए, तब उस संशोधन की प्रति तथा कर्मचारियों की बहुसंख्या की भाषा में उसकी मुख्य बातों का अनुवाद स्थापन के सूचना-पट्ट पर प्रदर्शित करेगा।
- 5. यदि कोई ऐसा कर्मचारी, जो कर्मचारी भविष्य निधि का या उक्त अधिनियम के अधीन छूट प्राप्त किसी स्थापन की भविष्य निधि का पहले ही सदस्य है, उसके स्थापन में नियोजित किया जाता है तो नियोजिक सामूहिक बीमा स्कीम के सदस्य के रूप में उसका नाम सुरन्त दर्ज करेगा और उसकी बाबत आवश्यक प्रीमियम भारतीय जीवन बीमा निगम को सन्दन्त करेगा।
- 6. यदि नामूहिक बीमा स्कीम के श्रधीन कर्मचारियों को उपलब्ध फायदे बढ़ाये जाते हैं तो, नियोजक उक्त स्कीम के श्रधीन कर्मचारियों की उपलब्ध फायदों में समुचित रूप से बृद्धि की जाने की व्यवस्था करेगा जिस से कि कर्मचारियों के तिए लाम्हिक बीमा स्कीम के श्रधीन उपलब्ध फायदे उन फायदों मे श्रधिक श्रनुकूल हों, जो उक्त स्कीम के श्रधीन श्रनक्षेय हैं।
- 7. साम्बिह्क बीमा स्कीम में किसी बात के होते हुए भी, यदि किसी कर्मचारी की मृत्यु पर इस स्कीम के अधीन सन्वेय रकम उस रकम से कम है जो कर्मचारी को उस दशा में सन्वेय होती जब वह उकत स्कीम के अधीन होता तो, नियोजक कर्पचारी के विधिक बारिस/नामनिर्देशिती को प्रतिकर के रूप में दौनों रकमों के अन्तर के बराबर रकम का सन्दाय करेगा।
- 8. सामूहिक स्कीम के उबन्धों में कोई भी संशोधन, प्रादेशिक भविष्य निधि स्प्रायुक्त तामिल नाडु के पूर्व अनुमोदन के त्रिना नहीं किया जाएगा और जहां किसी संशोधन से कर्मचारियों के हित पर प्रतिकृत प्रभाव पड़ने की संभावना हो वहां, प्रादेशिक भविष्य निधि स्नायुक्त, स्नपना स्नुमोदन देने से पूर्व कर्मचारियों को प्रपना दृष्टिकोण स्पष्ट करने का यक्तियुक्त स्रवसर देगा।
- 9. यदि किसी कारणवण, स्थापन के कर्मचारी, भारतीय जीवन बीमा निगम की उस नामूहिक बीमा स्कीम के, जिसे स्थापन पंहले ग्रंपना चुका है, ग्रधीन नहीं रह जाते हैं, या इस स्काम के ग्रधीम कर्मचारियों को आप्त होने वाले फायदे

किसी रीति से कम हो जाते हैं, तो यह छूट रह की जा सकती है ।

- 10. यदि किसी कारणवश, नियोजक भारतीय जीवन दीमा निगम द्वारा नियत तारीख के भीतर प्रीमियम का सन्दाय करने में प्रसफल रहता है, और पालिमी को व्ययगत हो जाने दिया जाता है तो छूट रह की जा सकती है।
- 11. नियोजक द्वारा प्रीमियम के सन्दाय में किए गए किसी व्यतिक्रम की दणा में, उन मृत सदस्यों के नामनिर्देशितियों या विधिक वारिसों को जो यदि यह, छूट न दी गई होती तो उकत स्कीम के श्रन्तर्गत होते, बीमा फायदों के सन्दाय का उत्तरदायित्व नियोजक पर होगा।
- 12. इस स्कीम के श्राघीन श्राने वाले किसी सदस्य की मृत्यु होने पर भारतीय जीवन बीमा निगन, बीमाकृत राशि के हकदार नामनिर्देशिती/विधिक वारिसों को उस राशि का सन्दाय तत्परता से और प्रत्येक दशा में हर प्रकार से पूर्ण दावें की प्राप्ति के एक मास के भीतर सुनिश्चित करेगा।

S.O. 432.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Chandigarh, as shown in the Annexure in the industrial dispute between the employers in relation to the management of All India Radio and their workmen, which was received by the Central Government.

BEFORE SHRI M. K. BANSAL, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR, COURT, CHANDIGARH

Case No. I. D. 94/85

. PARTIES :

Employers in relation to the management of Ex. Engineer (Civil), Division No. II, Civil Const. Wing, All India Radio, Block C/3, Pushpa Bhawan New Delhi

AND

Their workman-Raghbir Singh.

APPEARANCES:

For the employers-None.

For the workman-None.

JNDUSTRY: All India Radio

STATE: Puniab

AWARD

The present reference No. L-42012(30)/84-D,II (B) dated 11th December, 1985 under Section 10(1)(d) of the Industrial Disputes Act was received from the Labour Ministry for decision of the dispute which is as under:—

- "Whether the action of the management of All India Radio, Jullundhar in terminating the services of Shri Raghubir Singh S/o Shri Prem Singh, Assistant Wireman w.e.f. 1-1-1984 and further denying him wages and continuity of service for the period from 1-1-1984 to 5-4-1984, consequent to his reinstatement in service and age in terminating his services w.e.f. 14-12-84 is legal and justified? If not to what relief the concerned workman is entitled to?"
- 2. The workman placed on the file on 24-4-1986 an application (original on the file of I, D. No. 95/85) alleging that he wants to withdraw the above case since the management has issued fresh appointment in his case without any claim in the previous period.
- 3. In view of the above it is held that there is no dispute between the parties and no claim award is being passed. Chandigarh,

Dated: 18-12-1986.

M. K. BANSAL, Presiding Officer [No. L-42012/30/84-D,II (B)] HARI SINGH, Desk Officer

S.O. 435.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Calcutta as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Calcutta Port Trust and their workmen, which was received by the Central Government on the 20th January, 1987.

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL AT CALCUTTA

Reference No. 17 of 1977 and Reference No. 44 of 1978 PARTIES:

Employers in relation to the management of Calcutta Port Trust, Calcutta.

ΛND

Their Workmen.

PRESENT :

Mr. Justice Amitabha Dutta ... Presiding Officer.

APPEARANCES :

- On behalf of Employers.—Mr. D. K. Mukherjee, Industrial Relations Officer.
- On behalf of Workmen.—Mr. D. L. Sengupta, Vice-President with Mr. P. C. Bosc, Assistant Secretary for Calcutta Port Shramik Union.

- Mr. K. K. Roy Ganguly, Joint Secretary for Calcutta Port and Shore Mazdoor Union and
- Mr. And Mukherjee, Office Secretary for National Union of Waterfront Workers.

STATE: West Bengal INDUSTRY: Port & Dock.

AWARD

The Central Government in the Ministry of Labour by Order No. L-32011(8)|77-D. IV(A) dated 15th June, 1977 referred an existing industrial dispute between the employers in relation to the management of Calcutta Port Trust, Calcutta and their workman to this Tribunal for adjudication in respect of the matters specified below:—

- "I(a) Whether the demands of the workmen for revision of the consolidated rates of overtime payable to the crews of Pilot Vessels, Dredger and Despatch Vessels, Light Vessels, Survey and Research Vessels and attached Launches and Shore Stations etc. are justified? If so, to what relief are they entitled?"
- (b) Whether the demands of the workmen attached to the Harbou₁ Craft and Berthing Establishments under the Harbou₁ Master (Port) including Mooring crew and the operational staff under the Mooring Master as also shore based marine crew with 12 hours shift duty with two hours variable recess or with fixed recess as in the Chief Mechanical Engineer's Department for revision of the consolidated rates of overtime are justified? If so, to what relief are they entitled?
- II. Whether the demand of the marine crew working in 12 hours shift system for grant of mess allowance for the period of their active duties is justified keeping in view the consolidated overtime received by them and other relevant factors? If so, what should be the relief in this respect?".

The dispute was originally raised by the Calcutta Port Sharmik Union and the National Union of Waterfront Workers. Subsequently by Order dated 7-11-78 the Calcutta Port and Shore Mazdoot Union was permitted to participate in the proceedings as an added party to the dispute.

2. The Central Government in the Ministry of Labour by Order No. L-32025(13)|77-D.IV(A) dated 20th April, 1978 referred an existing industrial dispute between the same parties to this Tribunal for adjudication in respect of matters specified below:—

"Whether the demand of the workmen of the Calcutta Port Trust for payment for work done on weekly day of rest to the crew of pilot vessels, dredger and despatch vessel, light vessel, survey and research vessel, and attached launches and shore stations etc. in accordance with the provisions of para 8.43 of the Wage Revision Committee's Report for port and dock workers as major ports; 1977 is justified, notwithstanding the fact that they are allowed 26 days' compensatory holidays in lieu of weekly days of rest and paid consolidated overtime allowances? If so, to what relief are they entitled?"

This dispute was originally raised by the Calcutta Port Shramik Union. Subsequently the other two unions aforesald were permitted to participate in the proceedings as added parties to the dispute by Order dated 7-12-1978.

- 3. These references have been registered as Reference No. 17 of 1977 and Reference No. 44 of 1978 respectively. In order to appreciate the generals and the nature of the disputes in question it is necessary to state the following facts. The administration, control and management of the Calcutta Port were vested in the Commissioners for the Port of Calcutta till those functions were taken over by the Board of Trustees for the Port of Calcutta constituted under the Major Port Trust Act, 1963 as amended in 1974 which applied to Calculta Port from 1-4-1975. The Calculta Port is situated on a tidal river, namely, Hooghly and its jurisdiction extends from the Docks to Sand-heads in the south at a distance of about 126 miles and in the north to the junction of river Jalangi and Bhagirathi at a distance of about 80 miles from the Docks. It is the responsibility of the Trustees as conservator of the port to maintain navigational channel of river Hooghly, with constraints like bars, bores and bends, by necessary surveying, intensive dredging, fixing and maintaining navigational aids in the river such as Buoys, Shore Marks, Sema-phores, unattended Light Vessels and Light Houses in Saugor Island at a distance of about 80 miles from the docks, rendering Light Vessel's service, maintaining three manned Light Vessels at estuary and providing pilotage service to the incoming and outgoing Ships between the Docks and Sand-heads. They have to arrange for the Ships' Mooring and unmooring in the river, berthing and unberthing in the Docks and Jetties, leading the ships into and out of the Docks and rendering assistance to Ships in distress etc. All these works and services are the responsibilities of the Marine Department. For improving the draught of the river, research work is being carried on by the Hydraulic Study Department in coordination with the Marine Department. For the said purposes the Trustees have to maintain a large number of Vessels and Shore Stations Parties, Shore Crews etc. in their Marine Department, They also maintain Crane Vessels, Jet Dredgers etc. in the Chief Mechanical Engineers Department.
- 4. The issue No. I(a) in the first Reference No. 17 of 1977 relates to workmen of the Vessels which go out in the river and remain away from the Docks for a certain number of days in a month. Those Vessels are Pilot Vessels, Dredger's (river and estuary) and Despatch Vessels and attached Launches, Survey and Research Vessels which have to remain away for a number of days by going out in the river, and stay in Calcutta for a few days during a certain period. The Crew cannot be allowed a day off in the week when down the river and have to perform irregular hours of work as also have to work overtime according to requirements of work. The said issue also relates to Shore Stations Parties situated at different distances away from the Docks and attached Launches, Saugor Light House and Light Vessels. The Crews working at such stations or Vessels also have irregular hours of work and cannot be allowed a day off in every week.
- 5. The issue No. I(b) relates to workmen attached to Harbour Crafts, Launches, Dock Tugs, Port Dredgers, Jolly Boats and other Crafts and Shore Crews under the Harbour Master (Port) and to Berthing Establishments and workman under Dock Master and Mooring Master in the Marine Dent. and Crane Vessels, Jat Dredgers etc., under the Chief Mechanical Engineer's Department. They have also to carry out irregular and intermittent type of duties on 12 hours shifts basis and in some case for mutual convenience in shifts of 24 hours on, with 24 hours off and of 48 hours on with 48 hours off. All the crews get two hours' recess which is variable, per shift of 12 hours. They also get a weekly off day i.e. 52 such holidays in the year.
- 6. The Issue No. 2 in Reference No. 17 of 1977 relates to the workmen mentioned in Issue No. I(b) and arises out of demand for Mess Allowance.

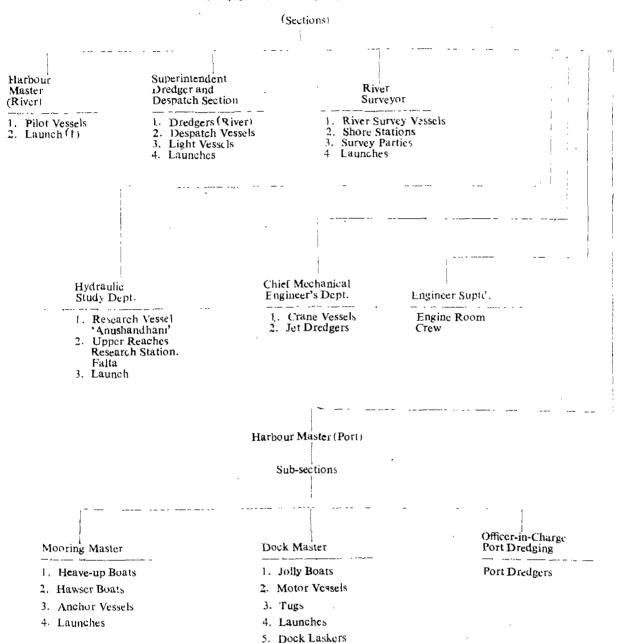

7. The rift in the industrial relations between the management and the workmen concerned arose when the government enacted Minimum Wages Act, 1948 which applied to local authorities and under various notifications made thereunder in March, 1931 fixed the minimum wages for different categories of employees under the Calcutta Port Trust. The Unions jointly demanded benefits under the said Act and Minimum Wages (Central) Rules, 1950 made thereunder fixing hours of work with recess, and providing for a weekly day of rest, payment for work on day of rest and overtime at double the ordinary rate of wages. Such demands of the Unions were settled from time to time through negotiations with them followed by agreements, periodical exemptions granted by Central Government from operation of Minimum Wages Act and Rules in case of certain categories of employees, Regulations governing the service conditions of the concerned workmen framed by the Calcutta Port authority, Reference Nos. 136, 137 and 140 of 1966 to this Tribunal in which there was award by Shri S. K. Sen published on 30-9-1967 which was confirmed by the Supreme Court, followed by notice dated 4-3-1977 of the Union's intention to terminate the said award under section 19(6) of the Industrial Disputes Act. 1947 and tripartite settlements dated 3-7-1969, 8-12-1969 and 13-1-1977. The position regarding the payment of consolidated rates of overtime to the different categories of concerned workmen employed in various vessels and crafts before the present disputes under references arose, was as follows :--Other her

| Vessels/Crafts/ Stations/Parties | Percentage of gross wages paid as consoli- dated rates of overtime to the the crews | Other benefits |
|---|--|--|
| Issue No. I(a) | | |
| 1. Dredgers (River) and attached launches | 67-1/2% | 26 days' special leave and free provisions |
| 2. Pilot Vessels | 67-1/2°° | -do- |
| 3. River Survey Vessels | 67-1/2° | -do- |
| 4. Despatch Vessels | 67-1/2% | -do- |
| Rosearch Vessel 'Anusandhani' and attached launch | 67-1/2°5 | -do- |
| Upper Reaches Research Station | h 67-1/2% | -do- |
| Survey launches when deployed beyond Hooghly point | 67-1/2% | -80- |
| 8. Light Vessels | 55 ° 6 | -do- |
| Shore Stations/Survey parties/Semaphores/ launches | 55 % | -do- |
| Issue Nos 1 (b) and 11. | | |
| 1. Vessels/Crafts under Harbour Master (Port) working in 12 hours shifts | 50% | 5% as delay in relieving allowance. |
| 2. Jet Dredgers under Chief Mechanical Engineer | 50% | |

.......

8.2 The controlling authorities of the different types of Vessels and Crafts are shown in the chart below :--

DIRECTOR MARINE DEPARTMENT

9. The nature of work of the crews in the Vessels of different types may now be stated:—

Pilot Vessels:—One Pilot Vessel normally remains 16 days at Sand-heads at a stretch and 12 days at Calcutta Port. The journey from Port to Sand-heads takes one day each way. While at Sand-heads the motor boats are used for carrying the Pilot from the Pilot Vessel to the incoming foreign or coastal ship or from an outgoing ship to the Pilot Vessel. This is the main work. The normal working time is from 6 A.M. to 4 PM i.e. work for 8 hours excluding two breaks of one hour each. Boating may be required outside the normal working hours. There are duties for maintenance of vessels and running repairs. One to three members of the crew remains on watch duty by rotations after 4 PM while the rest relax. While at Calcutta Port the duty hour are from 7 AM to 4 PM with two breaks of one hour each on week days, 7 AM to 1 PM on Saturdays and 7 AM to 9 AM on Sundays. After duty hours half of the crew gets

shore leave and the other half does ship-keeping duty by rotation to ensure safety of the vessel and the properties therein.

Dredgets.—To maintain a sufficient draught in the channel of the river for sea going vessels, dredging is necessary. A survey party goes out in the channel for survey and preparing chart according to which the Commendar decides the place for dredging. The normal hours of work are similar to those in Pilot Vessels. Apart from dredging, work for maintenance, running repairs and cleaning the vessels have to be done A Dredger is down the river for 15 days at a time ad stays for three days at Calcutta Port when 50 percent of the crew get shore leave and the other half do ship-keeping duty by rotation. A Dreger is laid-up for about 2 1/2 months in a year for overhauling and boiler cleaning. During that period 50 percent of the crew gets shore leave after the day's work is done, while the other 50 percent does ship keeping duty by rotation.

Despatch Vessels.—The work of the crew is to maintain the signaling by lighted shore marks and lighted buoys and overhauling of buoys in estuary area. They supply rations to Light Vessels in estuary area and Saugor Light House. They are called upon to give assistance to sea-going Vessels when they are aground or in difficulty. They also salvage lost anchor when located. Normally a Despatch Vessel goes down the river for 20 days in a month and stays in Calcutta Port for 8 to 10 days. The hours of work are more or less similar to those in the Pilot Vessels.

Light Vessels.—These Vessels work all the time in the river signaling the ships coming into the Port and going out of the Port. They serve as floating light houses. If there is no storm, the normal working hours are 6 AM to 4 PM with two recesses of one hour each. After 4 PM two or three members of the crew have to do watch duty by rotation. After every 5 months, the crew gets one month's feave

Survey and Research Vessels.—The work of a Survey Vessel is regular surveying of the navigational channel of the River Hooghly. The marking of the channel which shifts and dredging are based on the result of the survey work. A River Survey Vessel stays down the river for 16|17 days in a month in two trips of 8 days each and at Calcutta for 6|7 days between the trips. The normal hours of work are similar to those in Pilot Vessels. Every year a Survey Vessel remains in Calcutta Port for overhauling and boiler cleaning for 2 1|2 to 3 months. Then half of the crew gets shore leave while the other half remains on watch-keeping duty and helping the workshop staff.

The Research Vessel Anushandhani.—This vessel follows the programme of work for 7/8 days down the river and 6/7 days at Calcutta Port. For research, the work done is the current observation, wave recording, bad boring etc. The normal houts of work are like those in other river going vessels.

Shore Stations.—Shore stations are maintained to carry out surveys off upper reaches of the river from Konnager to Diamond harbour. The crew performs survey work in localities where the shore stations are situated. The normal working hours are from 6 AM to 4 PM with two breaks of one hour each. Occassionally the crew has to work outside normal hours. There is also stand by duty at other time by rotation.

- 9. The work of the crews of the river going vessels crafts and river based shore stations parties mentioned in Issue No. I(a) of the Reference No. 17 of 1977 has the following peculiar features:—
 - (i) They do not get a day off in the week.
 - (ii) They have irregular hours of work including occassional overtime work beyond normal hours of duty while on the river and it is not possible to compute such overtime work.
 - (iii) It is not possible for operational reasons to fix the hours of work or grant them a day off in the week.
 - (iv) They have to suffer the incovenience of stay in the vessels to which they are attached for duty, for days together while the vessels are on the river beyond the port area.
 - (v) They have a comparatively easy time when the vessels are in Calcutta Port or laid-up for repairs although they have to do maintenance work and assist the workers engaged for such repairs, 50 percent of the crew get shore leave and the other 50 percent have to do ship keeping duty by rotation of two or three workmen at a time.
- 10. The compensatory facilities or benefits given to those workmen are that they are provided with (a) living accommodation in the vessel; (b) free ration or provision for tiffin and meals along with services of cooks and

other attendants for preparation and serving of food; (c) fixed recess for two hours; (d) more leisure on Saturday and Sundays while in Calcutta Port (unless there is emergency) such leisure being taken as equivalent to 26 Sundays in a year (e) special leave for 26 days in a year.

- 11. Over and above the aforesaid facilities or benefits they get consolidated rates of over time varying from 55 percent to 67 1/2 percent of gross wages. rates have evolved over a period more than 30 years prior to 1977-1978 when the present references were made for adjudication or after coming into force of the Minimum Wages Act, through a series of agreements settlements with the concerned unions. Documents (Ext. M-1 to M-6) have been filed by the management showing results of negotiations with the Unions upto 1958 and the agreed rates of consolidated compensatory allowance in lieu of overtime wages which were given effect to from the first July 1958 and thereafter incorporated in the Service Regulations governing the service conditions of the concerned workmen in 1961 (Ext. M-7). Under the regulations the crews of Dredger (River), Despatch Vessels, River Survey Vessels, Pilot Vessels and Attached Launches were deemed to work for 65 12 hours a week for which a consolidated compensatory allowance in lieu of overtime wages at 62 1/2 percent of pay plus all allowances including the monetary value of ration, was payable to them. In case of workmen of Light Vessels. Shore Stations, Survey Parties, Hooghly Point Station and Attached Launches, they were deemed to work for 62 hours a week and paid a consolidated compensatory allowance in lieu of overtime wages at 50 percent of pay plus all allowances including monetary value of free rations supplied to them. The Regulations provided in the case of both the aforesaid groups of workmen that the existing practice under which the employees were given free leisure on Saturdays and Sundays while in town (unless there is emergency) could continue. It was also provided that the total leisure enjoyed by them under the said practice would be taken to be equivalent to 26 Sundays in a year. The employees would addition be given 26 days compensatory holidays to make up the total of 52 Sundays in a year.
- 12. Thereafter on 9-12-1964 the Calcutta Port Shramik Union served a strike notice demanding inter-alia further improvement of the overtime allowance and other conditions of service of the employees of the Marine Department. A memorandum of settlement was signed with the said Union on 28-12-1964 (Ext. M-8). By that settlement certain demands were conceded by the Port Commissioners and it was agreed that certain demands should be referred to a Tribunal for adjudication. In respect of the demand for revision of consolidated rate of overtime payable to the crews of Pilot Vessels, Dredgers, Despatch Vessels and Attached Launches and Shore Stations Survey Parties, the Commissioners agreed purely as an adhoc arrangement without prejudice to the stand of the either party that 5 percent increase would be granted with effect from 1st January, 1965 on the existing rates so that the rates of consolidated rates of overtime became 67 1/2 percent where they were 62 1/2 and 55 percent where they were 50 percent; but final solution the matter was to be referred to a Tribunal for adjudication. As regards the demand relating to the crews of Harbour Crafts, Berthing Establishments, Mooring Crews Dock Laskers etc. working in 12 hours' shifts with 2 hours variable recess within the limits of port area claiming fixed recess hours and arrangement for relieving them from duty in time and payment of overtime for any delay in relieving, the Commissioners agreed as a purely adhoc arrangement that besides 2 hours' overtime additional overtime payment of 12 1/2 percent of gross wages would be made for the period they were on duty and that for final solution the dispute would be referred to a Tribunal for adjudication.
- 13. The issue arising out of the said demand of the Union in the strike notice dated 9-12-1964 relating to the river based crews was referred to the Tribunal presided over by Shri S. K. Sen on 9-4-1965 and was Issue No. I(a) of Reference No. 136 of 1966 as registered by the said Tribunal. In the Award published on 30-9-1967 the Tribunal held that the demand of the workmen for revision of the consolidated rates of overtime payable to the crews of the

Pilot Vessels, Dredgers, Despatch and Light Vessels, Survey and Research Vessels and Attached Launches, and Stations Survey Parties is not justified and that the rates agreed to by the Union in July, 1958 in course of negotiations with the Port Commissioners viz 62 1/2 percent and 50 percent as the case may be, should continue (except for Launch attached to Hooghly Point Station). The adhoe increase of 5 percent which was agreed to by the Commissioners on 28-12-1964 under the threat of strike should be withdrawn with effect from the first of the month next after the publication of the Awaid. The same issue has again referred to this Tribunal in the present Reference No. 17 of 1977. In the meantime the rates of consolidated over-time have further improved from 62 1/2 percent to 67 1/2 percent and from 50 percent to 55 percent for the two categories of river based workmen under a settlement dated 3-7-1969 (Ext. M-11) to settle the dispute which arose on the question of implementation of the Award of Shri S. K. Sen Tribunal confirmed by the Supreme Court on 11-3-1969 as the Union by letter dated 30-5-1969 (Ext. M-10) requested the maintenance of status quo without depriving the workmen of the 5 percent adhoc increase on the rates of consolidated overtime which was negatived by the said Tribunal. The question whether there has been change of circumstances to justify adjudication of the same issue by the Tribunal in the present reference will be presently discussed

14. The special teature of the work of the crews of port based vessels crafts as shown in the chart of paragraph 8 above and shore based operational staff under Harbour Master (Port) and mentioned in Issue No. 1(b) of the Reference No. 17 of 1977 is that the timing of their work depends irregular action of the tides. Tide appears in the River Hooghly once in every 12 hours. The time shifts by about 50 minutes every day. A Tide Table is prepared by the Port Authority to show anticipated time of arrival of the tide from day to day and it is found to be nearly accurate in the forecast. The crews of Heave-up Boats, Hawser Boats and Anchor Vessels under Mooring Master mainly do the work of mooring or un-mooring of the ships to or from the moors. The crews in Jolly Boats, Motor Vessels, Tugs and Launches under Dock Master work for docking i.e. bringing ships inside the dock and berthing them or unberthing undocking the ships. The crews of the vessels under the Mooring Master work in cycles of 24 hours on 24 hours off and 48 hours on and 48 hours off instead of six daily shifts of 12 hours in the week by mutual arrangement between the workmen and the port authorities. shore based operational staff work on the cycle of 24 hours on and 24 hours off. The other workmen mentioned in Issue No. 1(b) work in two 14 hours shifts per day. The 12 hours shifts includes 2 hours variable recesses fixed by mutual arrangement. Instead of two hours overtime they get 55 percent of gross wages as consolidated overtime (including 5 percent as delay in relieving aflowance). Issue No. I(b) arises out of demand for revision of such rate of consolidated rate of overtime paid to the aforesaid crews and to the crews of the vessels working under the Chief Mechanical Engineer's Department.

15. The vessels under Chief Mechanical Engineer's Department are 6 Crane Vessels and 2 Jet Dredgers. The crews of Crane Vessels work in one 12 hours' shifts including 2 hours fixed recess per day and get consolidated overtime as 50 per cent of gross wages plus overtime according to erdinary rate if they work in the recess as well as 10 per cent of gross wages as late relieving allowance and shin-keeping allowance. At the time of hearing of the present Reference No. 17 of 1977 it has been submitted on behalf of the three concerned unions that they have no demand or dispute in respect of the crews of the Crane Vessels. The crews of the Jet Dredgers working in 12 hours' shift including 2 hours variable recesses per day get consolidated overtime at 50 per cent of gross wages and shin-keeping allowance (vide settlement dated 9-3-1971 Ext. M-52). Only the Calcutta Port and Shore Mazdoor Union in its written statement has claimed that as the crews of Jet Dredgers cannot enjoy properly variable recess they should be compensated by payment of consolidated overtime for these two hours also.

16. As already mentioned, the Issue No. II in Reference No. 17 of 1977 relates to the demand of the marine crew working in 12 hours shifts mentioned in Issue No. I(b) for grant of mess allowance for the period of their active duties.

17. A prefiminary point was raised by the Calcutta Port Trust regarding the maintainability of the Reference No. 17 of 1977 or dispute referred thereby as the concerned Unions did not give notice of their intention to terminate the settlements dated 3-7-1969, 8-12-1969 and 9-3-1971 as required by Section 19(2) of the Industrial Disputes Act. This preliminary point has been decided by my predecessor in office against the Calcutta Port Trust in his order dated 11-6-1981. that Order it has been observed -- "I must hold that the Port Trust knew about the intention of the workmen to terminate the Award and the settlements by virtue of the notice under Section 19(6) of the Act sent by Shramik Union, the strike notice given by Waterfront Workers the Charter of demands made by the Unions and also several communications and representations in respect of the claims made by workmen. There was sufficient compliance inspirit with section 19(2) and (6) of the Act in the present case. Even if it is assumed that there was no such notice given, in that case I should hold that in view of the conduct of the Port Trust in reply to the action of the unions it was a case of waiver and that the objection taken at so belated stage was clearly not a bonafide plea. Moreover, it appears that the Port Trust also wanted that the dispute should be decided by the Tribunal. The objection raised by the Port Trust should be rejected in the circumstances of this case for ends of justice. The case should be heard and decided on merits and according to law". It may be mentioned in this connection that the Calcutta Port Shramik Union (Shramik Union for short) served a notice dated 4-3-1977 under section 19(6) of the Act (Ext. M-26) expressing its intention to terminate the Award of this Tribunal in Reference Nos. 136, 137 and 140 of 1966. The National Union of Waterfront Workers' served a notice dated 2-5-1977 on the Calcutta Port Trust under section 22(1) of the Act (Ext. M-48) calling a strike on 25-5-1977. Thereafter the Assistant Labour Commissioner, Central, submitted his report to the Central Government on the failure of concliation over the said strike notice. The said report is duted 21-5-1977 (Ext. M-29). In the soid strike notice the Union gave a charter of demands on behalf of the workmen.

18. Having discussed in some details the background of the present two references and the rates of consolidated overtime which are currently paid to the workmen concerned along with other benefits for the peculiar nature of their duties in the port system of Calcutta on the tidal River Hooghly, infested with bars with shallow waters requiring navigational aids to the ships through expert pilotage and bore tides (i.e., tides with precipitous front 12' or more high) which are its unique features. I shall now discuss in brief, the cases of the respective unions as laid in their written statement in respect of their demands which have given rise to the issues or matters specified in the two references before me for adjudication.

19. The Calcutta Port Shramik Union in its written statement has stated that the consolidated overtime paid as compensation for overtime work, irregular hours of work, shipkeeping duty and remaining away from base for long periods to the workmen concerned is inadequate and should be revised on the following grounds viz (i) the principle of uniformity in conditions of service of employees in all major ports accepted by the Government of India should be followed. The crews of Pilot Vessel Venue of Bombay Port are granted 4 hours overtime per day; (ii) The ship-keeping duty is normal duty according to the study group report; (iii) The pressure of work of the workmen concerned increased in recent times on account of sharp deterioration of the draught of the river. So consolidated rates of overtime paid to the two groups of workmen mentioned in Issue No. I (a) of Reference No. 17 of 1977 should be revised to 100 per cent of cross wages with effect from 4th March 1977 which is the date of notice of intention to terminate the earlier Award. It has also been pleaded that men attached to Heave-up Bonts. Hawser Boats and Anchor Vessels remains on duty for 72 hours a week (24 hours on and 24 hours off and 48 hours on 48 hours off in continuous snells) on account of shortage of launches for relieving the crews under a working arrangement mutually acreed to by the port authorities and the workmen. The Mooring Crews, Gas Cutters and Skin Divers have

to remain on stand-by duty for 24 hours. The strength of Mooring Crews was decreased by three gangs. The number of ships visiting the port has steadily increased during the last 6 years. The number of shifting of vessels from berth to berth inside port at docks, jetties and morrings his increased on account of severity of bore tides. There has been a change in the pattern of traffic. For all these factors the work-load of the workmen mentioned in Issue No. I (b) has also increased. They should be given fixed recesses with freedom to leave the place of work and overtime for working during such recesses with effect from 4-3-1977; overtime should be paid for delay in relieving from duty beyond normal working hour. The Union claimed that the workmen working in 12 hours shifts system should be paid mess allowance at Rs.7.50 per day with effect from 4-3-1977 for remaining on boats for 12 hours at a stretch. The said union has filed an additional written statement in which it has been stated that there are marine staff working in the Haldia Dock and also shore staff who work on 55 per cent of their gross wages per month as compensaton for work upto 12 hours a day. This practice is said to be wrong and the workmen concerned should be paid 100 per cent overtime per day for such work. The Union has also claimed 100 per cent of gross wages as overtime for Oil Jetty Laskes who are paid 50 per cent of their gross wages for working in 12 hours shift.

20. The National Union of Waterfront Workers in its written statement has alleged that the total hours of work of the concerned workmen have increased; that the work require more skills than before that the hours of confirment on boats has gone up and the maintenance job has increased as the vessels are old and worn out. So the consolidated rates of overtime should be increased from 67 1/2 to 105 per cent of gross wages and from 55 per cent to 92 1/2 per cent of gross wages from 2-5-1977 which is the date of the strike notice of the union, to the workmen mentioned in Issue No. I(a). It has also been placed that the workmen concerned in Issue No. I(b) should be reasonably paid consolidated rate of overtime at 85 per cent of gross wages which will still be less than 4 hours evertime at double the ordinary rate of wages for 12 hours work at a stretch. Such payment should be made with effect from 2-5-1977. Those workmen, although. they are provided with assistance of Bhandaries (Cooks) utensils, oven fuel etc. are not provided with funds for purchase of food materials. They should be paid mess allowance to buy food-stuff for consumption at worksite at the rate of Rs. 6 per head per day from 2-5-1977.

21. The Calcutta Port and Short Mazdoor Union in its written statement has demanded revision of the consolidated rates of overtime paid to the concerned workmen on the grounds that the condition of the River Hooghly has deteriorated requiring constant dredging; that there has been increase in the movement of ships and change in the nature of cargo giving rise to berthing problems and that constant repairing/ overhauling of machinery of the vessels and crafts are neces-So the workmen have to face manifold difficulties in performing their duties. The crews of the vessels which go down the river and are required to stay at their duty places for long periods for operatonal reasons have to face manifold inconvenience on account of irregular hours of duty and sailing on emergent notice, long confinement, absence of home comfort and failure to fulfil their social obligations. Due to change in size and shape of different ships, change in the nature of cargo and other allied factors problems relating to berthing and other facilities have substantially increased. The concerned workmen are entitled to overtime under the Minimum Wages Act. The minimum rates of consolidated overtime for the crews who are paid at the rate of 67 1/2 per cent of gross wages should be fixed at 150 per cent of the cross wages. The crews who are required to work in 12 hours shifts duty without fixed recess and paid 55 per cent of their gross wages as consolidated overtime should be naid such overtime at 125 per cent of gross wages. The crew of the vessels and the crafts under the Chief Mechanical Engineer's Department should also paid consolidated overtime at such rate. The union has also claimed mess allowance at Rs. 7.50 per head per day to the workmen mentioned in Issue No. I(b). The demand for mess allowance is the subject matter of Issue No. II in Reference No. 17 of 1977.

22. The management of Calcutta Port Trust in its written statement and reioinders has pleaded inter alia that the Calcutta Port Shramik Union in its notice dated 4-3-1977

under section 19(6) of the Industrial Disputes Act, 1947 intimating its intention terminate the Award of this Tribunal in Reference Nos. 136, 137 and 140 of 1977, and the National Union of Waterfront Workers in its notice of strike dated 2-5-1977 made the demands for revision of consolidated compensatory allowance in lieu of overtime wages among other demands, but have not furnished any basis or justification in support of their aforesaid demands, against the exstng practice evolved through Tribunal award bipartite settlements and tripartite settlements. The management has referred to paragraph 8.25 and 8.41 of the report of the Wage Revision Committee set up by the Government of India in December, 1974 to enquire into and recommend as to what revision was necessary in the existing wage structure of the employees other than the Class-I and Class-II officers in the major port of Calcutta and other major ports having regard to the need for uniformity in the rates of emoluments and benefits of such employees doing similar jobs. The Wage Revision Committee's report was signed on 24-1-1977. It is stated that the matter of granting allowance including avertime programme committee in the latest the way of the way including overtime payments was gone into by the Wage Revision Committee and its report in this respect has been accepted by the Federations of Unions of Port and Dock Workers throughout the country and a settlement accepting the report was signed by the Federations and the Government on 14-7-1977. The management has pleaded that following the settlement government adopted a resolution accepting the said report as amended by agreement between the government and the Federations of Unions by a resolution dated 8-8-1977 and therefore the demand for revisions of consolidated rates of overtime payable to the crews attached to different marine services in the port of Calcutta should be rejected. Regarding Issue No. II in the Reference No. 17 of 1977 arising out of demand for mess allowance for the workmen mentioned in Issue No. I(b), the management has stated that the concerned marine crews working in 12 hours shifts have been provided with utensils, furniture, fuel and drinking water and the assistance of a Bhandary to cook their meals and tiffin, so that they are assured of all day or night meals and tiffin as the case may be, without any additional expenditure for the purpose and that they are also eligible to enrol themselves as members of tiffin club/canteen run by the port authority or by members themselves for which the Trustees pay a grant of Rs. 5/- per member per month together with free sunnly of accommodation, furniture, utensils, fuel etc. So the demand for the Unions for grant of mess allowance to the concerned workman is not at all justified.

- 23. The relevant paragraphs in the report of the Wage Revision Committee of 1977 concerning payment for overtime work may be quoted as follows:—
 - "8.25 Payment for overtime work is made where an employee is required to work in excess of his normal hours of work. Such payment may arise in respect of work done in the following situations:
 - (i) work during recess time in a shift;
 - (ii) work beyond the schedule shift hours or office hours;
 - (lii) work in the next shift in continuation of work in a shift;
 - (iv) work in a 1 2hour shift;
 - (v) work on a weekly day of rest; and
 - (vi) work in a festival or national holiday."
 - "8.38 Payment for overtime work is, to some extent, regulated by statutory provisions in respect of those categories of workers to whom the said provisions are made applicable and to that extent, payment for overtime work to such categories of employees shall have to be made in accordance with those provisions. We therefore, proceed to make our recommendations in respect of payment for overtime work not covered by statutory provisions and in respect of employees to whom such provisions do not apply."

Under the heading "General Recommendations" the Committee made certain recommendations in paragraph 8.39. The

relevant sub-paragraph of which is 8.39 (iii) (c) which is as follows:---

"(c) In the case of employees whose scheduled hours of work are 12 and who are at present paid overtime for four hours, payment for overtime work shall be made at double the hourly rate for three hours only; payment for work beyond 12 hours, however, shall be made at double the hourly rate for each hour."

24. Under the heading "Exceptions to General Recommendations" relating to "Marine Categories" the Committee made the following recommendations. In paragraph 8.41 subparagraph (ii) it is mentioned:—"In Calcutta Port, the crews of pilot vessels, dredgers, despatch vessels, light vessels, surplied with research vessels etc. have to work on the river for long intervals. For operational reasons the crew cannot leave their vessels and are, therefore, provided with living accommodation on board and are supplied with free provisions. The crew of port-based vessels who are not required to be away from the base for long intervals, usually work in 12 hour shifts. Two sets of crew work alternately on anchor vessels on a system of 24 hours on and 24 hours off, or 48 hours on and 48 hours off. All these categories are given consolidated payment ranging from 50 per cent to 67 1/2 per cent of monthly wages. Though considerations which promoted us to make the recommendation in para 8.39 (iii) (c) are present in some measure in Calcutta Port also, in view of the facts that Calcutta flotilla crews have to work on the river which has peculiar feature, that their hours of duty are irregular, that it is not possible to Calcutta the exact bours of overtime work in their case and also that the present rate of consolidated payment is not unreasonable, we recommend that the present dispensation shall continue undisturbed."

25. It may be mentioned that there was a settlement arrived at between the Government of India and Federations of Port and Dock Workers' Unions on the implementation of the report of Wage Revision Committee on 14-7-1977 (Ext M-63). According to the settlement the recommendations of the Committee will be implemented with effect from 1-1-1974 subject to certain modifications/reservations mentioned in para (a) to (w). Para (u) provides that during the currency of the wage settlement no fresh demand relating to wage and allowance covered by the Committee's report will be taised by any federation or its affiliates except to the extent provided in the agreement and those which are pending adjudication. The present Reference No. 17 of 1977 was made on 15-6-1977 and was pending at the time of the aforesaid settlement which has therefore excluded it from the purview of the settlement.

26. The first question that arise for determination is whether the decision of the Issue No. I(a) in the present Reference No. 17 of 1977 is barred by the principle analogous to resjudicate as the identical issue being Issue No. 1(a) was directly and substantially in issue in Reference Nos. 136, 137 and 140 of 1966 and was decided by this Tribunal presided over by Shri S.K. Sen in the Award published on 30-9-1967 (Ext M-9). It has been submitted by Mr. Mukherjee appearance of the state of the respective to the the large of principles. ing on behalf of the management that the bar of principle of res judicata should apply in this case as there has been no change in the circumstances which were the basis of earlier Award, negativing the claim of the workmen concerned for revision of consolidated rates of overtime beyond what was granted to them in the Service Regulations (Ext. M.7). On the other hand it has been contended by Mr. Roy Ganguly on behalf of the Calcutta Port and Shore Mazdoor Union and Mr. Sengupta on behalf of the other two unions that there has been change in the circumsthances for which the bar of principle of res judicata cannot stand in the way of deciding the said issue afresh by the Tribunal in the present reference. In order to resolve the controversy it is necessary to state briefly the applicability of the principle analogous to Resjudicata in industrial adjudication and thereafter discuss the evidence adduced on behalf of the workmen concerned to show the change in the circumstances on which the decision of Issue No. I(a) in the earlier Award was based. In Sankar Prasad Banerjee Vs. Labour Court, 1975 I IIJ 71. Salil Kumar Dutta, J. speaking for the Division Bench of the Calcutto High Court ofter referring to several decisions of the Supreme Court on the point, has summarised the position as follows:

. - - - - -_____ __<u>_</u>_-"The ratio of the decisions referred to by the parties as noted above appears to be that the pranciple of resjudicata would be normally applicable to industrial adjudications for awards as industrial settlements are intended, consistent with the policy of the Industrial Disputes Act, 1947, to be operative for a fairly long period unless there is a change of circustances which may be the basis of the award. In cases where the award is based on prevailing circumstances like determination of wage structure and the like on existing price index, with the constant change of circumstances like spiralling of prices, the principle of resindicata would be inappropriate and inapplicable, Such principle would, however, be applicable when the award is not based on prevailing circumstances but on rights claimed long existing but found by the Labour Court as nonexistent and there is no scope for any change of the rights or in the claim of the workmen on the employer by reason of the change of circumstances. In this state of affairs there can be no dispute that in such cases, the principle of res judicata will have full application."

In workmen, Straw Board Mfg. Co. Vs. Management in 1974 I LLJ 499(SC) the Supreme Court observed that it is now well settled that the principle of resjudicata laid down in section 11 of the Civil Procedure Code is applicable to industrial adjudication wherever possible for very good reasons namely, to avoid multiplicity of litigation and agitation and re-agitation of the same disonte at issue between the same employer and his employees which is not conducive to industrial peace. In Workmen, M/s. Hindustan Lever Ltd. Vs. Management Mls. H.L. Ltd., 1984 I ab. I.C. 276 (SC), Desait J. has observed that one can safely say that principle analgous to resjudicata can be availed to scuttle any attempt at raising industrial disputes repeatedly in defiance of operative settlements and Awards. But this highly technical concept of civil justice may be kept in precise confined limits in the fields of industrial adjudication which must as far as possible be kept free from such technicalities which thwart resolution of industrial disputes.

27. In view of the legal position stated above in regard to the applicability of principle analogous to res judicata in industrial adjudication, it is to be considered whether there has been material change in the relevant circumstances which were the basis of the decision of Issue No. 1(a) in the earlier Award published on 30-9-1967 (Ext M-9). The evidence adduced by the Unions on the said point may be discussed, WW-2 Shri P. C. Bose, assistant secretary of the Calcutta Port Shramik Union deposing on different dates in November, 1983 has stated what according to him was the change in the been pleaded, namely, (i) in 1969 there were 7 river dredgers but now only 4 for which the hours of work of the crew have increased; (ii) in 1967 there were 4 river survey vessels but at present there are only 3, the system of work remaining the same; (iii) the number of tugs has decreased from 14 to 10; (iv) pilot vessels are piloting ships for both Calcutta Port and Haldia port and (v) work of shore stations has also increased due to Farakka Barrage. WW-2 while elaborating stated that 3 dredgres are working continuously for 24 hours. So the crews are staying all 24 hours. They come to town for three days including the day of journey and day of departure. In cross-examination he has admitted that the Calcutta Port Trust have, 5 dredgers. Mohana. Churni, Subarnarekha. Maha Ganga and M.O.T. Dredger. All except Mohana, Churni, one are provided with electric remote control system. He admits that the effects of Farakka water supply is that the depth has increased in the upper reaches and dredging has gone down in that stretch of the river. Dredging in lower reaches (Balari Bar to Sand-heads) which is also estuary, is almost constant. Three dredgers work round the clock, Two of them are of bigger sizes having more crew. He has admitted that under a settlement dated 31-1-1977 (Ext M-24) regarding the crews of river dredgers working in cycle of 13 days out and 3 days in (In place of the earlier evel- of 10 days our and 5 days in) they got one day's gross wages (excluding house rent allowance) for every extra day spent down the river beyond 10 days with retrospective effect, plus increase in estuary dredging allowance and taken together they receive more than 100 per cent of their gross wages in a month, MW-1, I.S. Kampani Chief Officer, Dredging and Despatch Service deposing for the management has been stated that the actual working hours of the crews in the dredgers is from 6 AM to 4 PM with 2 hours break namely, one hour from 9 AM and one hour from 1 PM. In three dredgers working for 24 hours the number of crew is much larger than in day dredgers and the dredgers are actually utilised for 16 to 18 hours on account of shortage of the crew and tidal factors as well as lack of flotation. The Year-wise/Vessel-wise dredging output shown by the statement Ext. M-58 reveals a downward trend of the output for 1967-77 onwards upto 1981-1982.

- 28 Regarding crew of river survey vessels the number of which decreased from 4 to 3, WW-2 has admitted that river survey vessel 'Guide' was condemned and with the staff thereof a new shore station has been opened at Budge Budge.
- 29. Regarding the decrease in the number of tugs from 14 to 10, it appears from Ext. M-46 that the work of the crew in the tugs has gone down. The said statement showing the number of days for which each tug was in commission or out of commission reveals that a majority of the tugs worked for less than 7 months in the year or 210 days. This trend must have been on account of decrease in the movements of ships.
- 30. It is no doubt a fact that the port at Haldia which is a subsidiary port became fully operative in the year 1977-78 and in that year the pilot vessels piloted ships to and from both the ports. But it cannot be said that work of the crew of the pilot vessels increased in 1977-78 compared to their work in 1967. Their main work is to take the pilot by motor boat to the incoming ship or from the outgoing ships. In 1965-66 the average number of ships visiting calcutta port was 9 per day but in 1977-78 the average number of ships visting both Calcutta and Maldia port was 6 per day. The relevant figures will be available from para 22 of the earlier award, Ext. M-9 and administrative report of the Calcutta port for 1977-78 (Ext. M-23) paras 2.10 and 2.16.
- 31. According to WW-2 the work of shore stations has also increased due to Farakka Barrage. But he admits in crossexamination that the normal system of survey work is from morning to afternoon (6 AM to 4 PM) and occasionally outside normal hours, although they have to remain on stand by duty during the remaining hours and that the same system was also in existence in 1967. MW-3, K. L., Narang Comander Hooghly River Survey deposing for the management has stated that there are three river survey vessels and the work-load of the crews has not increased since 1967. Except for emergency like ship running a ground which is also called ship casualty no operational duties are performed at night. When the tide is not suitable for survey work they supply materials to semaphore stations (having signalling appartus with two arms). River Survey vessels stay down the river for 16/17 days in two trips of 8 days each in a month and in the town for 14 days when after 4 PM half of the crew get shore leave for going to town and other half does ship-keeping duty by rotation. On Saturdays the work is from 6 AM to 1 PM and on Sundays 6 AM to 10 The same work pattern was followed in 1967. The vessels are laid-up for annual overhaul/repairs for 4 to 7 months in a year. According to MW-3 the channel has not deterorated since 1967. There are 4 store stations at Calcutta, Hooghly, Budge Budge and Haldia. The system of work of the crews are almost the same and remains un-changed since 1967. He has said that the water from Farakka Barrage flowing since 1975 has not affected the frequencies of survey done by the crew of the shore stations.
- 32. MW-2, A Coelho, the Dock Master has deposed that the Heave-up Boats and Hawser Boats are used for moorings and unmooring of ships in the mooring while anchor vessels are used for laying mooring buoys salvage work etc. In 24 hours there are two tides or high water elacks during which the iob of mooring and unmooring can be done. Normally only one ship can be moored or

- unmoored on one tide and the work takes about 34 to This is the normal work of the aforesaid crews of hours. the vessels besides other miscellaneous work at port. Land laskars assist in holding ship's line while the ships pass through locks, bridges etc. and at the berth. The aforesaid marine personnel work on 12 hours shifts from 7 AM to 7 PM and from 7 PM to 7 AM with two hours' variable recesses. Their jobs are intermittent in nature (time of work depending on tide) and quantum varies according to the number of ships visiting leaving the port. The crews working under the Mooring Master in Jolly Boats, Tugs, Launches and Motor Boats are associated with berthing ships and unberthing them. They also work on similar shifts of 12 hours. According to MW-2 after the commissioning of Farakka Barrage (in 1975) the severity of bore tides has been considerably reduced and as the number of ships coming or leaving the ports has gone down the work of the aforesaid crews has also decreased. MW-4, Nirmalendu Roy, Deputy Chief Accounts Officer has deposed to the effect that the financial position of Calcutta Port authority is bad because cargo tonnage has gone down and the port charges are fixed on "what the traffic can bear" principle.
- 33. WW-2, Shri P. C. Bose has admitted that so far as the crew of light vessels are concerned there has been no increase in their work as compared to the work they used to perform in 1967. There was a settlement dated 20-6-1977 (Ext. M-30) to the effect that the crew of the light vessels would get Rs. 2 per day when the vessels are stationed at estuary sea-ward. WW-2 has deposed that the system of work at Calcutta and Bombay are more or less the same and that in Bombay the crew get 4 hours overtime for 12 hours shift. But the conditions of work in Bombay port are not comparable with the conditions of work in the Calcutta Port and this matter has been elaborately discussed in para 22 of the earlier Award (Ext. M-9). The spread of work is also different. WW-3, Bimal Sur, Laskar in Marine Dept. and vice president of Port Shramik Union has stated that the despatch vessels are required to sail with two hours' notice even with 50 per cent of staff which involves hardship. But in cross-examination he admits that on account of such hardship they get hardship allowance,
- 34. The crew of Jet Bredgers under Chief Mechanical Engineer's Dept, work from 7 AM to 7 PM in a single shift. They get rest for 2 hours to be taken in turn. They also get a day off in the week. The crew get overtime allowance at 50 per cent of gross wages (vide Ext. M-12 and M-15).
- 35. WW-2 has admitted that there is a tripartite settlement dated 13-1-1977 under which the crew of the vessels and craft under Harbour Master (Port) get 25 per cent extra allowance and free ration or cash equivalent thereof per day for work beyond port limit including work in Haldia Port. According to him that settlement (Ext. M-25) is still operative.
- 36. The evidence adduced falls far short that of the pleadings of the unions as the various allegations are mostly not supported by evidence. The indicators of the possible extent or quantum of actual work of the concerned workmen extending beyond the normal work schedule of 8 hours on account of exigencies of work are (i) number of incoming and outgoing ships to and from the ports at Calcutta and Haldia in 1977-1978; (ii) number of boating trips from pilot vessels; (lii) number of mooring and unmooring jobs; (iv) number of inward, outward and shifting jobs of the crew under Dock Master; (v) average number of days spent down the river by the dredgers (river); (vi) average number of days spent down the river by the despatch vessels and (vii) number of shipping casualties.

37. It will appear from the para 22 of the earlier Award (Ext. M-9) that the following were the figures of the number of incoming vessel and number of outgoing vessels in the vear 1963-64 to 1965-66 :

| Year | Number of income vessels | Number of out-going vessels |
|---------|--------------------------|-----------------------------------|
| 1963-64 | 1828 | 1784 |
| 1964-65 | 1807 | 1757 |
| 1965-66 | 1 623 | 1671 |
| | | |

The Administrative Report, 1977-78 for Calcutta Port (Ext. M-22 in para 2.10 shows that following corresponding figures for the year 1975-76 to 1977-78 :--

| Year | Number of incoming Vessels | | |
|---------|----------------------------|--|--|
| 1975-76 | 1012 | | |
| 1976-77 | 9 86 | | |
| 1977-78 | 993 | | |

The figures of out-going vessels may be taken to be almost the same as that of incoming vessels in 3 year span. It will appear from the two tables above when compared that the number of ships visiting or leaving the Calcutta port in 1965-66 was on an average 9 per day but in 1977-78 the number was on an average 5 per day in Calcutta Port. Taking the number of ships visiting and leaving the Haldia Port in 1977-78 being 92 (vide para 2.16 of Ext. M-23) the average number for both Calcutta and Haldia Ports was 6 ships per day.

- 38. Particulars of the number of boating trips done by the crew of pilot vessels Sagar (Ext. M-18) show that the average number of boating trips in April, 1978 was 5 per day. But para 22 of the earlier Award (Ext. M-9) shows that before 1967 the boating trips done by the crew of pilot vessels Samudra was on an average 9 trips per day.
- 39. The decrease in ships movements has resulted in corresponding decrease in the work not only of the crew of pilot vessels but also of the crew of Harbour Crafts/Vessels under Harbour Master (port), Mooring Master and Dock Master working in 12 hours shifts. The decrease in the number of inward outward and shifting jobs performed by the crew under Dock Master is significant as shown in the table below (vide Ext. M-45) :—

| | 1965 | 1975-76 | 1976-77 |
|-------------|---------------|---------------|---------------|
| | (grand total) | (grand total) | (grand total) |
| No- of jobs | 6393 | 4333 | 3868 |

- 40. Statement of monthwise commissioning of tugs in 1978 (Ext. M-46) shows that 8 out of 11 tugs were out of commission for five months or more during the year. So the actual work has much decreased but consolidated overtime at 55 per cent of gross wages is being paid to each member of the crew.
- 41 It appears from the statement (Ext. M-59) that the average number of days spent down the river by the 5 dredgers were 198 days each in 1979-80 whereas it was 212 and 229 days each during 1965-66 as shown in para 25 of the earlier Award (Ext. M-9).
- 42. The statement Ext. M-59 also shows that the average number of days spent down the river by the two despatch vessels Seva and Madie was 86 days each and 113 days each in 1976-77 and 1977-78.
- 43. Number of shipping casualties which occurred when the ships run around or their steering gets out of order was on an average 65 per year in three years 1961-62, 1962-63 and 1963-64 vide para 26 of the earlier Award (Ext. M-9) but the number of shipping casualties in 1978 was only 13 (Ext. M-20). Despatch vessels have to assist the ships when such casualties occur.

- 44. Thus if a comparison is made between the figures of the indicators of the possible extent of quantum of actual work of the crews concerned extending beyond normal working hours on account of exigencies of work connected with shipping for 1965-66 or thereabout with the figures for 1977-78 according to the data available from the evidence the result will show that the extent of possible overtime work by the concerned workmen in 1977-78 did not increase at all and on the contrary there was further reduction of such work. It cannot be said that the concerned workmen who are getting 67½ per cent of gross wages as consolidated overtime have to work for more than 654 hours a week or that the workmen who are getting 55 per cent of gross wages as consolidated overtime as mentioned in Issue No. I (a) of Refrence No. 17 of 1977 have to work for more than 62 hours a week (inclusive of work on 26 Sundays). I am also not satisfied from the evidence that the workmen mentioned in Issue No. I(b) of the said reference who are getting 55 per cent of gross wages as consolidated overtime including 5 per cent for delay in relieving have to work for more than 2 hours per day in excess of 8 hours which are the normal working hours.
 - 45. It has been contended with some force by Mr. Sengupta that as the orew in river going vessels have to stay for 24 hours in vessels while they are down the river and keep themselves prepared for work whenever required to meet any exigency of work, they should be treated as doing overtime work for the entire period beyond the normal working hours viz. for 16 hours per day. It has been submitted that instead of claiming overtime for 16 hours, the unions are responsible enough not to demand more than 100 per cent of gross wages as consolidated overtime to be paid to all the work-men who have to go down the river beyond the port limits for work. In this connection, he has referred to the two decisions of the Supreme Court, namely, Workmen, Indian Oxygen Vs. Indian Oxygen Ltd., 1969 I LLJ 235 and Workmen of Calcutta Electric Supply Corpn. Vs. Management, 1973 II LLJ 258. But in the first decision referred to, the ratio is that when under conditions of service under the company the total nouts of work per week were 39 hours and any workman was asked to work beyond those hours he would obviously be working overtime and should be paid at a special overtime rate upto 48 hours per week and not at the ordinary time rate of wages, as otherwise that would be indirectly increasing the hours of work and consequently aftering the conditions of service of the workmen. The same ratio was followed in the second dicision cited by Mr. Sengupta. In my view, the aforesaid two decisions of the Supreme Court are of no assistance to the workmen concerned in this reference as it has not been laid down anywhere that overtime has to be paid for idle time. In this connection, I may refer to para 8.40 of Wage Revision: Committee's report of 1977 in which the Committee has observed to the effect that strictly speaking overtime is paid for extra hours of actual work and that staggered breaks for meals and idle time should not be included. Section 14 of the Minimum Wages Act and Rule 25 of the Minimum Wages (Central Rules), 1950 also indicate that overtime is payable for "work" on any day in excess of number of hours constituting a normal working day. I therefore, find that the contention of Mr. Sengupta that overtime should also be paid for entire period of stay in the ship on any day beyond normal working hours is not sustainable. It is true that the workmen in river going vessels have to work beyond 8 hours as and when necessity arises in the interest of maintaining nevigational aid to the ships or because of the tidal conditions of the river, and the period of such occassional work cannot be computed with precision. But as it has already been stated; there are some indicators to show that necessities of such occassional work and it can reasonably be inferred from such indicators, that the total hours of actual work have not increased beyond 654 hours per week or 62 hours per week as mentioned in the Service Regulations framed by the Port Commissioners (Ext. M-7).
 - 46. There is one important circumstance regarding the applicabilityy of provisions of sections 13 and 14 of the Minimum Wages Act, 1948 which has changed after the Award of 1967 viz that the Issue No. 1(a) in the earlier Award (Ext. M-9) was decided on the footing that there was a notification made by the Central Government under

section 26(2) of the Act directing that sections 13 and 14 would not apply to the workmen concerned but at the time of the present Reference No. 17 of 1977 there was no such notification and the provisions of the said section were applicable to the workmen mentioned in Issue No. I(s). Before referring to the notifications issued from time to time under section 26(2) of the Act by the Central Government relating o the concerned workmen of Issue No. 1(a). 1 may quote the provisions of sections 13 and 14 of the Minimum Wages, Act, 1948 which are as follows :-

- "13. Fixing hours for a normal working day, etc.—(1) In regard to any scheduled employment minimum rate of wages in respect of which have been fixed under this Act, the appropriate Government may-
 - (a) fix the number of hours which shall constitute a normal working day, inclusive of one or more specified intervals;
 - (b) provide for a day of rest in every period of seven days which shall be allowed to all employees or to any specified class of employees and for the payment of remuneration in respect of such days of rest :
 - (c) provide for payment for work on a day of rest at a rate not less than the overtime rate.
- (2) The provisions of sub-section (1) shall, in relation to the following classes of employees, apply only to such extent and subject to such condition as may be prescribed-
 - (a) employees engaged on urgent work or in any emergency which could not have been foreseen or prevented ;
 - (b) employees engaged in work in the nature of preparatory of complementary work which must necessarily he carried on outside the limits laid down for the general working in the employment concerned :
 - (c) employees whose employment is essentially intermittent:
 - (d) employees engaged in any work for technical reason has to be completed before the duty is over;
 - (c) employees engaged in a work which could not be , carried on except at times dependent on the irregular action of natural forces.
- (3) For the purposes of clause (c) of sub-section (2) employment of an employee is escentially intermittent when it is declared to be so by the appropriate Government or by an officer not below the rank of a Deputy Commissioner of Labour especially authorised by the State Government in his behalf on the ground that the daily hours of duty of the employee, or if there by no daily hours of duty as such for the employee, the hours of duty, normally, include periods of inaction during which the employee may be on duty, but is not called upon to display either physical activity or sustained attention.
- 14. Overtime—(1) Where an employee, whose minimum rate of wages is fixed under this Act by hour, by the day or by such a longer wage-period as may be prescribed, works on any day in excess of the number of hours constituting a normal working day, the employer shall pay him for every hour or part of an hour so worked in excess at the overtime rate fixed under this Act or under any law of the appropriate Government for the time being in force, whichever is higher.
- (2) Nothing in this Act, shall prejudice the operation of the provision of section 59 of the Factories Act, 1948 (LXIII of 1948), in any case where those provisions are applicable."
 The Port Commissioners applied for exemption in respect of the employees of the marine department after adopting a resolution on 8 July, 1958. The Central Government by notification No. S.O. 3079 of 15 December, 1960 granted exemption for 5 years; by notification No. S.O. 682 dated 23 February 1966 exemption was granted for a year and by

notification No. 1313 dated 3/5 May, 1967 exemption was granted for another year from the date of the notification. Before publication of the notification, the Central Government imposed condition that Regulations be framed setting out the conditions of service of the employees working in vessels, shore stations and survey parties, under the Calculta Port Commissioners. So such Regulations were framed by them. They are in two parts. The first applies to employees of dredgers, despatch vessels, river survey vessels and atta-ched launches and pilot vessels among others. The second part applies to employees of light vessels, saugar light house, shore stations and survey parties and attached launches. The relevant regulations governing the service conditions of the employees of the aforesaid first category are as follows :-

- (1) These Regulatons will apply to the categories of employees as set out in the Schedule attached hereto.
- (2) The vessels to which the employees concerned are attached will be considered to be their place of
- (3) The employees will be entitled to free rations on the scale sanctioned by the Commissioners from time to time.
- (4) The employees shall work according to requirement and shall be given such shore liberty as may be convenient, in accordance with the exigencies of work, subject to the conditions that 50 per cent of the staff attached to any vessel should at all times during the day or night remain on the vessel.
- (5) The employees will be deemed to have worked 651 hours a week provided they were present on all days of that week in accordance with the provisions of Clause 4 above
- (6) They will be paid a consolidated compensatory allowance in lieu of overtime wages, at the rate of 621 of pay plus all allowance including the monetary value of their rations, provided that the compensatory allowance will not be admissible during period of leave of any kind including compensatory leave in lieu of weekly off days.
- (7) The exilsting practice under which the employees are given more laisure on Saturdays and Sundays while in town (unless there is any emergency) will continue. The total laisure employed by them under this pratice will be taken to be equivalent to 26 Sundays in a year. The employees will in addition be given 26 compensatory holidays to make up the total of 52 Sundays in a year.

The felevant Regulations governing service conditions of the employees of the aforesaid second category are as follows :-

- (1) These Regulations will apply to the categories of employees as set out in the Schedule attached
- (2) The vessels/shore stations to which the employees concerned are attached will be considered to be their place of stay as well as their place of duty.
- (3) The employees will be entitled to free rations on the scale sanctioned by the Commissioners from time to time.
- (4) The employees shall work according to requirements and shall be given shore liberty as may be convenient, in accordance with the exigencies of work, subject to the condition that 50 per cent of the staff attached to any vessel/shore stations shall at all times during the day or night remain on the vessel or at the shore stations as the case may be.
- (5) The employees will be deemed to have worked 62 hours a week provided they were present on all

days of that week in accordance with the provisions of Clause 4 above.

- (a) They will be paid a consolidated compensatory allowance in neu of overtime wages, at the rate of 50 per cent of pay plus all anowances including the monetary value of their rations, provided that the compensatory allowance will not be aumissible during periods of leave of any kind including compensatory leave in hed of weekly off days.
- (7) The existing practice under which the employees are given more faisure on Saturdays and Sundays while in town (unless there is any emergency) will continue, the total laisure enjoyed by them under this practice will be taken to be equivalent to 26 Sundays in a year. The employees will in addition be given 26 compensatory holidays to make up the total of 52 Sundays in a year.
- 47. The exemption notification No. S.O. 1713 dated 3/5 May, 1969 contained reference to the special Regulations that nad been trained. The exemption granted by the Central Government applied only to the crews of vessels going down the river and of shore sations/survey parties whose service is similar to service in river going vessels i.e., to the workmen mentioned in Issue No. Ita) of Reference No. 136, 137 and 140 of 1966 and not to the marine crews under the Harbour Master (Port).
- 48. The exemption notification No. SO-1713 dated 3rd/5th May, 1967 granted exemption for one year only. Thereafter there was no such notification from the expiry of the said one year till similar notification No. S-320147(7)/177 dated 31-5-1978 (Ext. M-17) granted exemption for 2 years. Again there was an interval of about 5 years during which there was no exemption notification in operation although the port authority had applied for exemption in 1980. The next exemption notification No. S-32014/1/80-WC dated 8-1-1985 was published in January, 1985 granting exemption for 2 years without prejudice to the rights and contention of the parties in Reference No. 44 of 1978. These facts are not disputed.
- 49. Thus the decision of Issue No. I (a) in the earlier Award (Ext. M-9) published on 30-9-1969 was based on the circumstance that section 13 and 14 of the Minimum Wages Act, 1948 did not apply to the concerned workmen by virtue of aforesaid notifications of the Central Government under section 26(2) of the said Act. But the decision of the identical issue No. I (a) in Reference No. 17 of 1977 will proceed on the altered circumstance of absence of such exemption notification operating on date of that reference. Because of this material change of the relevant circumstance, the principle analogous to resjudicate will not operate as bar to the adjudication of the Issue No. I (a) in the present Reference No. 17 of 1977.
- 50. It will appear from the Service Regulations (Ext. M-7), relevant extracts of which have been quoted in para 46 that each member of the crews of pilot vessels, dredgers (river), and attached launches, river survey vessels, despatch vessels and research vessels|shore station was deemed to have worked for 65-1|2 hours a week provided they were present on all days of that week for work according to requirements and vessels to which they were attached were considered to be their place of duty as well as place of stay. The same Regulations are still in force. So the workmen concerned will be deemed to have worked 17-1|2 hours in excess of 48 hours in a week and will therefore be entitled to overtime at double the ordinary rate of wages for 17-1|2 hours, In the result they are entitled to consolidated overtime at the rate of 73 per cent of gross wages in place of 67-1|2 of gross wages which they were getting on date of demand i.e. 4-3-1977. The consolidated rate of overtime for such workmen should be revised accordingly with effect from 4-3-1977.
- 51. Similarly under the Service Regulation, (Second part) the other category workmen referred in Issue No. 1 (a) will be deemed to have worked for 62 hours a week on similar conditions. So they will be deemed to have worked

- for 14 hours in excess of 48 hours in a week and will be entitled to overlime at couble the ordinary rate of wages for 14 hours. They are therefore entitled to consolidated overtime at the rate of 58 per cent of gross wages in place of 55 per cent of gross wages which they were getting on the date of demand i.e. 4-3-1977. The consolidated rate of overtime for such workmen should be revised accordingly with effect from 4-3-1977.
- 52. The workmen attached to harbour crafts and berthing establishments under Harbour Master (port) including the mooring crew and the operational staff under the Mooring Master and shore-based marine crews who work in 12 hours shift with 2 hours variable recess and crew attached to 2 Jet Dredgers under the Chief Mechanical Engineer there being admittedly no dispute regarding the crew of crane vessels who work in 12 hours shift with fixed recesses for two hours—see paragraph 15 above) as mentioned in Issue No. I (b) of the Reference No. 17 of 1977 are employees engaged in work which cannot be carried on except at times dependent on the irregular action of natural forces causing tides in River Hooghly. So they come squarly under the exception (e) in section 13(2) of the Minimum Wages Act, 1948 for which the provisions of section 13(1) of the Act will not apply to them. This category of workmen work for 10 hours and enjoy variable recess for 2 hours in a 12 hours shift and get rest day in every week. They are paid overtime for 2 hours work in excess of the normal 8 working hours at 50 per cent, of gross wages equivalent to double the ordinary rate of wages and they are also paid 5 per cent of gross wages as delay in relieving allowance where there are two shifts of 12 hours in 24 hours of day and night. In my view, there is no justification for upward revision of the existing consolidated rates of overtime paid to the workmen mentioned in Issue No. I (b) in Reference No. 17 of 1977. They are entitled to no relief in this regard.
- 53. The Issue No. II relates to the demand of the marine crews working in 12 hours system for grant of mess allowance, keeping in view the consolidated overtime eceived by and other relevant factors. It has mitted by Mr. Roy Ganguly on behalf of the Calcutta Port and Shore Mazdoor Union that the concerned workmen because of their hours of duty either from 7 A.M. to 7 P.M. or from 7 P.M. to 7 A.M. cannot bring food materials for cooking food from the shops/market in the localities of their residence/when they come to join their duties and so they have to purchase such materials from the shop/market on the shore of the river at higher prices deserving compensation in the form of mess allowance. It is argued that although the port authority provides them with cook (Bhandari), utensils, furniture and fuel in the vessels free of cost they should be paid mess allowance. Another ground in respect of such demand is that under the settlement dated 13-1-1977 (Ext. M-25) the same workmen when deployed beyond Budge Budge including Haldia they are paid Rs. 5.50 per head per day in lieu of free provisions for tiffins meals. On the other hand it is submitted by Mr. Mukherjee on behalf of the management that the demand in question is quite unreasonable as the concerned workmen over and above, facilities for cooking food inside the vessel free of cost, are also provided wit fucilities of subsidised canteens for taking tiffin at cheap rates. They can easily avail temselves of such subsidised food by being members of such canteens. It is further submitted that the management agreed to pay allowance of Rs. 5.50 per head to such workmen in lieu of provisions for food when they are deployed beyond Budge Budge including for work under the settlement dated 13-1-1977, only in very special circumstance as the extra incentive had to be given in exigen cies of work connected with making Haldia port operational as early as possible. Such concession granted in special circumstances cannot be made the general condition of service of the workmen who normally work within the limits of the Calcutta Port.
- 54. Considering the submission made on behalf or the parties, alongwith the facts and circumstances of the case I find that the demand in question of the concerned workmen working within the limits of Calcutta Port for mess allowance is not justified. The alleged hardship for paying higher price for purchase of food materials from the shop/market on the shore has not been proved. Workmen deployed in the shifts from 7 PM to 7AM should have no difficulties in

bringing food materials by purchasing them from shops/market of the locality of their residence. It appears that when they are deployed for work beyond Budge Budge including Haldia i.e. outside the limit of Calcutta Port they are treated like crew of river going vessels who get free provisions and are therefore paid allowance at the rate of Rs. 5.50 in lieu of free provisions. That is no good reason for paying similar allowance as mess allowance to workmen who work within the limits of Calcutta Port. I, therefore, find that the demand for mess allowance which is the subject matter of Issue No. II is not justified and should be disallowed.

- 55. In the Refence No. 44 of 1978 there is only one issue and it relates to the demand of the workmen who work in river going vessels and shore stations/survey parties for payment for work done on the weekly day of rest in accordance with recommendation made in para 8.43 of the Wage Revision Committees Report submitted in 1977 relating to port and dock workers.
- 56. The Calcutta Port Shramik Union in its written statement has referred to the Union's demand under item No. (iv) in its letter dated 4-3-1977 for termination of earlier Award of 1967 claiming 52 days leave in a year instead of 26 days allowed at present to the concerned workmen. The union has relied on the recommendation of the Wage Revision Committee in para 8.43 of its report which runs as follows:—
 - "8.43(i) Payment for work on a weekly day of rest or on a festival or national holiday shall be made to all employees at the rate of one and half times the daily rate and a compensatory day off shall be given. If it is not feasible to give a compensatory day off, the rate shall be two and half times the daily rate for employees entitled to a paid weekly day of rest or a paid festival or national holiday and one and half times the daily rate for those not so entitled.
 - (ii) A piece-rated worker shall be paid in addition to his piece rate earning one-half of the daily rate for work on a weekly day of rest or on a festival or national holiday if given a compensatory day off; if it is not feasible to give a compensatory day off, the rate shall be one and half times the daily rate for a worker entitled to a paid weekly day off rest or a paid festival or national holiday and one half of the daily rate for a worker not so entitled.
- Explanation: "Daily rate" shall be calculated by dividing basic pay in our proposed scales plus Dearness Allowance for the month according to our formula by thirty."

It is also pleaded that the crew of dredgers have to do extra work under revised routine of 15 days out and 3 days in (in place of 10 days out 5 days in) for which they were not given any additional leave or holiday. The union has claimed that aforesaid agreed recommendations of the Wage Revision Committee should be implemented from 1-1-1974 in case of all outgoing vessels of the Calcutta Port Trust.

- 57. The National Union of Waterfront Workers in its written statement has pleaded on the same lines. It is stated that the concerned workmen are covered by the Minimum Wages Act, 1948 and should be provided with a day of rest in a week. The union has claimed payment @2-1/2 times the daily rate for their work on the weekly day of rest from 1-1-1974 although the concerned workmen are given 26 days special leave in a year and consolidated overtime allowance for working and staying on board the vessels/shore stations.
- 58. The Calcutta Port and Shore Mazdoor Union in its written statement has also pleased that the workmen concerned are covered by the Minimum Wages Act, 1948 and the Minimum Wages (Central Rules) 1950 and that they are not properly compensated for working on the weekly day of rest. Payment for such work should therefore be made in accordance with the recommendations of the Wage Revision Committee in para 8.43 (i) of its report or any other relief deemed appropriate by the Tribunal should be granted to them.

- 59. The management of the Calcutta Port Trust in its written statement and rejoinders has averred that the issue in question formed part of a charter of demands of the Calcutta Port Shramik Union as early as in 1958 and after prolonged discussions with the said union as a gesture of goodwill the earstwhile Commissioners for the Port of Calcutta adopted a resolution in their 11th (Special) meeting held on 8-7-1958 in which in order to compensate the workmen employed in vessels going down the river, shore stations survey parties for irregular hours of work, overtime work, ship-keeping duty and loss of weekly off day the following agreed previleges specially to these categories of workmen was approved:
 - "26 holidays in a year in the form of special leave in view of the fact that they cannot be granted a day off in the week. The existing practice of giving some leisure on Saturdays and Sundays while in town will continue.".

By the time the above concessions were extended to the concerned workmen the Central Government by Act 30 of 1957 added sub-section (2) after section 13(1) in the Minimum Wages Act and although the said concessions were given as a result of agreement with the unions, it was necessary to seek exemption under section 26(2) of the Minimum Wages Act and the erstwhile Commissioners applied for such exemption in respect of the concerned wormen. According to the directions of the Central Government, regulations were framed enumerating the service conditions of the workman (Ext M-7) and those regulations came into force after the first notification No. SO-3079 of 15-12-1960 granting exemption was published.

- 60. The management has stated that the grant of weekly off day with pay and consolidated allowance to the concerned workman was the subject matter of issue No. 1(b) before the Tribunal presided over by Sri S. K. Sen in Reference No. 136, 137 and 140 of 1966 and the said Tribunal has in its Award found that the claim for upward revision of special compensatory leave of 26 days in lieu of weekly off days lost is not justified. According to the said Tribunal the claim for payment consolidated allowance during special compensatory leave is also not justified. The appeals by special leave filed by the unions before the Supreme Court against the said Award being Civil Appeal Nos. 1220 and 1222 of 1968 were dismissed. It is further stated that since 1958 the workmen concerned were compensated by payment of consolidated compensatory allowance for the combined disadvantages of irregular hours of work, deprivation of weekly off day etc. under the Regulations and such compensation has become part of their service conditions. After the Award of 1967 the rate of consolidated compensatory allowance, has been increased under the tripartite settlement dated 3-7-1969. The management has pleaded that at this stage the said compensation cannot be separated and apportioned. It is also contended that the recommendation of the Wage Revision Committee in paragraph 8.43 of its report is meant for workers not covered by statutory provisions like the Minimum Wages Act, 1948 and this fact will appear from the paragraph 8.38 of the report. It is pointed out that the dredger vessel's stay away from the base has been increased from 10 days to 15 days to meet the dredging requirements of deteriorating navigational channel with corresponding payment of a day's gross wages for each extra day spent on the river by the crews beyond 10 days under a settlement dated 31-1-1977. The management concludes that the demand of the unions is not sustainable and any concession in this regard will create widespread repercussion in all major ports in the country.
- 61. At the time of hearing, both Mr. Sengupta appearing for Calcutta Port Shramik Union and Mr. Ganguly appearing for Calcutta Port and Shore Mazdoor Union have referred to the recommendations in para 8.43 (i) of the Wage Revision Committee's report published in 1977 in support of the demand for payment for wrok on weekly rest days made by the workmen of river going vessels, shore stations/survey parties who get 26 days compensatory leave or holidays in lieu of weekly days of rest and are paid consolidated overtime allowance at 67 per cent or 55 per cent of gross wages as the case may be. The para 8.43 has already been quoted above (in para 56). Mr. Ganguly has further submitted that it is anamolous to pay only 67-1/2 per cent or

55 per cent of gross wages as consolidated overtime allowance to the concerned workmen when they do not get compensatory leave or holidays for work on 26 out of, 52 Sundays or weekly days of rest, in the year although the workmen of the port based vessels and shore based marine crews get 55 per cent of gross wages as consolidated overtime and at the same time 52 days of rest in the year. It is contended under such system of payment of overtime, 7 per cent of the consolidated overtime of the workmen who go down the river is 'eroded' or become disproportionately less to that extent. According to bim this anomaly should be removed and can be removed if they are paid extra 1/2 days wages over and above to normal wages for work on 26 days of rest by further increasing the consolidated rate of overtime to the extent of 3-1/2 per cent of gross wages.

62. In my view, the recommendations of the Wage Revision Committee in para 8.43(i) of its report regarding the payment of overtime relate only to employees not covered by the Minimum Wages Act, 1948 or the Factories Act, 1948. This position has been made amply clear in para 8.38 of the report which has also been quoted hereinbefore (vide paragraph 56). The general recommendations regarding payment for overtime work to such workmen are set out in para 8.39. The exceptions to the general recommendations are set out in para 8.41 and 8.42. The recommendations for payment for work on a weekly day of rest or on a festival or national holidays are in para 8.43 of the report. As the concerned workmen in this case are covered by the Minimum Wages Act, 1948 the recommendations in para 8.43 of the Wage Revision Committee's report are not meant for them. So they are not entitled to take to aid of such recommendations in respect of their claim for half day's extra wage for work on 26 days of rest by further increasing the consolidated rate of overtime to the extent of 3-1/2 per cent of gross wages. Regulation 7 of the Service Regulation (Ext. M-7) in both the parts provides how the concerned workmen are getting equivalent of 52 days of rest or Sundays in the year. Under the Service Regulations, workmen of dredgers, pilot vessels, river survey vessels, research vessel and attached launches were deemed to have worked for 65-1/2 hours a week i.e., 17-1/2 hours in excess of the normal 48 hours. In making such estimate of the total hours of work per week the management must have taken into account the fact that the workmen concerned had to work on 26 Sundays normally for 2 hours on each Sunday besides doing shipkeeping duty while the vessels were in town. The same system was prevelant in 1977-78 i.e. in the relevant period and prevails even today. No doubt, the aforesaid workmen were granted by the said Regulations consolidated compensatory allowance at 62-1/2 per cent of gross wages in lieu of over-time, equivalent to overtime for 15 hours per week at double the ordinary rate of wage instead of for 17-1/2 Hours. This apparent anomaly will be rectified when they will be paid consolidated rate of overtime at 73 per cent of gross wages according to the decision of issue No. I(a) of Reference No. 17 of 1977. Similarly under the second part of the Service Regulations the workmen of light vessels, shore stations/ survey parties and launcher were deemed to have worked for 62 hours a week i.e., 14 hours in excess of 48 hours. They were, However, granted by the Regulation consolidated compensatory allowance at 50 per cent of gross wages in lieu of overtime which amounts to payment for 12 hours per week at double the ordinary rate of wages instead of for 14 hours. This apparent anomaly will also be rectified when they will be paid consolidated rate of overtime at 58 per cent of gross wages according to the decision of Issue No. I(a) of Reference No. 17 of 1977.

- 63. I, therefore, conclude that the demand mentioned in the only issue of Reference No. 44 of 1978 is not justified and the workmen are not entitled to any additional relief for work done on weekly day of rest over and above the relief awarded by upward revision of consolidated rates of overtime in Reference No. 17 of 1977.
- 64. In my opinion, having regard to the nature and conditions of service of the workmen concerned in the two references who work in river going vessels or in shore stations/survey parties the grant of compensatory leave for 26 days in the year and more leisure on Saturdays and Sundays when the vessels are in town as well as consolidated rate of overtime at the rate of 73 per cent or 58 per cent of cross wages for estimated overtime work for 17-1/2 hours or 14

hours or 14 hours as the case may be, provide fair and reasonable compensation to them in view of the peculiar feature of their work which make it impossible to compute actual hours of overtime work and keep record thereof under the Minimum Wages Act, 1948 and Minimum Wages (Central Rules), 1950. In taking such view I also take into account the indications explained in the earlier paragraphs that the quantum and duration of work of the aforesaid workmen in 1977-78 were noticeably less than in the earlier period.

65. My Award in Reference No. 17 of 1977 is as follows:

Issue No. I(a):—The demands of the workmen for revision of the consolidated rates of overtime payable to the concerned workmen are partly justified. The consolidated rate of overtime payable to crews of pilot vesels, dredgers, despatch vessels, survey and research vessel and attached launcher should be revised from 67-1/2 per cent to 73 per cent of gross wages. The consolidated rate of overtime payable to crews of light vesels, shore stations/survey parties and other river going launches should be revised from 55 per cent of gross wages to 58 per cent of gross wages. The upward revision shall take effect from the date of demand i.e., 4th March, 1977.

Issue No. I(b).—The demands of the workmen for rivision of consolidated rates of overtime payable to the crews of port based vessels/crafts under the Harbour Master (port) and shore based marine crews working in 12 hours shift as mentioned in this issue are not justifled and they are therefore not entitled to any relief on this count.

Issue No. II.—The demand of the marine crews working in 12 hours shift system for grant of mess allowance for the period of their active duty within the limits of Calcutta Port is not justified and no relief in this respect should be granted to them.

66. My Award in Reference No. 44 of 1978 is as follows. The demand of the workmen for payment for work done on 26 weekly days of rest to the crew concerned as mentioned in this issue in addition to the revised rates of consolidated overtime awarded in Reference No. 17 of 1977 is not justified. They are therefore not entitled to any further relief on this Count.

Calcutta,

Dated: the 30th December 1986.

AMITABHA DUTTA, Presiding Officer [No. L-32011/8/77-D.IV(A)] [No. L-32025/13/77-D.IV(A)]

S.O. 436.—In pursuance of secton 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Chandigarh, as shown in the Annexure in the industrial dispute between the employers in relation to the Management of Punjab National Bank and their workmen, which was received by the Central Government on the 20th January, 1987.

BEFORE SHRI M. K. BANSAL, PRESIDING OFFICER. CENTRAL GOVT., INDUSTRIAL TRBUNAL CUM-LABOUR COURT, CHANDIGARH.

Case No. I.D. 44|86

PARTIES:

Employers in relation to the management of Punjab National Bank Regional Office Ferozepur-Punjab.

Their workman-M, L. Manchanda.

APPEARANCES:

For the Employers.—Shri Malvinder Singh,

For the workman.—Shri V. S. Malhi.

INDUSTRY : Banking

STATE : Punjab.

AWARD

Dated, the 12th January, 1987

The below dispute No. L-12012/87/85/D.IV(A) dated the 12th of June, 1986 between the workman M. L. Manchanda and Punjab National Bank Regional Office Ferozepur was referred to this Court for decision under section 10(1)(d) of the Industrial Disputes Act, 1947:

"Whether the action of the Punjab National Bank, Regional Office, Ferozepur, in transferring Shri in transferring Shri M. L. Manchanda, Special Assistant/Regional Secretary of the Union from Ferozepur Cantt, to Abohar Branch and from Abohar Branch to Branch Office at Moga violating the para 536 of the Shastri Award is jsutified? If not, to what relief is the workman concerned entiled?"

- 2. The workman in his claim alleged that he was working as Tellor at Ferozepur Cantt, and was transferred from that place to Abohar Branch vide order dated 11-9-1984; that he joined at Abohar; that on 2-3-1985 an order was displayed on the notice Board, of the Abohar Branch whereby the workman was transferred from Abohar to Ferozepur City; that on 4-3-1985 the workman received an order transferring him from Abohar to Moga. It was alleged that transfer of the workman from Abohar to Moga violates para 536 of the Shastri Award which was transfer within one year that the Union of the employee took up the matter with the regional office; that under para 536 of Shastri Award the Bank management was required to decide the representation of the Union after recording the valid reasons; that the reasons were to be communicated to the Union as well as to the employe; that nothing was done; that the matter was taken for conciliation proceedings. But the mangement in order to frustrate the same telegraphically transferred the workman. So it was alleged that the transfer of the em-plovee from Abohar to Moga branch is against the provision of Shastri Award and as such is void.
- 3. The case was fixed for filling of written statement by the mangement but on the said date a settlement was filed before me wherein it was agreed as under;

"That Shri M. L. Manchanda Special Assistant will be transferred and relieved for Branch Office Abohar on or before 11st January, 1987."

4. In view of the above settlement between the parties in terms of the settlement I return my award in favour of the workman and against the management.

S.O. 437.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal No. 2, Dhanbad as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Simlabahal Colliery of M/s. Bharat Coking Coal Ltd. and their workman, which was reecived by the Central Government on the 14th January, 1987.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL. TRIBUNAL (NO. 2) AT DHANBAD

Reference No. 119 of 1986

In the matter of industrial dispute under Section 10(1)(d) of the I.D. Act, 1947

PARTIES:

Employers in relation to the management of Simlabahal Colliery of M/s. Bharat Coking Coal Limited and their workmen.

APPEARANCES:

On behalf of the workmen-Shri Anand Mohan Prasad President, Coalfield Labour Union.

On behalf of the employers-Shri B, Joshi, Advocate. STATE: Bihar. INDUSTRY: Coal.

Dhanbad, the 7th January, 1987

AWARD

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(292) / 85-D.III(A), dated, the 27th February, 1986.

SCHEDULE

"Whether the demand of Coalfield Labour Union that the management of Simlabahal Colliery of M/s. Bharat Coking Coal Limited should pay subsistence allowance to their workman, Shri Kedarnath Kahar, Attendance Clerk, for the period of his suspension from serving from 20th December, 1982, is justified? If not to what relief is the workman concerned entitled?"

The case of the workmen is that the concerned workman Shri Kedar Nath Kahar was working as an Attendance Clerk in Simlabahal Colliery of M/s. B.C.C. Ltd. He was alleged to have committed theft on 12th December, 1982 involving Rs. 2,03,573. The Police had searched the house of the concerned workman after receipt of FIR relating to the theft from the Colliery. The Police recovered Rs. 80,658 out of the stolen amount from the possession of the concerned workman in course of search of his house. He was arrested and taken in Jail custody. He was issued with a chargesheet dated 20th December, 1982 for commission of misconduct of theft and was kept under suspension pending enquiry. The concerned workman was suspended with effect from 20th December, 1982 but he was not given subsistence allowance which was against the condition of service of the concerned workman. The management had not made any direction in the suspension order that he must be present in the office everyday but even then he was attending the colliery. It is submitted on behalf of the workman that he does not claim subsistence allowance for the period he was in jail custody but was claiming the subsistence allowance after he was released from the Jail custody,

The case of the management is that the concerned workman was chargesheeted for theft of cash from the colliery and that he was taken in custody. He was released on bail from 4th April, 1984. As he was in Jail custody he was not in a position to attend to his duties and this period was treated as absence from duty and not suspension from duty. The concerned workman was issued with a charge-sheet dated 20th December, 1982 for commission of misconduct and was kept under suspension pending enquiry with the stipulation that the suspension would commence after release from the jail custody. The concerned workman under suspension had to regularly report his attendance in the collery for the purpose of payment of subsistence allowance. The concerned workman was incapable of performing his duties during the period he remained inside the jail. After his release from Jail custody in 1984 he did not turn up in the colliery and went to his native place and as such the enquiry pending against him could not be completed in time. It is submitted that the concerned workman is not entitled to any subsistence allowance.

The only point for determination in this reference is whether the concerned workman is entitled to subsistence allowance for the period of his suspension from service from 20th December, 1982.

None of the parties adduced any oral evidence. The documents filed on behalf of the management have been marked Fxt. M-1 to M-4. The workman did not file any document.

As a matter of principle an employee cannot be deprived of his wages by being placed under suspension except any terms of specific contract of service or employers standing orders regulating employees conditions of service. In the absence of any contract of service or standing orders empowering the management to withhold wages of its workmen during the period of his suspension the workmen must be held entitled to full wages for that period irrespective of the fact that the suspension might culminate in the dismissal as a result of dismissal in a departmental proceeding. It cannot be contended that the employer has got inherent right to withhold wages of a workman by suspending him. A workman suspended pending domestic enquiry against him is yet to be dismissed and unless he is dismissed there is the relationship of employer and employee between them and the said relationship continues till the date of dismissal. That being the position a workman cannot be deprived of his subsistence allowance/wages during the period of his suspension. Suspension of a workman on the ground of his misconduct does not automatically terminate his right to the wages. Ext. M-3 is the certified standing order by which the workmen of Simlabahal colliery are governed Clause 29 provides that an employee may be suspended, fined or dismissed without notice or any compensation in lieu of notice if he is found to be guilty of misconduct provided that suspension without pay whether as a punishment or pending enquiry was not exceeding 10 days. It is clear therefore that the concerned workman who was chargesheeted for misconduct could be suspended no doubt but the said suspension rending the enquiry could not be without pay. Thus the Standing Orders which is a part of the service condition of the concerned workman provides that a workman under suspension pending domestic enquiry is entitled to pay during the suspension period and as such the concerned workman is entitled to suspension pay,

It will appear from the rejoinder to the written of the management filed by the workmen that the demand for suspension pay is being claimed from the period since when the concerned workman was released from fail custody and that no suspension pay was being claimed for the period the concerned workman was in the iail custody From the W.S. of the management also there is no specific case that the concerned workman was not entitled to suspension pay during the period of suspension after his release from the fail custody Fxt. M-1 dated 20th December, 1982 is a chargesheet against the concerned workman which will show that he will be deemed under suspension as soon as he comes out from the iail. It is clear from Fxt. M-1 that the management was treating the concerned workman under suspension-from the period he was released from jail custody and as such the concerned workman is claiming suspension pay from the period he was released from the jail custody and I do not think that the management should have any objection in giving the suspension nav to the concerned workman from the period he was released from iail custody

on 4th April, 1984 till the date of the disposal of the enquiry proceeding pending against him.

In the result, I hold that the demand of the Coalfield Labour Union that the management of Simlabahal Colliery of M/s, B.C.C. Ltd. should pay subsistence allowance to their workman Shri Kedar Nath Kahar, Attendance Clerk from the period of suspension appears to be justified with effect from 4th April 1984 till the date of final disposal of the Enquiry Proceeding pending against him. The management must pay the suspension pay/subsistence allowance to the concerned workman for the above period within one month from the date of publication of the Award.

Award accordingly.

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(143)/85-D.III(A), dated, the 20th January, 1986.

SCHEDULE

"Whether the action of the management of Dobari Colliery of Bastacolla Area No. IX of M/s. Bharat Coking Coal Ltd., P. O. Jharia, Dhanbad in removing Shri Sheo Rajwar, Miner/Loader from the permanent roll of the Company and placing him on the Badli list is justified? If not, to what relief the workman is entitled?"

Both the parties filed their W. S. but the case was being adjourned for several dates as the parties were not ready for

heating of the case. On 12-1-87 Shri B. K. Ghosh, representing the workmen, filed a retition before this Tribunal stating that the concerned workman is not interested in the dispute and, is hoping to settle the matter with the management outside the Court. It is prayed on behalf of the workmen that the reference may therefore be disposed off accordingly and that a 'No dispute' Award be passed.

In view of the fact that the workmen are not interested and request for disposar of the reference, a 'No dispute' Award is passed in this case.

Dated, the 8th January, 1987

AWARD

The Govt, of India, Ministry of Labour and Rehabilitation in exercise of the powers conferred on them under Section

10(1)(d) of the LD. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(267)/82-D. III (A), dated, the 19th January, 1983,

SCHEDULE

"Whether the management of South Govindpur Colliery of Messrs. Bharat Coking Coal Limited, Post Office Sonardin, District Dhanbad was justified in striking off the names of Sarvashri Tribent Singh and Shyam Sunder. If not, to what relief are the workmen concerned entitled and from which date?

The case of the workmen is that the Coal Mining industries were engaging contract labourers in various jobs including the job of wagon loading of coal at the colliery siding prior to nationalisation of Coal Mines. The Coking Coal mines were nationalised with effect from 1-5-72 and the noncoking coal mines were nationalised with effect from 1-5-73. In the South Govindpur Colliery there were contract laboure's along with clerical and supervisory workmen who continued to work even after the nationalisation of the said colliery. Shri Murlidhar Singh had Leen engaged by the management of South Govindpur colliery as Wagon loading contractor under whom more than 80 workmen were employed. The two concerned workmen Shri Tribeni Singh and Shyam Sundar and other workmen used to work under the direct supervision of the colliery management and their attendance were also marked. The two concerned workmen used to per-form all necessary clerical duties including that of marking the attendance of the workmen engaged at the siding for wagon loading. In terms of the contractor labour (Abolition and Regulation) Act Coal loading and unloading became one of the prohibited category and the management of BCCL gradually abolished the contract system in wagon loading and absorbed all the workmen and staff of the contractors as departmental workers of the respective colliertes including South Govindpur colliery. After absorbing the contractors workers the management allowed the clerks and supervisors to work as such under BCCL and in some cases the supervisors were allowed higher scale than the existing BCCL scale for similar employees The in other collieries. two concerned workman ought been to have given clerical Grade-II with consequential benefits in the cadre of the management but instead of allowing them the clerical grade they were asked to work as waron loaders. The said direction of the management was absurd and was an instance of arbitrary and allegal exercise of official powers to ruin the career of the concerned workmen. When the concerned workmen protested, they were asked to wait for sometime to make room for them in the clerical nost. The concerned workmen waited for sometime in good faith but the management defeted their names from the record in March, 1974 without any intimation to them. The management of RCCL was liable to protect the services of the concerned workmen from the date of nationalisation, when the BCCI, had become the owner. The management of BCCL were liable consequences for the illegal termination of the services of the concerned workmen. The concerned workmen should have been employed by the management of South Govindpur Colliery as Clerk Grade-II with effect from the date of the nationalisation of the colliery and they should be deemed to be in the employment with all benefits since then. The concerned workmen were working regularly but the management had kept them under the shadow of illegal and unfair labour practice saying that they were employed through contractor or that they were casual workers, although they were performing the duties of loading clerk which is a permanent clerical job in the coal mines. The management asked the concerned workmen to perform the duties of wagon loaders which job was not being performed by them. The concerned workmen had not left their job themselves but their work was stopped by the management. The entire action of the management is illegal, arbitrary malafide and on act of unfair labour practice and the same cannot be justified. It is submitted on behalf of the workmen that the concerned workmen should be treated as on duty since March, 1984 with full back wages allowances as clerk Grade-II with other consequential benefits as are available to other clerk Grade-II employees in BCCL.

The case of the management is that they were employing casual wagon loaders for loading some wagons on those days when more wagon than the optimum used to be placed in the railway siding. The wagon supply during the years 1973 to 1975 were very erratic so much so that large number of wagons used to be placed on some days whereas on other days no wagon used to be supplied for the loading of toal. Thus in all the collieries of the management casual wagon loaders used to be deployed on such jobs on some days. Shri Tribeni Singh and Shyam Sunder were casual wagon loaders who used to be employed as and when required. The management used to get the attendance of the casual wagon loaders marked in the attendance registers and they were paid their wages and bonus on the prescribed registers. The atoresaid workmen left their employment in April and May, 1974 without informing the management regarding their whereabouts. The management after waiting for about a year or so did not include the name of the concerned workmen in the list of casual wagon loaders. No workmen like to continue as a casual worker and as such the aforesaid workmen left their employment at their own violation perhaps to get some bettter employment on some permanent jobs. The concerned workmen approached the management in the middle of 1982 requesting to provide them job. Shri Tribeni Singh claimed to be a graduate knowing typing. He wanted to be meployed as a clerk. It appears to the management that Tribeni Singh and Shyam Sunder Singh who had worked as causal wagon loaders were not the same as the concerned workmen and that the claim of the concerned workmen was malafide. The casual workers do not have a right to claim for any job and their status is such that they are provided, with jobs whenever available. As the aforesaid workmen had left the work about 8 years ago they cannot now claim employment on the basis that they were casual wagon loaders. The union had raised this dispute alleging that the striking out the name of the concerned workmen amounts to retrenchment and that they should be deemed to continue in employment. The real workers Tribeni Singh and Shyam Sunder who had worked as casual wagon loaders had not put 240 days in a year to claim continuous service or retrenchment compensation under Section 25F of the I.D. Act. They had worked as casual wagon loaders and had not worked as clerks of the contractors. On the above facts it is submitted on behalf of the management that the concerned workmen are not entitled to any relief.

658

The only question to be determined in this case is whether the management was justified in striking off the names of the concerned workmen from its roll.

The workmen have examined one witness and the management have examined two witnesses in support of their respective cases. The workmen have further exhibited some documents which are marked Ext. W-1 to W-4. The management has exhibited some documents which are marked Ext. M-1 to M-7.

It is the admitted case of the parties that Tribeni Singh and Shyam Sunder were in the employment of South Govindpur Colliery of BCCL. Ext. W-2 dated 17-4-75 is an order filed by the workmen to show that the Manager of South Govindpur Colliery directed to strike off the name, of Shri Shyam Sunder and Shri Tribeni Singh, casual wagon loaders besides other from the roll on the ground that they were absenting since long without any intimation to the management. Thus this paper filed on behalf of the workmen show that Tribeni Singh and Shyam Sunder were working as casual wagon loaders and that their names were struck off as they were absenting since long without intimation. Ext. M-1 dated 17-6-82 is the complaint by Shri G.D. Pandey, Secretary of the RCMS union had raising an industrial dispute in respect of the concerned workmen before the ALC(C), Dhanbad. It will appear from this Ext., M-1 itself that claim was being made on the ground that Shri Tribeni Singh and Shyam Sunder had been working as wagon loaders in South Govindpur Colliery since prior to take over. There was no claim in Ext. M-1 which is the earliest document to show the basis of which the concerned persons were claiming to be employed by the management as clerks there is no reason to suppose as to why there would have been no mention of the facts that the concerned workmen were working as Clerk Grade-II and claiming their employment in the post of Clerk Grade-II. It is clear therefore from Ext. M-1 that none of the concerned

workmen were working as clerk Grade-II as is now being claimed and developed in the W.S. Had it been true the said claim must have been included in Ext. M-1 when the addusthat dispute was raised by the union on moir benalt. WW1/1 Suri Snyam Sunder is one of the concerned worknien. He has stated in his cross-examination that he has no appointment letter to snow that he was appointed as a clerk by the contractor. He has further stated that he had worked as wagon loader in BCCL and that BCCL stopped their work. He has also stated that BCCL took all the workmen of contractors as casual wagon loaders. It is clear therefore from the statement of one of the concerned workman himself that the workmen had worked as wagon loaders and had not worked as clerk- Grade-II. The management has filed Bonus Registers Ext. M-2 and M-2 which contains the relevant entries inrespect of Shri Shyam Sunder and Tribeni Singh and are marked Ext. M-4 to M-7 in it. The payment of bonus of Shri Shyam Sunder and Tirbeni Singh along with their attendance is shown in the casual wagon loaders Bonus Registers of South Govindpur Colliery. Thus the said documents from which the payment was made also shows that Tribeni Singh and Shyam Sunder were working as casual wagon loaders, and were being paid as such. There is absolutely no paper to show that the concerned workmen had worked as Clerk Grade-II. Considering the above evidence I hold that the concerned workmen had not worked in Clercial Grade-II in the capacity of loading clerk. However there is ample evidence to show that Tribeni Singh and Shyam Sunder were working as casual wagon loaders in South Govindpur Colliery and I hold accordingly.

It will apear from Ext. W-2 dated 17-4-75 that the names of Shri Shyam Sunder and Shri Tribeni Singh were struck off from the roll of the casual wagon loaders as they had absented since long without any intimation to the management. I have already given my finding that Iribeni Singh and Shyam Sunder were working as casual wagon loaders and Ext. W-2 shows that their names were struck off from the roll of the casual wagon loaders with effect from 17-4-75 as they had absented since long period without any intimation to the management. Earlier vide Ext. M-1 a dispute was raised on the basis of the provision of Section 25 F of the I.D. Act and it was claimed that the concerned workmen were retrenched arbitrarily. In order to establish the case of retrenchment it has to be shown that the concerned workmen worked for 240 days in a year on the surface or 190 days in the underground. The concerned workmen in Ext. M-1 were claiming to be working as wagon loaders which is a job on the surface and as such they have to show that they had the attendance of 240 days in a year prior to their stoppage of work, WW-1 has not stated that the concerned workmen had attendance of 240 days or more in a year prior to the stoppage of their work. The workmen have not examined any witness to show that the concerned workmen had attendance of 240 days in a year, I hold therefore that the provision of Section 25F of the I.D. Act are not available to the concerned workmen.

From the evidence discussed it will appear that Shri Shyam Sunder and Shri Tribeni Singh had worked as casual wagon loaders and that their names were struck off from the roll of the casual wagon loaders because of their long absence without permission, I have already stated above that the concerned workmen have not adduced any evidence to show that they had got attendance of more than 240 days in a year. Admittedly the nature of job of casual wagon loader is such that they do not get regular employment and as such it was imperative on the part of the concerned workmen to establish that they had attendance of more than 240 days in a year so as to claim regularisation or retrenchment compensation. As Shri Shyam Sunder and Shri Tribeni Singh were not regular workmen and were only casual wagon loaders and had absented for long period, the management, I think was justified in not including their names on the roll of the management as casual wagon loader registers.

WW-1 has stated that he along with other concerned workmen was working in South Govindpur Colliery since about 4 to 5 years prior to the nationalisation of the Coal Mines and that they had continued working till they were stopped from work. Ext. W-3 is the College leaving certificate of Shyam Sunder Bhatia. The said certificate has been filed by

the concerned workman Shyam Sunder claiming that he is Snyam Sunder Bnatia and had passed B.A. examination of 19/8 from Ranchi University, Ext. W-4 is the degree of Bachelors of Att issued in the name or Tribeni Singh and it is claimed that this degree is of the concerned workman tribeni Singh who passed B.A. in the examination of 19/3. It is doubtful that the two concerned workman who have produced the college leaving certificate and the degree that they could work as casual wagon loader during the period of their claim during the part of which they were reading in the college and preparing for their examination. In my opinion the said certificates also creat great doubt whether the concerned workmen had worked as casual wagon loader and that they were actually friben Singh and Shyam Sunder who had in fact worked as casual wagon loaders and whose names were struck off. In any view of the matter it appears that the claim of the concerned workmen have not been

In the result, I hold that the management of South Govindpur Colliery of Messrs. Bharat Coking Coal Limiter, Post Office Sonardih, District Dhanbad was justified in striking off the names of Sarvashri Tribeni Singh and Shyam Sunder and consequently they are entitled to no relief.

This is my Award.

New Delhi, the 5th February, 1987

S.O. 441.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, No. 2, Dhanbad, as shown in the Annexure, in the industrial dispute between the employers in relation to the management of D.V.C. Bermo Colliery, P. O. Bermo and their workmen which was received by the Central Government on the 21st January, 1987.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, (NO. 2) AT DHANBAD

Reference No. 16 of 1986

In the matter of Industrial disputes under Section 10(1)(d) of the I.D. Act., 1947.

PARTIES:

Employers in relation to the management of DVC Bermo Colliery, P. O. Bermo, Dist. Giridih and their workmen.

APPEARANCES

On behalf of the workman.-Shri B. Joshi, Advocate.

On behalf of the employers.—Shri R. S. Murthy, Advocate.

STATE : Bihar.

INDUSTRY: Coal.

Dated, Dhanbad, the 13th January, 1987

AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-24012 (65)[85-D. IV(B), dated, the 20th December, 1985]1st January. 1986.

SCHEDULE

"Whether the action of the Management of D. V. C. Bermo Colliery, P. O. Berom, Dist. Giridih in

taking work of Shotfirer from Senior Mining Sirdar and not paying them proper wages is legal and justified ? It not, to what reflef are the concerned workmen entitled?"

The case of the management is that the D.V.C. Bermo Colliery is a captive mine of Damodar Valley Corporation. The coal produced from the said mine are sent to Bokaro Thermal Power Station of D.V.C. The said D.V.C. Bermo colliery has a Bermo seam which is gassy seam of second degree. It is being mined by the management since 1975, under special permission of the D.G.M.S. through solid blasting method. In the solid blasting method holes are drilled in the coal seam by the drillers under the directions of Shot firer according to approved pattern of holes. Therefore explosives are inserted into those holes and stamming materials are also put in the holes and blasting is done by shot firer possessing the Mining Sirdar certificate, gas testing certificate and first aid certificate. Special precautions have to be taken in the method of solid brasting for the purpose of safety. the DGMS had laid down certain conditions in connection with the solid blasting in the Bermo Scam of D.V.C. Bermo colliery. All the Mining Sirdars of the colliery were imparted the necessary training in soud blasting technique and had necessary certificate as directed by the D.G.M.S. The Mining Sirdars were carrying out the solid blasting in the coffiery of the management since its inception. Although D.V.C. Bermo colliery is not represented on the JBCCI and was not a signatory to the NCWAS, DVC Bermo colliery adopted some of the provisions of the NCWA's including the wage scales and job description. NCWA-I provided that Mining Sirdars shall be placed in the revised Grade-C and in order to be entitled to such Grade-C there was the provisions. to be entitled to such Grade-C they must have mining sirdar certificate valid gas testing certificate and first aid certificate. The management of DVC Bermo Colliery placed the Mining Sirdars in Grade-C, Overmen in Grade-B and Senior Overmen in Grade-A and also extended to them subsequently the revised scales, of pay and allowances under NCWA-II and III after it has come into force. The solid blasting in Degree 2 and 3 gassy seam is done by Mining Sirdars possessing the above mentioned certificate and have been placed in Grade-C throughout the coal industry. During the initial period the management keeping in view the necessity and importance of safety precautions for blasting of solid method deputed the Mining Sirdars with long experience as Shot firer. Majority of the Mining Sirdars of D.V.C. Bermo colliery represented before the management to introduce the system of rotating them between the work of Shot firer and Mining Sirdar periodically and the same was accepted by the management.

The Mining Sirdars and shot firer are represented by the separate trade unions, namely, INMOSSA and the Mining Staff Association. The present dispute has been raised by the INMOSSA which has a very little following in the Bermo Colliery. When a Mining Sirdar is deputed to do the work of Short Firer he discharges the duties of Short Firer as laid down in the Coal Mines Regulations and the circulars of the D.G.M.S. Similarly when the Mining Sirdars are deputed on the job of Mining Sirdar they perform the duties as faid down for them in the Coal Mines Regulations and the circulars of D.G.M.S. The management has Overman on duty in each district and each shift besides Senior Overman at the rate of one in each shift for the entire mine which has two districts. Besides that there are qualified mining engineers posted in the mine for supervision, direction and control over the work of the shot firer and Mining Sirdar and all other categories of workers. claim of INMOSSA is that only junior Mining Sirdars should be deputed for the work of blasting and that the Senior Mining Sirdars should be posted on the job of the Mining Sirdars only although a majority of the Mining Sirdars are in favour of the rotation system as already in existence. The said system of rotation is fair, reasonable and just and it does not require any modification. In the existing practice in the coal industry and the wage structure fixed for the Mining Sirdar by the JBCCI under NCWAs, there is no question that a Mining Sirdar deputed for discharging the duties of Shot Firer is not paid their proper wages. They are all being paid their wages according to the wage structure fixed for the Mining Sirdar and as such the reference order itself is misconceived. The Mining Sirdars deputed for shot firing work and the Mining Sirdar discharging the

duties of Mining Sirdar both work under the control, supervision and direction of Overman, Sr. Overman and other higher official. There is no question that a Mining Sirdar working as a Shot Firer has to work under the control, supervision and direction of the Mining Sirdar who is junior to the Mining Sirdar working as a Shot Firer.

Some of Mining Sirdar refused to perform the job of Shot Firing after marking the attendance for sometime although they were obliged to perform such job. They themselves indulged in a strike which was illegal since coal industry is a public utility service under the LD. Act and those Mining Sirdars directed to work as Shot Firer cannot claim any wages for the period during which they did not perform the job of shot firer entrusted to them. They had made themselves liable for disciplinary action but as the Mining Sirdars subsequently realised their fault and mistake and started doing the job of shot firing the management took a lenient view and did not take any disciplinary action against them. In the above view of the matter the Mining Sirdars deputed to work as Shot Firer were not entitled to claim any wages for the period for which they did not work.

The sponsoring union did not at any time raise the question of the wages being payable to the Mining Sirdars entrusted with the duties of shot firing and as such the matter referred for adjudication to the Tribunal is entirely different from the demand made by the sponsoring union before the ALC(C); Hazaribagh. The issue referred for adjudication doe, not constitute any industrial dispute within the meaning of Section 2(k) of the I.D. Act and it does not fall under Second schedule or 3rd schedule of the I.D. Act.

The case of the workmen is that the Shot Firers hold subordinate status to the Mining Sirdars as per provision of Coal Mines Regulations, 1957. The deployment of Sr. Mining Sirdars as shot firers and deployment of junior Mining Sirdars as Incharge of Mining district amounts to reduction of status of the Senior Mining Sirdars and humilitation to them as they have to work under control, supervision and direction of their iuniors. The INMOSSA which is the union of Overman Mining Sirdars and Shot Firer raised this issue before the management as well as before the ALC(C) and the management assured that junior Mining Sirdars could be deployed as Shot Firer instead of Senior Mining Sirdars. If any person possessing Manager's or Overman certificate is appointed as Shot Firer, he has to work under the control and supervision of Mining Sirdar. In the present case all the workmen are Mining Sirdars who are equally competent to carry on shot firing jobs. It is therefore re-usonable that Sr. Mining Sirdars should be made incharge of the Mining District and junior Mining Sirdars as shot firers to carry on shot firing job under the control, supervision and direction of the Senior Mining Sirdar Incharge of the district. The management deducted the wages of Sr. Mining Sirdards indiscriminately by marking them absent although they remained present on duty throughout the shift in order to penalise them to accept to work as short firers. They are therefore entitled to refund of the amount of such illegal and arbitrarily deducted amount. The system of rotation propounded by the management is concected story. The rotation has to be done amongst the shot firers and Mining Sirders separately categorywise. The union demands division of Mining Sirdars in two groups according to the seniority so that the Mining Sirdars holding the charge of a district are senior to the Mining Sirdars engaged in Shot firing under the control and supervision of the Mining Sirdar incharge of the District. The rotation should be amongst the Mining Sirders in each group. It is not correct to say that the system of rotation is in existence and that the same has been accepted by the Mining Sirdars. It is prayed on behalf of the workmen that the management should directed to engage junior Mining Sirdar as Shot firer in preference to Senior Mining Sirdar, and pay back the wages and benefit deducted from Senior Mining Sirdars.

The question which has been referred for adjudication in the schedule to the order of reference is whether the action of the management of D. V. C. Bermo Colliery in taking work of Shot Firer from Senior Mining Sirdar and not

paying them proper wages is legal and justified. From the pleadings of the parties it will appear that there is no grievance of the union that the Mining Sirdars deputed to work as Shot Firer are not paid their proper wages. In fact no such dispute has been raised before this Tribunal and it is admitted fact that the Mining Sirdars deputed to work as Shot Firers are getting their proper wages in accordance with the pay scale provided in the NCWAs.

However, it will appear from the case of the parties before this Tribunal that the grievance of the workmen is that there should be two groups of the Mining Sirdars one group consisting of the junior Mining Sirdars who should be deputed to work as Shot Firer and that 'there should be another group of Sr. Mining Sirdars who should be deputed to work as Mining Sirdar incharge of a district. The other demand of the workmen is that those Mining Sirdars who refused to work as Shot Firer and their wages for those days were deducted should be paid back their wages.

Both these demands appear to be different from the dispute referred to this Tribunal for adjudication. However the point for decision is whether the management should be directed to depute Junior Mining Sirdars as Shot Firers and that the Sr. Mining Sirdars should be deputed to work as Mining Sirdars Incharge of the district.

The management and the workmen each examined one witness in support of their respective case. The management produced three documents which have been marked Ext. M-I to M-3. The workmen did not produce any document.

Regulation 2(7) of the Coal Mines Regulations, 1957 defines 'competent person'. Competent person in relation to any work means a person who has attained the age of 21 years and who has been duly appointed in writing by the Manager as a person competent to supervise or perform that work and who is responsible for the duties assigned to him and it includes a Shot Firer. Thus a shot firer is consistent person within Coal Mines Pagalation. a competent person within Coal Mines Regulation. Regulation 2(20) defines 'official' which means a person appointed in writing by the owner, Agent or Manager to perform the duties of supervision in a mine or part thereof and includes an Under Manager or Asstt. Manager, Overman, Sirdar, Engineer and surveyor. Thus it will appear that an Overman or Sirdar is an official who performs duty of supervision in a mine whereas a shot firer is a competent person to perform the duties entrusted to him. Regulation 34 provides the appointment and qualification of senior official. It provides that at every mine, one or more overman shall be appointed to hold charge of the different district of the mine on each working shift. It further provides that every person employed as an official subordinate to the Manager and superior to the Sirdar shall hold either a Manager's certificate or an overman's certificate. It will thus appear that according to Regulation 34 an overman is appointed to hold charge of the different district of the mine on each working shift. The duties and responsibilities of Sirdar are stated in Regulation 44 which provides that the Sirdars or other competent person appointed under Regulation 113 shall strictly observe the provision of Regulation 44. The said regulation does not show that the Mining Sirdar will supervise the work of the Shot firer. Regulation 113 provides for the examination by the Sirdars and that also does not show that the shot firer has to work on the order, direction and supervision of Mining Sirdar. Regulation 39 provides the duties of a competent person. It provides that every competent person shall be subject to orders of superior official. Regulation 40 deals with the duties of officials and provides that every official shall carry out the duties assigned to them by the Manager under Manager or Asstt. Manager in accordance with the provisions of the Act and Manager in accordance with the provisions of the Act and of the regulation or orders made thereunder. Regulation 194 provides that no person shall be appointed as competent person under Regulation 34 70, 94, 119 (2), 122 (5), 136 (6), 137 (3), 141 (2), 143 and 145 unless he is the holder of either an Overman's or Manager's certificate. It further provides that no person shall be appointed as competent nerson under Regulation 113, 114, 117 (6), 124, 127 (6), 141 (1), and 142 unless he is the holder either of a (5), 141 (1) and 142 unless he is the holder either of a Mining Sirdar's or Overman's or Manager's certificate. It also provides that in case of a mine, to which regulation

122(2) and 144 apply, every person holding Sirdar's certificate shall also hold a gass testing certificate. In the back ground of the above provisions let us examine the evidence in the case.

Ext. M-3 is the petition dated 29-1-85 congining the names of the 17 Mining Sirdars and signed by 12 of them. It was prayed by the Mining Sirdars in the petition filed before the Coal Sundt. Agent, D. V. C. Bermo colliery that the Mining Sirdars and Shot Fire want to rotate in blasting duty and that all the Mining Sirdars and Shot Firers were agreed for the said agreement of rotation of work. MW-1 Shii B. N. Biswas is working as Coal Supdt Agent, of D.V.C. Bermo colliery. He has stated that the Mining Sirdars made a joint representation to him and he and approved the said petition Ext. M-3. He has stated that the request of the Mining Sirdars made in the petition Ext. M-3 was soccepted and accordingly the chart of their duty was propared. The fact that the job of shot firer and Mining Sirdar were being done by rotation is not disputed, WW-1 has stated in his cross-examination at page-5 that they also want that the work of blasting by the Mining Sirdars should be done by rotation but it has to be done according to the seniority as was prevalent prior to 1981. Thus the union does not object to the rotation of the work but they object that it should be done according to the seniority. It will appear from the evidence of WW-1 that the main objection regarding the prevailing rotation is that under the system of rotation sometimes the junior Mining Sirdars become the Mining Sirdar incharge of the district and that the Shot Fiver being senior Mining Sirdar have to work under the control of the junior mining strdars incharge of the district. The e-idence has been laid by WW-1 to show that the Mining Strdar is incharge of the Mining district but according to the management the Mining Strdar is not the incharge of the district but the Overman who is admittedly of a superior rank to that of a Mining Sirdar is the incharge of the Mining district. WW-1 had also to accept the said position and has stated in his evidence at page -3 of the deposition that the Overmin is incharge of the shift and the Mining Sirdar and the Shet Firers work under the Overman. He has stated that one overman is on duty in each shift in each district. This evidence is in accordance with the regulation 34 and it appears that the management's stand is correct on the point that the Mining Sirdar is not the incharge of the district but it is the overman who is incharge of the Mining district in each shift and that both the Mining Sirdar and shot fiver work under the direction, control and supervision of the Overman. Thus the grievance of the workmen that the Senior Mining Sirdars while working as Shot Firer have to work under a junior Mining Sirdar incharge of a district does not at all appear to be correct. It is clear from the evidence that an Overman is in charge of the Mining district under whom both the Mining Sirdar and the Shot Firer work. Thus there is no question of humiliation or that a Senior Mining Sirdar has to work under junior Minior Sirdar Incharge of a district.

It appears from the evidence of MW-1 that the system of rotation is working quite satisfactorily. It will appear from the evidence of WW-1 that there are only two or three mining sirdars in Bermo Colliery who do not like the rotation system. As majority of the Mining Sirdars have agreed to the system of rotation and only small minority of the workmen are not agreeing to it. I hold that it will not be proper to change the system which is already working satisfactorily. The change in the system may; rather, unsettle the settled matter.

It will appear from the evidence of MW-1 and WW-1 that three Mining Sirdars namely Kamta Singh, Aurobinda Mukherjee and U. N. Iha had refused to work when they were deputed to work as Shot Firers and as they did not work as shot firer they were marked absent and their wages were deducted for the days on which they did not work as shot fires. The evidence of WW-1 does not show that those persons had worked as shot firers when they were directed to work as Shot Firers by the management. It is clear therefore that those persons had not worked as Shot Firers on some days when they were deputed to do the said job and as such the management was quite justified in deducting their wages for those days. The other 14 Mining Sir-

wire have no objection to the system of rotation and I do not think it proper to change the system of rotation accepted by the majority on the whim of a few individuals who have not even been able to establish that they are very senior Mining Sirdars. In the above view of the matter the demand for payment of wages for those days also does not appear to be justified.

In view of the discussions and findings made above I hold that the action of the management of D.V.C. Bermo Colliery in not paying the workmen the wages for the period they had refused to work as Shot Firers was quite justified and I further hold that the demand of the union for deputing only junior Mining Sirdars as Shot Firers is not justified. Accordingly the concerned workmen can get no relief. This is my Award.

S.O. 442.—In pursuance of section 17 of the Industrial Disputes Act. 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal Jabalpur, as shown in the Amerxure; in the industrial dispute between the employers relation to the management of Western Coalfields Limited, Shivpuri Mine, P.O. Parasia, Distt, Chhindwara (M.P.) and their workmen, which was received by the Central Government on the 21-1-1987.

ANNEXURE

BEFORE SHRI V. S. YADAV, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M/P.)

Case No CGIT/LC(R) (28) of 1986

PARTIES:

Employers in relation to the management of Western Coalfields Limited, Shivouri Mine. P.O. Parasia, District Chhindwara (M.P.) and their workman Shri Anwar, Excavation Operator, represented through the M.P.K.K.M.S (HMS), P.O. Jimnardeo, District Chhindwara (M.P.)

APPEARANCES :

For Union-Shri G. N. Shah.

For Management-Shri P. S. Nair, Advocate.

INDUSTRITY: Coal Mining DISTRICT: Chhindwara (M.P.)

AWARD

Dated, January 15, 1987

The following dispute was referred by the Central Government under Section 10(1)(d)(2A) of the Industrial Disputes Act, 1947 for adjudication, vide Notification No. L-22012(24)/85-V dated 10th February, 1986:—

"Whether the action of the management of Shivpuri Open Cast Mine in dismissing Shri Anwar Excavation Operator with effect from 8-6-1984 is justified? If not to what relief the workman is entitled?"

2. On receipt of the above reference parties filed statements of claim, rejoinders and documents and the case was

ripe for recording oral evidence. But it could not be done since parties mutually settled the dispute and filed a Memorandum of Settlement duly signed by Shri G. N. Shah and Shri Fiaz Ahmad on behalf of the workman/union and S/Shri S. M. Singh and C. L. Jaiswal on behalf of the management.

3. The terms of settlement as mentioned in the Memorandum of Settlement are as under :-

Terms of Settlement

- 1. It is agreed by the Management that Sri Anwar will be re-employed on the wages he was getting prior to his dismissal with the consequential fitment under NCWA-III.
- 2. Since he was dismissed on the basis of proved misconduct the period of non-employment from 8-6-1984 to the date of his joining will be treated as dies-non with the continuity for the purpose of Gratuity and Seniority only, provided he maintains good conduct for the period of one year from the date of resumption of his duties.
- He-will report for duty to the General Manager Wardha Valley Area within a month from the date of signing the settlement.
- 4. The Union agrees to give up all other claim/benefits and accept the above terms as full and final settlement and shall not claim any other benefit in respect of the matter in dispute.
- This settlement shall not be treated as a precedent in any other case.

Parties have prayed for an award in terms of the aforementioned settlement.

4. I have gone through the terms of the settlement and am satisfied with those terms which are just fair and in the interest of the workman and the Union. I, therefore, record my award in terms of the above settlement without any order as to costs.

\$.O. 443.—In pursuance of section 17 of the Industrial DisputesAct, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Jabalpur, as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Western Coalfields Ltd., Eklehra Colliery, P.O. Eklehra, Distt. Chhindwara (M.P.) and their workmen, which was received by the Central Government on the 21st January, 1987.

ANNEXURE

BEFORE SHRI V. S. YADAV, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M.P.)

Case No. CGIT/LC(R)(34)/1984

PARTIES:

Employers in relation to the management of Western Coalfields Limited, Pench Area, P.O. Eklahra Distt. Chhindwara (M.P.) and their workman Shri Dayaram represented through the H.P.K.K.M. Panchayat (HMS), P.O. Junnardeo, District Chhindwara (M.P.)

APPEARANCES:

For Union—Shri G. N. Shah.

For Management—Shri P. S. Nair, Advocate.

INDUSTRY: Coal Mining DISTI

DISTRICT: Chhindwara. (M.P.)

AWARD

Dated, January 13, 1987

The Central Government in exercise of the powers conferred by Clause (d) of Sub-section (1) of Section 10(1)(d) of the Industrial Disputes Act, 1947 (14 of 1947), referred the following dispute for adjudication vide Notification No. L-22012(162)/83-D.III(B)/D.V. dated 26th May, 1984:—

- "Wehther the action of the management of WCL, Pench Area in terminating services of Shri Dayaram son of Shri Kampoo, Underground Trammer with effect from 5-3-79 is justified? If not, to what relief the workman is entitled?"
- 2. Parties contested the case and a preliminary order was passed on 25-2-1986 allowing the management to prove misconduct and the case was fixed for evidence of parties on merits. Parties examined one witness each and closed the case for arguments. On 25-9-1986 parties requested for adjournment on the ground that they are negotiating the matter for a mutual compromise. Therefore adjournment was granted and parties ultimately filed a compromise petition (Memorandum of Settlement) with a prayer to give an award in terms of the aforesaid settlement. The terms of settlement as mentioned in the Memorandum of Settlement are as under:—
 - It is agreed between the parties that the dispute pending before the Tribunal shall deem to be withdrawn by the union.
 - In view of the above, the union agrees to give up all other claims benefits and accept the above terms as full and final settlement.
 - This settlement shall not be treated as a precedent in any other case.

In the recital of the case in para 2 it is stated "The representative of the management pointed out that since the workman abandoned the job in March 1979 the union should agree to withdraw the case". It appears that the Union agreed to the above facts of abandonment of job by workman and therefore came to the above terms of settlement. In view of the above, I have no alternative but to record my award that the action of the management of WCL, Pench Area in terminating service of Shri Dayaram son of Shri Kampoo, Underground Trammer w.c.f. 5-3-79 is justified and the workman is not entitled to any relief. No order as to costs.

V. S. YADAV, Presiding Officer [No. L-22012/162/83-D.III (B)]

BEFORE SHRI V. S. YADAV, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M.P.)

Case No. CGIT|LC(R)(17)|1985

PARTIES:

Employers in relation to the management of Western Coalfields Limited, Pench Area Rawanwara Khas Colliery, P.O. Dighawani, District Chhindwara (M.P.) and their workman, Shri K. S. Baose, Sfore Keeper, represented through the Bhartiya Koyla Khadan Mazdoor Sangh (BMS), P.O. Chandametta, Distt. Chhindwara (M.P.)

APPEARANCES:

For Union—S/Shri S. S. Shakarwar, Advocate and R. S. Rathore.

For Management-Shri P. S. Nair, Advocate.

INDUSTRY: Coal Mining

DISTRICT : Chhindwara (M.P.)

AWARD

Dated, January 12, 1987

In exercise of its powers under Section 10(1)(d) (2A) of the Industrial Disputes Act 1947 the Central Government referred the following dispute for adjudication vide Notification No. L-22012(27)/84-D.V. dated 15th March, 1985:—

- "Whether the action of the management of Western Coalfields Limited, Pench Area in relation to their Rawanwara Khas Colliery in terminating the services of Shri K. S. Baose Store Keeper with effect from 1-4-1981 is justified? If not to what relief the workman is entitled?"
- 2. The B.K.K.M. Sangh (BMS) raised an industrial dispute before the Asstt. Labour Commissioner (Central) Chhindwara over alleged illegal dismissal of Shri K. S. Baose, Store Keeper demanding reinstatement with full back wages. The dispute was seized in conciliation but ended in failure. Therefore the Central Government referred the above matter of dispute for adjudication.
- 3. Both Union and the Management contested the disputupto the stage of arguments but ultimately came to amicable terms and filed a Memorandum of Settlement before an award on merit could be passed. The terms of Settlement duly signed by Shri S. P. Singh. Union Representative and the workman concerned Shri K. S. Baose and S/Shri S. M. Singh and C. L. Jaiswal on behalf of the management are as under:—

Terms of Reference

- 1. It is agreed by both the parties that the resignation tendered by Sri K. S. Baose shall be deemed to have been accepted by the management w.e.f. 6-9-86. The period of unemployment shall be treated as 'Dies-non' i.e. No work no pay. However the continuity of service shall be treated for the purpose of Gratulty only.
- 2. The Union Agrees to give up all other claim/benefits and accept the above terms as full and final settlement and shall not claim any other benefit in respect of the matter in dispute.
- 4. This settlement shall not be treated as a precedence in any other case. Parties have further prayed for passing an award in terms of the above settlement.
- 4. I have gone through the terms of the settlement and am of the opinion that terms exceed to are fair and just. I, therefore, record my award in terms of the settlement and make no order as to costs.

S.O. 445.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Hyderabad as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Singareni Collieries Co. Ltd., and their workmen, which was received by the Central Government on the 20th January, 1987.

ANNEXURE

BEFORE THE INDUSTRIAL TRIBUNAL (CENTRAL) AT HYDERABAD

Industrial Dispute No. 94 of 1984

BETWEEN

The Workmen of Singareni Collieries Company Limited Mandamarri and Ramakrishnapur, Adilabad District, A.P.

AND

The Management of Singareni Collieries Company Limited, Mandamarri and Ramakrishnapur, Adilabad District A.P.

APPEARANCES:

Sarvasri V. Jagannadha Rao, V. Venkata Ramana, V. Srinivasa and Y. Ramalinga Reddy, Advocates—for the workmen.

Sri K. Srinivasa Murthy and Miss G. Sudha, Advocates.... for the Management.

AWARD

The Government of India, Ministry of Labour by its Order No. 1.-22012/38/84-D.III (B) dated 23-11-1984 referred the following dispute under Sections 10(1)(d) and (2A) of the Industrial Disputes Act, 1947 between the employers in relation to the Management of Singareni Collieries Company Limited, MM and RKP and their workmen to this fribunal for adjudication:—

"Whether the action of the management of Singareni Collieries Company Limited, in relation to their Ramakrishnapur 5 Incline of Ramakrishnapur II in dismissing from service Srl Gerla Ramachander, Trammer with effect from 27-8-83 is justified? If not, to what relief is the workman concerned entitled?"

The reference was registered as I. D. No. 94 of 1984 and notices were issued to the parties.

2. In the claims statement filed by the Workmen it is mentioned that the action of the management in dismissing Sri Gorla Ramachander, Trammer is vitiated and the order of dismissal is illegal and liable to be set aside.

It is contended that the enquiry is but an emply formality the findings of the enquiry officer are not based on the material on record. It is further mentioned that the punishment is severe and dispreportionate to the misconduct said to have been proved. It is also alleged that the dismissal is a measure of victimisation as the workman was active taking part in the Union activities. So it is prayed that the Respondent Management be directed to reinstate the workman and pay full back wares with other attendant benefit by passing an award accordingly.

3. It is confended by the Management stating that the charge sheef was served properly and serious allegations he

beat one P. Rayalingu, Head Overman and also beat Chandragiri Rayamallu and that enquiry was conducted after giving full opportunity to the workman and therefore there is no victimisation and the order of dismissal is passed accordingly to law and reference should be answered in favour of the Management.

- 4. At the outset it is interasting to note that the reference was made to this Tribunal on 1-12-1984 and numbered as I. D. No. 94/84 and on 31-12-1983 both counsels for the Management as well as the workmen appeared and filed their vakalats. Workmen counsel filed a claims statement though the workman and his counsel Sri V. Jagannadha Rao were given adjourned on 23-1-1985, 6-2-1985, 25-2-1985, 14-3-1985, 28-3-1985, 8-4-1985 and 25-4-1985 as there was no claims statement filed and as there was also no representation the reference was terminated on 28-5-1985 vide orders which is part of the record. Thereafterwards the Workers counsel file M.P. No. 182/85 on 30-7-1985 and the case is restored to file and the Workmen Counsel filed a claims statement which is new mentioned. The counter was filed by the Management on 24-12-1985 and the Management wanted findings to be given on the preliminary issue, whether the domestic enquiry is held fair or not. On that the Workmen examined WW-1 and Management examined MW-1 and the Management marked documents Ex. M-1 while the Workmen marked two documents as Exs. W-1 and W-2. After hearing both sides this Tribunal passed the order dated 50-6-1986 holding that the domestic enquiry is held properly after giving reasonable and fair opportunity to the workmen and thereupon there is no substance of the objection raised by the Workmen. It is part of record. Thus the matter is posted for deciding the quantum of sentence and legality of the sentence on merits.
- 5. From the time onwards many adjournments were given to both sides. It is adjourned from 7-11-1986, 19-8-1986, 23-8-1986 and 3-9-1986 and on 3-9-1986 the Management filed a Memo surprisingly stating that Sri K. Srinivasa Murthy and Miss G. Sudha are not prepared to appear and the case should be deferred as they are taking steps for moving the case for transfer to other Tribunal. In the light of the Order passed in M.P. No. 278/86 in I. D. No. 41 of 1985, this M.P. was finally rejected observing that all or any of the matters pending before this Tribunal in which Miss G. Sudha in the respective Sci. K. Srinivasa. Musthy, as Management is representing Sri K. Srinivasa Murthy as Management counsel or where both of them appear together for Management cannot be stayed on such frivolous petition. Hence petition is rejected, and then both parties called absent as there was no representation. Notice was issued to the General Manager, Singareni Collieries Company Limited and also to the General Secretary of Singareni Collieries Trammers and Munshis Association as per reference and on 19-11-1986 Sri V. Venkatramana Counsel for the workmen present and wanted time for arguments and though waited till 20-11-1986 as requested by him he did not turn up and the matter was adjourned to 21-11-1986 and to give one more chance to the workmen as Management counsel who was absent. Notices were issued and even then there was no representation. Hence the arguments were treated as closed on 24-11-1986 in the available circumstances as it is an old case and the workmen as well as the counsel on whom the duty is east upon to show how the order of dismissal is perverse on merits and also to show the illegality of the sentence even after notice failed to appear and argue the matter. The Management no debut filed a polition for deferring the matter on flimsy grounds and the same was rejected on 5-11-1986 and then notice was given to both parties to be ready for arguments. Thus after 5-11-1986 the matter was adjourned to 19-11-86, 20-11-86. 21-11-86 and finally on 24-11-1986 it is reserved for award.
- 6. The charge is that Gorla Ramachander, Trammer of R.K. 5 Incline abused the Head Overman as well as Chardragiri Rayamallu on 2-5-1983 at about 3,30 p.m. in filthy language and beat him. Further he also heat Chandragiri Rayamallu, Shot Firer at about 3.45 P.M. on the same day and these acts amounts to serious misconduct, under Company Standing Order 16(5). Now there is evidence of MW-1 and Ex. M-1 is the entire enquiry file. The evidence of MW-1 who is working as Personnel Officer would show that there was nothing like victimisation on the ground that the workman happened to be Secretary of the Trammers and Munshis Association in conducting the precedings and the

record would further show that there was complaint given also to the Police. The very claim statement would show that his services were terminated after conducting the inquiry which he disputed as not fair. The domestic enquiry which is held in which both P. Rayalingu, Head Overman as well as Chandragiri Rayamallu, Shot Fier were examined as the victims of the offences of assault. Under Standing Orders 1615 'any finding for tiotuous or disorderly or indecent behaviours' is a misconduct. In this when the evidence showed that the two superiors were beat it cannot be said that it is not a serious misconduct. Therefore there is no illegality of the sentence passed and the sentence of punishment of dismissal in the given-circumstances cannot be contended as abnormal or excessive. Hence it is held that the action of the Management of Singareni Collieries Company Limited in relation to their Ramakrishnapur 5 Incline of Ramakrishnapur II in dismissing from service Shri Gorla Ramachander, Trammer with effect from 27-8-1983 is justifled and he is not entitled for any relief.

Award is passed accordingly.

Dictated to the Stenographer, transcribed by him, corrected by me and given under my hand and the scal of this Tribunal, this the 3rd day of January, 1987.

Appendix of Evidence

Witnesses Examined for the Workmen:

WW-1 Gorla Ramachander

AWARD

The Government of India, Ministry of Labour and Rehabilitation by its Order No. L-22012/28|84-D.III (B) dated 12-7-1984 referred the following dispute under Section 7 and 10(1)(d) of the Industrial Disputes Act, 1947 between the employers in relation to the management of Messrs Singareni Collieries Company Limited, Bellampalli Division-II and their Workmen to this Tribunal for adjudication:

"Whether the management of Singareni Collieries Co. Ltd., Bellampalli are justified in terminating the services of Shri Reginal Baker, Charge hand in Bellampalli Workshop on superannuation, from 1-4-1983? If not to what relief is the workman concerned entitled?"

This reference was registered as Industrial Dispute No. 43 of 1984 and notices were issued to the parties.

- 2. The claims statement filed by the Workmen Sri Reginald Baker stating that he was appointed in the year 194/ and in those days there was no record of service or age assessment. According to him the concerned clerk used to writ the age as per his whims and tancies and the retirement rules came into existence in the year 1960 afterwards prepared their records and if the workman attained the age of 60 years his services were terminated. The Union raised an industrial dispute as a result of which an agreement was reached on 26-2-1965 which is enclosed as Annexure 1. According to him if any worker as per the records attained the age of 00 years before retirement he should we sent to the Medical Board/Medical Officer for age assessment. The agreement was enforced until the decision of the Coal Wage Board but the Coal Wage Board did not preclaim any decision in the year 1967. Therefore it is still in force. According to him another agreement was executed as per annexure 2 on 17-9-1969 the Management agreed to send such kind of workers to the Medical Board for age assessment before retirement as per these two agreements the workers was sent to the Medical Board for age assessment before they retired. In this case it is the case of the worker that these two agreements were following and service were terminated causing great injustice to him. According to him the workers submitted an application on 8-3-1981 copy enclosed as annexure 3 and the Management did not take any action in the matter for nine months and given him termination notice on 22-12-1982 as per annexure 4. The worker submitted another application dated 2-2-1983 but the Management did not take any action in the matter even though school leaving ertificate and Insurance policy certificate were submitted. The Management told him that no action will be taken as per annexure 5. He mentioned that the annexure 5 (copies of the School Leaving Certificate, Life Insurance Certificate and Bombay Mutual Life Assurance Society Limited certificate, as per annexures 6, 7 and 8 but still he was retired on 1-4-1983, as per annexure 9. The action of the Management is against the age retirement and Memorandum of Settlement dated 26-2-1965 and 17-9-1969. Therefore he wanted that a direction be given to the Respondent Management to take Reginald Baker on duty immediately and pay the wages from 1-4-1983 as per annexure 10,
- 3. The Management filed a counter stating that in the case of literates, the date of birth of the employee is recorded in Service Book as per the declaration made by the employee with necessary documentary proof of School Leaving Certificate at the time of appointment. Whereas in the case of those who are illiterates or who could not produce any documentary proof of age, the age as assessed by the Medical

Omeer is recorded in the Service Book at the time of entry into service. Therefore it is not correct to say that the Service book or age assessment were not in existence prior to 1,60. Sri Reginald Baker, joined service of the Company on 1-7-1947 and put in more than 35 years of service, the age was recorded as 25 years as on 1-4-1948 in the service book. It is based upon on the voluntary declaration of the pentioner at the time of initial appointment. He did not contest this until after hapse of 34 years and he choose to do so while notice of superannuation dated 22-12-1982 was served on him communicating that he would retire from service with client from 1-4-1983. Hence his age recorded at the time of entry into service when there was no confroversy has to be accepted as correct. He did not submit the School Leaving Certificate in support of the date of birth claimed On the other hand he submitted a birth certificate d. ed 9-12-1983 issued by the Principal St. Aloysius High Secondary School, Jabbalpur certifying his date of birth as 12-3-1928. Therefore a certificate which emanated later to his enery into service and after a lapse of more than three deed, a could not be considered as satisfactory proof of his age. Similarly, the Certificates of the Bombay Mutual Life Assurance Goolety Limited, sabnutted by him could not be accepted as satisfactory evidence in the absence of any School Leaving Certificate and therefore the date of birth claimed by him i.e., 12-3-1928 could not be adopted in our service records. Wherever the date of birth is not declared, me Medical Officer assessed the ago as per the procedure then in vogue and the age so assessed was confirmed and countersigned by the employee. As such, the employee is estopped from agitating for change of the date of birth. When the Age Retirement Rules of the Company came into force with effect from 3-8-1959. The age of the individual employee already in service was determined in accordance with Rule 3(iv). However, since Sri Reginald Baker did not produce any documentary proof of his date of birth even though he was a literate and well aware of the facts, his age as declared at the time of the appointment. Thus he is estopped from taking a different stand now. As per the Joint Bigartite Committee for Coal Industry, para 1.(a), Part (B) contemplates that wherever there is no variation in records such cases will not be reopened unless there is a very glaring and apparant wrong entry brought to the notice of the management and the Management has been satisfied of the merits of the case to take appropriate action for correction through the Age Determination Committee/Medical Board. Prior to the constitution of Age Determination Committees/ Medical Board by the Management under JBCCI procedure referred to above the relevant item No. 18 of Settlement dated 17-9-1969 was in vogue. As agreed to under the Settlement wherever the employee who service before 1960 whose age or date of birth as entered in the service record is contested, such employees viete sent to the Company's Medical Officer for verification of age or date of birth. Admittedly Reginald Baker was in service prior to 1950 but he never contested his age for reasons quite apparent and choose to agitate over the matter after receiving notice of superannuation. Settlements dated 26-2-1965 and 17-9-1969 which are no longer relevant in order to continue in employment even after attaining the age of superannuation. The Management has therefore rightly relied on the age recorded in Service Book and retired Sri Reginald Baker from service of the Company with effect from 1-4-1983 after attaining the age of superannuation and the same is legal, valid and justified.

- 4. The Workman examined two witnesses as W.W1 and W.W2 and marked Exs. W1 to W10. While the Management marked Exs. M1 to M4 and no witnesses were examined on their side.
- 5. W.W1 is the President of Tandur Coal Mines Labour Union and he decosed that Reginald Baker, Charge hand Bellampalli Workshop was terminated on the ground of age of superannuation. According to him the Company formulated retirement rules in 1960 as per Ex. W1 and the Company did not act upon the rules in assessing the age of the workman. According to him the Company entered into a settlement with the Union on 26-2-1965 as per Ex. W2 and agreed that whenever there is dispute of age of workman it shall be referred to the Medical Board as there was default

on the management in implementing the said agreement, the Union has raised conciliation in respect of this issue and thereupon another settlement was entered into on 17-9-1969 as per Ex. W3: According to him under this second agreement the Company obliged to refer the case of the workman to the Medical Board for determining the age. According to him the workman gave a representation on 18-3-1981 to the Divisional Engineer Singareni Collieries for determining the age. The copy of the same is marked as Ex. W4. According to him there were no replies to it but the Management issued notice of retirement stating that they are going to retire him with effect from 1-4-1983. Ex. W5 is the said notice. There afterwards the Management has replied to the representation in their letter dated 30|31-3-1983 stating that there is no merits in the representation of the workman for re-consideration of the age recorded in the service register Ex. W6 is the said reply. Hence the dispute is raised. According to him one Inumula Rajam, Coal Filler, Somagundans No. I Inchine was retired by the Company in the month of March 1985 and when he raised a dispute before the Conciliation Officer, the Management referred this case to the Medical Board as per Ex. W7 and thus the Management discriminated the present workman as regards to referring his case to the Medical Board. It is mentioned that the workman is aged only 57 years now.

6. W.W2 is the said workman. According to him he was aged 20 years when he joined service in 1947 and on 1-4-1983 he is only 55 years old. According to him for the employees who were recruited after 1960 their date of birth has been recorded at the time of employment. In 1983 the Management asked him to produce the age proof after retirement. The Settlement under Exs. W1, W2 and W3 and pointed out that he gave an explanation on 18-3-1981 for correction of date of birth to the Divisional Engineer and he also enclosed the birth certificate and L.I.C. policy issued by the Bombay Mutual Life Assurance Company as per Ex. W5. Ex. W6 is another intimation to him by the management that they considered his representation dt. 2-2-1983 and confirmed the order of superunnuation. When he is cross examined he deposed that he studied upto 6th standard in St. Aloysius Higher Secondary School Jabbalpur at the time of joining the school also the date of birth will mentioned and after he joined service in Singareni Collieries Company Limited. His service book is maintained after six months of his joining. Ex. M1 is Service Book and it contains his signature also. He also mentioned that he did not work any where prior to his joint the Company. Again corrected and stated that he worked as Mechanic Helper at Kharagpur for three years. He marked Ex. M2 the application given by him for appointment in Singareni Collieries for considering him for promotion of Motor Mechanic on a higher grade. It is dated 23-10-1956. According to him in the application Clerk put his age wrongly. He denied the suggestion that only to extend the service by five years he is deposing falsely, that his age was not correctly entered in the service book. He agreed that he did not declare his age as per Ex. W1 to the Company that he was born on 12-3-1928. He did not file any documents in this Tribunal to show that as per Ex. WI he called for change of date of birth. He could not say that as per the correspondence made by the Management with the school authorities under Fxs. M3 and M4 there is no record regarding the date of birth. He conceded that he received benefits under the Bipartite Settlement 1981 and he did not file for correction of his date of birth from Civil Court from 1981. It was suggested that the Union filed with regard to correction of age in the High Court and the same was lost According to him Bombay Mutual Insurance Policy was not continued and he took up LIC Policy separately. Even that Policy was surrendered four years back in reduced amounts. He denied the suggestion that Ex. W7 differs from his case. He admitted that he served the Company for 33 or 34 years and that he had no served the denience him with the and that he had no ill-feelings and bad relationship with the Management.

7. Admittedly Reginald Baker joined as chargehand in 1947. Ex. M2 is the application. Ex. M1 is the Service Book maintained for him. It is admitted that Ex M1' belongs to him since the witness W.W2 it contains his signature also. According to the workman Clerk has noted the

entries and he filled in the signature. He is a Motor Mechanic and it shows that he is a native of Jabbalpur Ex. M2 would show that R. Baker has written on 6-6-1967 for fixing him in Category IX in recognition of long service while implementing Tribunal award and he wanted his pay to be fixed on monthly basis in view of the additional responsibility. Ex. M3 is the letter given by the Management Executive Director to the Principal where Sri Reginald Baker is said to have studied asking them to give certificate of true copy of his studentship examination, during his stay and other particulars for proper entries in his record. But there is no reply from the Management of the said School at Jubbalpur. They sent another letter on 4-12-1983 by registered post repeating the same request to send the certificate true copy of Transfer Certificate and School Leaving Certificate of the workman, for that also there was no reply. Now the workman refied upon Exs. W8 and W9 to show that his date of birth was something other than what is mentioned in Ex. M1 and the Management sought to retire him on 31-3-1983 wrongly. His own evidence would show that the Bombay Mutual Assurance Society had admitted his date of birth as 12-3-1928 but that Policy was not It is not proved first of all by examining the continued. concerned Branch Secretary who issued the said certificate. Further LIC Policy which he took was also marked as Ex. W9. He conceded that about four years back he surrendered the LIC Policy in reduced amounts. From Lx. W9 it is mot visible how his date of birth is 12-3-1928. Ex. W9 by itself will not show that the age of date of birth 12-3-1928. There is no scope for such inference. Now he relied upon a certificate said to have been issued by St. Aloysius Higher Secondary School Jabbalpur on 21-1-1983 that his date of birth as per 12-3-1928. Now School certificate read with Exs. M3 and M4 would show that when he could obtain a certificate on 21-1-1983 and when the Management was insisting them to Issue true certified copies of its studentship and examination passed during 1938 etc. and also transfer certificate from school authorities they did not send the same to the Management. Unless Ex. W10 is proved according to law, it cannot be looked into because by 31-3-1983 on the basis of Ex. M1 he is being retired and he gave a letter after he received a notice under Ex. W5 that he should vacate his possession of the quarters allotted to him within 30 days that he is going to be retired from service from 1-4-1983 as per the Age Retirement Rules of the Company. Now his letter to the Management is said to be on 18-3-1981 stating that there is wrong noting of age under Ex. W4 in that he quoted a certificate issued by the Church authorities of Amaravathi and also assured Policy of Bombay Mutual Assurance Life Society and he did not mention anything about his school certificate showing that he studied at St. Aloysius Higher Secondary School Jabalpur. the crucial certificate that is required. If Ex. W10 is really correct and if he was a student being on the school rolls and having born on 18-1-1938 as shown there under it is surprising on 18-3-1981 when he addressed Ex. W4 he did not mention about the school certificate issued by the said school where he studied. The close if Exs. W8, W9 and W10 are strictly not proved and when Ex. W10 is not mentioned in Ex. W4 and after Ex. notice is given regarding the retirement when the Management again replied stating that there is a glaring discrepancy or variations in the entries and that he did not produce school certificate at the time of appointment and that he was being retired with effect from 1-4-1983. He tells the Tribunal that another coal filler instance where he was asked to appear before the Medical Board for determining the age First of all even as these Settlement Clause 18 of Exs. W1 and W2 in case of literates the date of birth of the employee is recorded in the service book as per the declaration made by the employee with necessary documentary proof of school leaving certificate at the time of appointment. Only in case of illiterates who could not produce any documentary proof of age the age is assessed by the Medical Officer and it is recorded in the Service Book at the time of entering in to service. In the instant case he joined the service on 1-7-1947 and he has out i armore than 35 years of service and as age was recorded as 25 years as on 1-4-1948 and the said age as entered in the service book was not contested ofter layer of 34 years he choose to do so for the first time when a notice was given to him communicating that be would be retired from service with effect from 1-4-1983. In

the first instance he did not mention about the birth certificate issued by the Principal, St. Alloysius Higher Secondary School, Jabalpur. Sri Reginald Baker instead of submitting school leaving certificate in submiting the date of birth submitted birth certificate dt. 9-1-1983 issued by the Principal, St. Aloysius Higher (econdary School Jabalpur certifying the date of birth as 12-3-1928. So the said certificate which had commissioned for the first time after a lapse of three decades must be proved and the burden is on him to prove it. He failed to prove it with any material evidence by examining school authorities or producing registers by summoning them and when the Management asked the school authorities Exs. M3 and M4 there was no reply. So the Managements confention that the date of birth claimed by him to be 12-3-1928 could not be adopted in their service book seems to be proper and correct.

8. The age retirement rules of the Company came into force with effect from 3-8-1959 and the individual employees service was determined in accordance with the Rules 3 Sub-Clause (iv) he being literate and also having signed service book and having attested the same is established from taking a different stand now after receiving notice of retirement. Infact Joint Bipartite Committee for Coal Industry procedure in paragraph 1(a) Part (B) contemplates that where there is no variation in records such cases will not be reopened unless when there is very glaring and apparent wrong entry brought to the notice of the Management. So in the instant case even as per Settlements Exs. WI and W2 wherever the employees who join service before 1960 whose age or date of birth as entered in the service record is contested such employees were sent to the Company Medical Officer for verification of age or date of birth. But in the instant case though Reginald Baker was in service prior to 1960 he never contested his age for reason quite apparent and choose to escape over the matter by citing Settlements Exs. W1 and W2. But on the basis of service book which is filed when the date of birth certificate issued by the School authorities at a belated hour. Moreover it is not proved properly and it did not whispher in his application for verification of his age under Ex. W4 about it. I hold that the workman had no case and the retirement made by the Management is proper and legal and valid.

Hence the Management of Singareni Collieries Company Limited, Bellampalli is justified in terminating the services of Sri Reginald Baker, Chargehand in Bellampally Workshop on superannuation, from 1-4-1983 and thus no relief.

Dictated to the Stenographer, transcribed by him, corrected by me and given under my hand and the soal of this Tribunal, this the 2nd day of January 1987.

INDUSTRY: Coal Mining DISTRICT: Chhindwara (M.P.)

AWARD

Dated: January 14, 1987

This is a reference under Sec. 10(1)(d) of the Industrial Dispute Act, 1947, made by the Central Government in the Ministry of Labour vide Notification No. L-22012(59)[85-D.V. dated 30th January, 1986, for adjudication of the following dispute:—

- "Whether the action of the management of Damua Colliery of WCL, P.O. Damua Distt, Chhindwara (MP) in keeping Shri Om Prakash Sooi, Clerk in Grade III from 1-4-1975 till date and not promoting him in clerical Grade II is justified? If not to what relief the workers is entitled to?"
- 2. After the reference order although the parties have filed their pleadings and even adduced oral evidence but before further evidence could be recorded parties have mutually discussed the matter and came to terms between them They have filed a Memorandum of Settlement duly signed by S|Shri Shyamla! Balmiki General Secretary and Anwar Beig Vice President of M.P.R.K.K.M.S (INTUC). They have also prayed for an award in terms of the settlement which are as under:—

Terms of Reference

- It was agreed by the management to constitute a departmental promotion committee to consider the case of all eligible candidates including the aggrieved workman.
- (2) That a panel will be drawn based on the recommendations of the departmental promotion committee.
- (3) That the existing vacancy will be filled based on merit drawn by the Departmental Promotion Committee.
- (4) The remaining persons in the panel will be posted in due course as and when vacancy arises.
- (5) This fully and finally resolves the dispute pending before CGIT.
- 3. I have gone through the above terms of settlement Since R.K.K.M.S. (INFUC) which raised the dispute in respect of Shri Om Prakash Soni agreed to the above terms

of settlement with a view to build up more harmonious and cordial industrial relation and in order to avoid litigation I have no other alternative but to record my award in terms of the aforementioned settlement. I, therefore, record my award in terms of the settlement arrived at between the Union and the management. No order as to costs.

V. S. YADAV, Presiding Officer. [No. L-22012(59)|85-D.V]

PARTIES:

Employers in relation to the management of Eklehra Colliery of Western Coalfields Ltd., Pench Area, P.O. Eklehra, District Chhindwara (M.P.) and their workman Shri Kutubuddin represented through the M.P. Koyla Khadan Mazdoor Panchayat (HMS) P.O. Junnardeo, District Chindwara (M.P.)

APPEARANCES:

For Union.-Shri G. N. Shah.

For Management.--Shri P. S. Nair, Advocate.

INDUSTRY: Coal Mining DISTRICT: Chhindwara (M.P.)

AWARD

Dated: January 14, 1987

This is a reference under Sec. 10 of the Industrial Disputes Act, 1947. The M.P.K.K.M.P. (HMS) raised an Industrial Dispute before the Asstt. Labour Commissioner (C) Chindwara regarding the alleged wrongful termination of Shri Kutubuddin, Ex-Badli Tub-Loader. Eklehra Colliery. The dispute was seized in conciliation but it ended in failure, Therefore the Central Government in the Ministry of Labour in exercise of the powers conferred by Clause (d) of Sub-Section (i) of Sub-section (2A) of Sec. 10 of the Industrial Disputes Act, 1947 referred the following dispute for adjudication vide Notification No. L-22012(7)|84,D.III (B)|D.V. dated 12th July, 1985:—

- "Whether the action of the management of Western Coalfields Limited, Pench Area in relation to their Eklehra Colliery in not allowing Shri Kuttubuddin on duty on the plea that his services stand automatically terminated on account of his absence for more than 30 days from 3-6-1983 is justified? If not, to what relief the workman is entitled?"
- 2. Parties filed their pleadings and documentary evidence and contested the case. On 25-2-1986 parties argued and

conceded that since there is no enquiry in the case they be allowed to lead evidence on merits. Thereafter the case was fixed for evidence of parties. On 18-6-1986 parties adduced oral evidence and closed the case for arguments. Parties were also allowed to file written arguments which they did. But an award could be passed good sense prevailed in the parties and they have filed a Memorandum of Settlement with a prayer to pass an award in terms of the Settlement which are as under:

Terms of Settlement

- (1) It is agreed by the management that Shri Kutubuddin will be re-employed on the wages which he was getting prior to his termination.
- (2) The period of non-employment from 20-9-83 till he resumes duty in pursuance of this settlement will be treated as dies-non with continuity of seniority for the purpose of gratuity.
- (3) He will report for duty to the General Manager, Wani Area, within a month from the date of signing this settlement.
- (4) The union agrees to give up all other claims benefits and accept the above terms and full and final settlement and shall not claim any other benefit in respect of the matter in dispute.
- (5) This settlement shall not be treated as a precedent in any other case.

The Memorandum of Settlement is signed by Shri G. N. Shah & Shir Riaz Ahmad on behalf of the workman and Shri S. M. Singh on behalf of the management.

3. I have gone though the terms of the settlement. Since the parties have agreed to the above terms of settlement and have praved for an award in terms thereof and I also feel that such an amicable settlement is in the interest of the workman and the union I record my award in terms of the above settlement. No order as to costs.

V. S. YADAV, Presiding Officer [No. L-22012]7[84-D.III(B)]

INDUSTRY: Coal Mining DISTRICT: Chbindwara (MP)

AWARD

Dated, January 12, 1987

By Notification No. L-22012(11)/84-D.III (B)/D.V. dated 19th August, 1985 the Central Government in exercise of powers conferred by Section 10(1)(d)(2A) of the Industrial Disputes Act, 1947 referred the following dispute for adjudication:—

- "Whether the action of the management of WCL, Pench Area in relation to their Eklehra Colliery to not allowing Shri Bhaiyalal, Timber Mistry on duty on the plea that his services stand terminated on account of his absence for more than 30 days from 1-5-83 is justified? If not, to what relief the workman is entitled?"
- 2. Parties filed their pleadings and contested the case. As there was no enquiry against the workman parties conceded on 24-2-1986 the legal position and requested that the case be fixed for evidence of parties on merits. Parties took several adjournments to adduce evidence. It appears that they were negotiating for a mutual settlement and ultimately they have filed a Memorandum of Settlement duly signed by the representative of the workman Shri G. N. Shah and Shri S. M. Singh on behalf of the management. Parties have further requested to pass an award in terms of settlement which are as under:—

Terms of Settlement

- It is agreed by the management that Shri Bhaiyalal will be re-employed on the wages which he was getting prior to his termination.
- The period of non-employment from 8-7-83 till he resumes duty in pursuance of this settlement will be treated as dies non with continuity of service for the purpose of gratuity only.
- He will report for duty to the General Manager, Wani Area, within a month from the date of signing this settlement.
- 4. The Union agrees to give up all other claims/benefits and accept the above terms as full and final settlement and shall not claim any other benefits in respect of the matter in dispute.
- 5. This settlement shall not be treated as a precedent in any other case.
- 3. I have perused the above terms of settlement and am of the cominon that the terms of settlement are just, fair and in the interest of the workman, Shri Bhaiyalal. I, therefore, record my award in terms of the afore mentioned settlement and make no order as to costs.

S.O. 450.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Hyderabad, as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Singareni Collieries Co. Ltd., Kothagudam Division and their workmen, which was received by the Central Government on the 20th January, 1987.

ANNEXURE

BEFORE THE INDUSTRIAL TRIBUNAL (CENTRAL) AT HYDERABAD

Industrial Dispute No. 8 of 1986

BETWEEN

The Workmen of Singareni Collieries Company Limited, Kothagudam, Khammam District, Andhra Pradesh.

AND

The Management of Singareni Collieries Company Limited, Kothagudem, Khammam District, Andhra Pradesh.

APPEARANCES:

Sarvasri G. Bikshapathi, G. Vidyasaçar and M. Subramanyam, Advocates—for the Workmen.

Sarvasri K. Srinivasa Murthy, H. K. Saigal and G. Sudha, Advocates—for the Management.

AWARD

The Government of India, Ministry of Labour by its Order No. L-21012[6]85-D.HI(B) dated 4-3-1986 referred the following dispute under Sections 10(1)(d) between the employers in relation to the management of Singareni Collieries Company Limited, KKothagudem and their workman to this Tribunal for adjudication:—

Whether the action of the management M/s, Singarem Collieries Company Limited in not promoting Sri Shankar Singh Clerk Gr. III as Clerk Gr. II after completion of 10 years of service and Clerk Gr. I after rendering another 6 years of service is justified? If not, to what relief is the workman entitled?"

This reference was registered as Industrial Disputes No. 8 of 1986 and notices were issued to the parties.

2. The claims statement filed by the Petitioner Union mentioned that the workmen involved in the dispute is a Member of their Union and also Secretary of Kothagudem Branch of Andhra Pradesh Colliery Mazdoor Sangh. It is mentioned that Sri Shanker Singh was appointed as Watchman in the year 1957 in the Singareni Collieries Company Limited, Kothagudem and he was promoted subsequently as Clerk Grade III in the year 1965. According to the Union he was discharging his duties to the entire satisfaction of his superiors and he has been maintaining clean record. It is further mentioned that he is a Graduate in Hindi from Prayag University. While so Sri Shanker Singh was illegal Prayag University. dismissed from service on 20-4-1976 and raised a dispute for reinstatement and during the adjudication a compromise was entered into between the Management and the Workman and it was agreed that the workman shall be reinstated into service on a basic salary of Rs. 378 per month as Clerk Grade III, and the intervening period from the date of dismissal from 20-4-1976 till the date of reinstatement is treated as loss of pay for all purposes and continuity of service only may be granted. It is also mentioned that the workman joined service in pursuant of the settlement at 9th Incline While so when he was working Godavari on 7-6-1979 at Kothagudem his services were again terminated on the alleged ground of unauthorised absence from 2-12-1979 and the worker again moved conciliation machinery for settlement of his grievances. The Management settled the matter by entering into an agreement under Section 12(3) of the I D. Act. As per the said agreement the Management agreed to take into service as Grade III Clerk on basic pay of Rs.

460.00 and intervening period between the date of terminauon till he reported for duty is treated as loss of pay forthe purpose of continuity of service. So it is the case of the workman that the period of service right from the date of appointment as Watchman and his continuance is protected for all purposes and he is entitled for the promotional benefit as if he is in service except for back wages as per the settlement entered into between the workman and the Management. It is also mentioned that as per the settlement entered into in 1979 and 1981 the period between termination and reinstatement was treated as continuity of service for all purposes except for the payment of wages. Therefore it is contended that for the purposes of promotion and other benefits the workman is deemed to be in service continuously and he is entitled for all benefits as if he is in service. per the promotional policy of Clerks in Singareni Collieries Company which is known as Clerical cadre scheme Clerk Grade III who put in 10 years of service in Grade III are entitled for promotion to Clerk Grade II and Clerk Grade III having put in six years service in the said grade are entitled for promotion to the post of Clerk Grade I. The promotion is also given only on the basis of seniority. Thus it is contended that this workman is entitled for Grade III in 1975, much prior to the dismissal from service subsequently he is entitled for promotion as Clerk Grade II in 1981 and the workman was not given any of these promotions though he is entitled as per Cadre scheme and the promotional policy evolved by the Company. It is also mentioned that the workman being Secretary of Kothagudem Branch of the Petitioner-Union is intentionally and deliberately being denied the promotion which would have been given to him as per rules and that it is nothing but a case of victimisation and unfair labour practice. After making several demands for promotion, the matter was ultimately brought for adjudication culminating into reference.

3. The Management filed a counter admitting that the Government of India referred the matter for adjudication. It is admitted that Shanker Singh was appointed in 18-1-1957 and he was transferred to Mandamarji C.S.P. as Chit Issuer with effect from 1-5-1265, he was transferred as Area Clerk, Head Office, Kothagudem with effect from 28-12-1970 and he was transferred as Chit Issuer to Male Hospital with effect from 7-2-1974. He was dismissed from the Main Hospital of the Company in view of the misconduct committed by him with effect from 20-4-1976. In consideration of mercy petition and also in accordance with terms of settlement a compromise was arrived in J. D. No. 31 of 1977 in Labour Court and Shanker Singh Ex-Clerk Grade III was teinstated on a commencing basic pay of Rs. 378 00 with effect from 7-6-1979 during the intervening period from 20-4-1976 to the date of reinstatement from 7-6-1979 as leave on loss of pay for the purpose of continuity of service. It is mentioned that he is not entitled for claiming any back wages and other attendant benefit for the intervening period from 20-4-1976 till the date of his reinstatement. It is a fact that he was terminated when he was abscording as per the Company Standing Orders and when he raised an industrial dispute the matter was discussed and settlement was arrived at before the Assistant Commissioner of Labour (Central) and it was agreed to allow him to join service Grade III Clerk on a commencing basic pay of Rs 460,00 in the grade of Rs. 460-16-536. The interpening period between 2-12-1970 to 15-10-1981 is treated as leave on loss of pay for the purpose 2-12-1979 to of continuity of service and it is also mentioned that he will not have any claim for back wages or other attendant benefits or duty. Thus though continuity of service is for the reports for duty allowed it was a fact that he was not allowed back wages and As he is not having continuous service attendant honofite he is not having promotion from Grade III to Grade II. as The settlement and various alleged in the claims petition other documents are miscontined by the Petitioner and interpretted to suit ari Shanker Singh's case. The allegation that promotion is given on seniority is also not correct. The allegation that he was victimized being Secretary of the Union is totally false. The continuity of service is only for the nurnose of cettien matrity and terminal honefits and not for other hungare of attendant benefits and promotion under the Cadre cohours. The break in service and the same is The break in service and the come is confoned only for mirrose of gratuity as a continuous service and not for other purposes which is clear from the non-payment of wages during the break of service which

was treated as loss of pay leave. Even continuity of service is not treated as regular attendance which will also to be taken into account for promoting employees to higher cadre as such he is not entitled for any concession under the Cadre scheme. So he is not entitled for any promotion as stated by him. The petition is liable to be dismissed.

- 4. The Workmen examined two witnesses as WW-1 and WW-2 and marked Exs. W-1 to W-5. While the Management side no witnesses is examined and no documents were marked.
- 5. WW-1 is the Petitioner himself and he marked the terms of compromise in I. D. No. 31 of 1977 as Ex. W-1 and also the settlement under Section 12(3) of the I. D. Act, entered into between the Management and the Union before the conciliation authority for the second time as per Ex. W-2. According to him on these two occasions except non-payment of wages for the periods from termination to the reinstatement; It is agreed that he is in continuous service except paying wages for these periods. It is his case that there is clerical cadre scheme introduced in 1978 and as per the scheme he should have been in Grade II Clerk by 1974 and Grade I by 1980 and special grade by 1983 in the normal course. He further mentioned even if the Management version is correct that he was taken as Grade III Clerk from 1-5-1965 he should have been in Grade II Clerk by 1-5-1975 and by 1981 he should have been in Grade I Clerk and by 1-5-1984 he should have been in Special Grade Clerk. According to him his junior John Banton who was appointed in 1965 some time afterwards has become under the Cadre scheme Grade I Clerk while he is still in Grade III. He mentioned in para 7 of page 3 of his claiming statement there is Typographical error and he filed Ex. W-3 which is the order of the Management posting him for relay duties which are performed by Grade I and Grade II Clerks. Cross Examination was deferred as none appeared for the Manage-
- 6. WW-2 is the General Secretary of Andhra Pradesh Colliery Mazdoor Sangh, Kothagudem and according to him Shanker Singh was appointed as Watchman in 1957 and he was promoted as Grade III Clerk in 1965. He passed B.A. in Hindi as the main language and mentioned that as per Exs. W-1 and W-2 there is no break of service in the case of Shanker Singh. As per the cadre scheme promotion for the clerks he is entitled for promotion for Grade II Clerk in 1975; nd he completed 10 years of continuous service in Grade III and he should have been promoted as Grade 1 by 1981 and that he was victimised because he was active Trade Union. The representation given by him during the conciliation proceedings as General Secretary is marked as Ex. W-4. He also mentioned that no action is taken to approach the Grievance Committee at Vijayawada as Ex. W-5 and thus he also filed Ex. W-3 to show that Shanker Singh is doing the functions of Grade II Clerk with effect from 1-1-1983.
- 7. The Management filed a verified petition on 3-9-1986 which is numbered as M.P. No. 279/86 raising certain objections that the Tribunal is not following uniform policy imposing costs that there is some discrepancy shown to the workers without awarding costs to the Management witnesses when they are not cross examined while awarding costs to the workmen. It is also mentioned that the said Counsel Miss G Sudha and her senior will not be appearing on the ground that the Court made some remarks against her and wanted the matters to be deferred as they want to move for transfer of their cases from this Tribunal to another Tribunal. For this a counter affidavit is also filed by the workmen denying all these allegations and it is mentioned that Miss G. Sudha entered into an altercation with his counsel in a louder tone when the witness was in the witness box while proceedings were in progress and at the time when the Court cautioned her not to disrupt the Court precedings she made herself intemporate and disreputative manner that she and her senior counsel would not appear thereafterwards in the Tribunal and filed a Memo to that effect. Infact he also mentioned that this hannened in one of the cases where she filed similar verified petition and his union General Secretary had already filed a counter affidavit and that he fully supported the said averment and she filed a similar verified petition in this case also, What has traspired 1520 GT/86-12...

- actually in I. D. No. 41 of 1985 on 3-9-1986 as well as in I. D. No. 8/86, I. D. No. 56/84 were passed by way of common order in M.P. No. 278/86 (1. D. No. 41/85), M.P. No. 279/86 (I. D. No. 56/84) M.P. No. 280/85 and M.P. No. 225/86 (I. D. No. 556/84) M.P. No. 283/86 (I. D. No. 556/84) M.P. No. 283/86 (I. D. No. 56/84) is part of the record and it is held that all the allegations in the verifical petition filed by Miss G. Sudha are not tenable and frivolous and it is also observed that all or any of the matters pending before me in which Miss G. Sudha representing S1 i K. Srinivasa Murthy as Management counsel or where both of them appearing together for the management cannot be stayed on such frivolous petitions and the said petition was therefore rejected in all the matters directed to be proceeded according to law. Tall now no transfer of cases or transfer of this case is done by any superior authority.
- 8. Thereafterwards there is no stay of these proceedings by any Appellate Authority in this case. Infact in M.P. Writ Petition No. 12225/86 there was a direction that the second point in issue should be decided in I. D. No. 41/86 expeditiously while rejecting the Management averments and contentions pursuant to the orders in this common order passed in this M.P. No. 278/86 as well as other M.Ps. as mentioned now.
- 9. Thus the Management did not come forward to cross examine WW-1 or WW-2 and did not evince any interest in the matter. There afterwards the matter is adjourned to 14-10-1986 and 30-10-1986 and the Management did not come forward though Shanker Singh was present for being cross examined. In the said circumstances the counsel for the workmen filed a Memo M.P. No. 434/86 stating that the Management did not appear though he was present on 3-9-1986 and 5-9-1986 and 23-9-1986 and thus even after three more adjournments thereafterwards the Management did not come forward and take steps to cross examine then and therefore he wanted the Tribunal to set the Management exparte treating that they have no evidence in this case. The said MP. No. 434/86 a copy of the said affidavit is sent to the Management and the Management sent a counter affidavit of one J. Ramachander. According to him the Tribunal made comments and adopted a partial attitude and therefore they wanted the matters to be deferred and it was a case where Company clearly made a specific allegation that they have no confidence in the Chairman of the Industrial Tribunal and that they are moving for transfer and thus it is mentioned that it is difficult to understand how any one asked to proceed with the case before the person on whom do not have any confidence. It is also mentioned that the officials have come to file memos in the Tribunal they are being refused to receive the same which resulted by sending them by registered post and thus the Tribunal office was issuing notices as if nothing had happened in the Court. A reply affidavit is also filed by the Union to that of Sri Ramchander stating that the petitioner Union is taking to initiate contempt steps against Officer and others who have made irresnonsible allegations against Judicial Officers and the Court, It is mentioned that the Court cannot step proceedings for the sake of convenience of one of the parties and infact the Tribunal has granted very many adjournments for the management and yet the Company is playing hide and seek game which must be severally deplecated. It is also mentioned that deponent I Ramachander made allegations against the Chairman and also the staff though he was asked to be present to explain how the staff and Chairman were coming in his way of filing any memos and in that context there was one refusal by the Court or the staff, he did not come forward to explain the situation and he had chosen to send by post having some down to Hyderabad at the cost of public money. Having perused all this an order is passed on 10-12-1986 holding that this is matter of grave contempt and the matter will be properly referred to the High Court bringing it to the notice of the High Court for taking contempt proceedings against this individual I Ramachander for making unfounded and ill-conceived averments to bring down the prestige of the Tribunal while discharging its duties and a report will also be sent to the High Court senarately after giving some time to the Management as the matter is haing referred to the High Court along with the other connec-ted matters in similarly filed by one or two others. It is also mentioned that Sri J. Ramachander ofter making wild allegations had no courtesy to appear before the Tribunal for proving his allegations and that he acted without bona fides for proving

his averments on oath, and that necessary action will be taken as per the procedure laid down under the contempt of Courts Act. It is also mentioned that he had no authorisation to represent in this case for the management as per the records and in the said circumstances the said Ramachander's affidavit is treated as unworthy of credence and posted for further proceedings in the matter.

- 10. Thereafterwards on 11-12-1986 Sri G. Bikshapathy for the Workmen was heard and it is posted to 19-12-1986 for the argument of the management, if any and on 19-12-1986 as there was no representation and as nobody was present for the Management, the Management argument is treated as for the Management, the Management argument is treated as nil and in given circumstances it is reserved for award.
- 11. The facts in this case as seen from the claims statement and counter have got certain admitted features. There is no dispute that Shanker Singh was appointed in the Company on 8-1-1957 as Watchman in Singareni Collieries Company Limited and from time to time he worked as Chit Issuer in the Main Hospital from 1965. It is also not in dispute that for alleged misconduct be was dismissed from the Company's service at the Main hospital with effect from 24-9-1976 and finally as per the terms of Settlement of compromise was arrived at in I. D. No. 31/77 before the Labour Court and he was reinstated with effect from 7-6-1979 as per Ex. W-1. As per the terms of settlement though for the intervening period from the date of dismissal i.e. 20-4-1976 till the date he reported for duty it was agreed that it should be treated as leave on loss of pay for the purpose of continuity of service only. It is also mentioned that he shall not have any claim for back wages and other attendant benefits for the intervening period to the date of his reporting for work. Now there is second instance when Shanker Singh's services were terminated on the alleged ground on unauthorised absence from 2-12-1979 and settlement was arrived at under Section 12(3) of the I, D. Act as per Ex. W-2. It is men-tioned in Fx. W-2 that the intervening period from the date of termination 2-12-1979 till the date of reporting for duty shall be treated as leave on loss of pay for the purpose of continuity of service and he shall not claim any back wages or other attendant benefits for the intervening period from 2-12-1979 till the date he reported for duty. The said Settlement was entered on 28-9-1981. It is a fact that he was shown as Clerk Grade HI. Ofcourse Ex. W-4 is representation made on 22-4-1983 stating that the said Shanker Singh who is a permanent employee of the Company who had put in more than 15 years of service is not given promotion as per the Cadre Scheme available in the Company and his junior John Banton is promoted as Grade I Clerk also and that Shanker Singh being discreminated and that the same amounted to unfair labour practice. This is the representation given by the Union to the Assistant Labour Commissioner to show that occasionally Shanker Singh was asked to work the duties of Grade II Clerk. Ex. W-3 is filed and Ex. W-5 is another representation given to the Assistant Commissioner of Labour by the General Secretary to intervene in the matter In the counter filed by the Management it is no where denied that the said Sanker Singh was not a Union activist it is already mentioned in the claims statement that the said Shanker Singh is a member of the Petitioner Union i.e. Andhra Pradesh Colliery Mazdoor Sangh, Kothagudem and he is also Secretary of the Kothagudem Branch of A P Collieries Mazdoor Saugh and the Union representation also would show as per-Exs. W-4 and W-5 that his case is taken up by the Union being a member of the Union and there is evidence of WW-2 to that effect also.
- 12. It is admitted that there is a scheme known as Clerical Cadre Scheme evolved a policy by the Singareni Collieries Company Limited for promotions of clerks.
- 13. Sri G, Bikshapathy for the Workmen contended that as per the National Coal Wage Agreement III and Bypartite Settlement and as well as the settlement under which the workman was reinstated, the Company if properly implemented the Clerical Cadre Scheme in the case of Shanker Singh he is entitled for Grade III after he had put in 10 years service and from Grade II to Grade I after he had put in 6 years of service and thus on the basis of available evidence as the worker was promoted as Clerk III on 1-5-1965, It is contended that he is entitled for promotion of Grade II Clerk from 1-5-1975 and that he is entitled as Grade I Clerk from 1-5-1981. Sri G. Bikshapathy pointed out as the

workman was involved in the Trade Union he was victimised by denying the said promotion and the juniors to him were promoted. It is also argued by him that as per the Settlements Exs. W-1 and W-2 the continuity of service is maintained except the wages being paid and therefore the relief sought for should be granted. On the other hand the case of the Management as could be seen from the counter is that the Settlements are very clear that continuity of service is only for the purpose of grautity and terminal benefits and not for other purposes, all attendant benefits and promotion under the Cadre Scheme. It is the case of the Management that there is break in service and the same is condoned only for the purposes of gratuity as continuous service and not for other purposes and the same is clear from the non-payment of wages during the break of service which was treated as on loss of pay. According to the Management even continuity of service is not treated as regular attendance which will also be taken into accountance to promote an employee to a higher cadre. As such the employee was not entitled for any concession under the Clerical Cadre Scheme and thus he is not entitled for such reliefs.

14. Now Exs. W-1 and W-2 are very clear that as per these Settlements he is not entitled for any claim for back wages or other attendant benefits for the "intervening periods till he reported to duty". It is clearly mentioned that he shall be treated on leave on loss of pay for the purpose of continuity of service. So the contention of the Management that it is a continuity of service is only restricted for the purpose of getting gratuity and terminal benefits and not for other the content of the content o purposes under the cadre scheme is not at all found anywhere in the Settlements Ex. W-1 and W-2. A clear reading of Exs. W-1 and W-2 Settlements would show that the period between the date of termination and till he reported for duty was treated as loss of pay for the purpose of continuity of service and during that period he is not entitled to claim for the back wages or other attendant benefits for the intervening period i.e. till the date of report for duty. So the continuity of service is given to him a matter of right. While the settlements clearly mention that for the intervening period between the date of termination till he reported for duty was treated as loss of pay for the purpose of continuity of service it is not mentioned that the said continuity of service is only for the purpose of getting gratuity and terminal benefits and not for other purposes. It is nowhere found that there is break in service as per Exs. W-1 and W-2 Settlements and that the same is condoned only for the purpose of gratuity and thus continuity of service is not treated as regular attendance which will also be taken into account to promote employee to higher cadre. All this is not there in the Settlements Exs. W-I and W-2. When there is admittedly Clerical Cadre Scheme for promotion from Grade III Clerk to Grade II Clerk after 10 years service and similarly as Grade II Clerk after six years service to Grade I Clerk as a time bound promotion. It is surprising that Exs. W-1 and W-2 Settlements are given some kind of interpretation by Management which is not whisphered in the Settlements or in the Clerical Cadre Scheme. It is not mentioned that the Clerical Cadre Scheme that in such cases continuity of service is not treated for regular attendance which will be taken into account to promote the employees to higher cadre. There is no material to that affect. Further National Coal Wage Agreement III at at pages 15 and 16, it is mentioned as

"G. Persons in Clerical Grade III,

- Implementation Instruction No. 28 dated 7-7-1984 Ref.—NCWA-III (I.I. No. 25/84) dated 18th April. 1984. Attention is invited to the Implementation Instruction No. 25 dated 18th April. '84 with regard to the implementation of the note regarding persons in clerical Grade-III in Annexure-II of the National Coal Wage Agreement III.
- The matter was further examined at the Standardisation Committee meeting held on 17th and 18th May, '84 and it was further agreed as follows:—
 - "(i) Munshis who have been doing all the four jobs listed in the Agreement will be upgraded from 1-1-83 or from the actual date they have been performing the said jobs after 1-1-83.

(ii) Those Munshis who had been asked to exercise option before 13th April, 1984 and had actually exercised option would be upgraded from the date of exercising such option by them."

Similarly at pages 14, 125 and 126 of the same National Coal Wage Agreements there is a Cadre Scheme for Ministerial Staff even if there is break in service as per the Management, the same is treated as continuity of service as per the Settlement Exs. W-1 and W-2 without paying the wages. Therefore under the Crerical Cadre Promotion Scheme which is a time bound promotion scheme Clerk Grade III is bound to be promoted after 10 years of service and Clerk Grade II who had put in six years of service is entitled for Clerk Grade I except for these I-vs. W-I and W-2 settlements under which the intervening period are excluded for the purpose of wages, the continuity of services is a matter consented to under the Settlement once the Clerical Cadre Scheme is implemented the said workman who is admittedly involved in the Trade Union cannot be victimised by denying the said promotions and his juniors cannot be given promotion and they cannot be allowed to draw more pay while this workman is denied as if there is break of service. Break of service is condoned under the Settlements by mentioning clearly that he will not have any pay but continuity of service is protected. So as per the Settlements when continuity of service is maintained and only when wages are not paid he should be given. Grade H from Grade III on 1-5-1975 and as Grade I Clerk from 1-5-1981. There is no dispute that he was treated all these periods as Clerk Grade III while in fact when he was promoted as Grade III Clerk on 1-5-1965 he is entitled to Grade II from 1-5-1975 and after further six years service he is entitled to Grade I Clerk from 1-5-1981 as per the Clerical Cadre Scheme.

15. I hold that the action of the Management M/s. Singareni Collieries Company I imited in not promoting. Shri Shanker Singh, Clerk Grade III as Clerk Grade II after completion of 10 years of service and Clerk Grade I after rendering another 6 years of service is not justified and he is entitled to be promoted Grade II since 1-5-1975 and to Grade I since 1-5-1981 with all consequential benefits.

Award is passed accordingly.

Dictated to the Stenographer, transcribed by him. corrected by me and given under my hand and the seal of Industrial Tribunal this Tribunal, this the 31st day of December, 1986.

Industrial Dispute No. 33 of 1985

[In the matter of the dispute for adjudication under Section 10(1)(d) of the Industrial Disputes Act, 1947 between the workmen and the Management of Tamilnadu Cements Corporation Limited. Alangulam Works, Alangulam.}

BETWEEN

The workman represented by the General Secretary, Arasu Cements and Arasu Asbestos Dravida Uzhier Munnetra Saugam, Tamil Nadu Cements (Post) Kamaraj District, Pin : 626127.

AND

The Chairman-cum-Managing Director, Tamil Nadu Cements Corporation Limited, Tamil Nadu Cements P.O. 626127, Ramanuthapuram District.

REFERENCE:

Order No. L-29012/24/84-D. III(B), dated 13-5-1985 of the Ministry of Labour, Government of India, New Delhi.

This dispute coming on this day for final disposal in the presence of Thiruvalurgal T. S. Gopalan and P. Ibrahim Kalifullah, Advocates appearing for the Management upon perusing the reference, claim and counter statements and other connected papers on record and the workman being absent and the Management having filed a joint memorandum of settlement and recording the same, this Tribunal passed the following:

AWARD

This dispute between the workmen and the Management Tamilnadu Cements Corporation Limited, Alangulari Works, Alangulam arises out of a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947 by the Government of India in its Order No. E-29012[24]84-D. III(B), dated 13-5-1985 of the Ministry of Labour for adjudication of the following issue:

- "Whether the action of the management of Tamiliada Cements Corporation Limited, Alangulan Works, in terminating the services of Shri S. Ganesan, Heavy Vehicle Driver vide their letter dated 24-3-1982 is justified? If not, to what relief is the workman antitled?"
- (2) Parties were served with summons. Both parties were represented by counsel.
- (3) The Petitioner-Union filed its claim statement on 18-7-1986 putting forth the claim of the workman. In repudiation thereof, the Management filed their counter statement on 7-11-1986.
- (4) Today, when the dispute was called, the Peritioner Union and its counsel were absent and no representation was made on behalf of the Union. The counsel for the Management was present. A Joint Memo was filed by the Management stating that the matter is settled and an award may be passed in terms of the memorandum of settlement. It is recorded. As the terms of the settlement appear to be fair and just an award is passed in terms of the Settlement No costs.
 - (5) The settlement shall form an annexure to the award. Dated, the 6th day of January, 1987.

FYZEE MAHMOOD, Presiding Officer ANNEXURE

MEMORANDUM OF SETTLEMENT REACHED UNDER SECTION 18(1)(d) OF THE INDUSTRIAL DISPUTES ACT

Representing worldman,--Workman Mr S. Ganesan.

Representing Employer.—Tanul Nadu Cements Corporation Ltd., Alangulam Works, represented by Thiru A. Durai Pandian, Personnel Manager.

Broad description, Category and number of workmen covered by the Setlement.-One workman only.

SHORT RECITAL:

Workman Thiru S. Ganesan absented from work from 13-2-1982. Since nothing was heard from him till 24-3-1982. he was treated as having left the employment.

- 2. An industrial dispute has been raised regarding his non-employment and the same is subject matter of adjudication in I.D. No. 33|85 before the Central Government Industrial Tribunal, Madras, During the pendency of the dispute Thiru S. Ganesan approached the Chair-person of the Corporation and made a plea to provide him employment atleast as a fresh entrant. He also agreed that he would not press his claim in the dispute pending before the Central Government Industrial Tribunal, Madras. The parties discussed the matter and have arrived at a settlement on the following terms:-
- 1. Workman S. Ganesan accepts the cessation of his employment from, March 1982.
- 2. Workman S. Ganesan does not press his claim for reinstatement or back wages, in I.D. No. 33/85 on the file of the Central Government Industrial Tribunal, Madras.
- 3. In consideration of the above, the Management of the Tamil Nadu Cements Corporation Ltd., Alangulam Works. hereby agrees to provide employment to S. Ganesan not later than 10-1-1987, as a new entrant
- 4. Workman S. Ganesan will be entitled to his legitimate dues consequent to his cessation of employment as on 24-3-1982.

5. It is agreed that this Settlement will be filed before the Central Government Industrial Tribunal, Madras in I.D. No. 33/85 and pray for an award in terms of the settlement.

(In the matter of the dispute for adjudication under Section 10(1)(d) of the Industrial Disputes Act, 1947 between the workmen and the Management of Indian Rare Earths Limited, Manavalakurichi.]

BETWEEN

Thiru Shanmugharaju, Junior Clerk, Card No. 695, Indian Rare Earths Limited. Mineral Division, Manavalakurichi-629252. (As furnished in the Letter No. I. 43012(6) 85-D.V., Ministry of Labour, Government of India, New Delhi).

AND

The Divisional Manager, Indian Rare Earths Limited. Mineral Beach Road, P.B. No. 38. Quilon (Kerala).

- The Works Manager, Indian Rare Earths Limited, Mineral Division, Manavalakurichi, Kanyakunari District (Tamil Nadu).
- The Works Manager, I.R.E. Limited, Minerals Division, Managalakurichi, Kanyakumari District (Tamil Nadu).

REFERENCE:

Order No. L.43012(6)[84-D.V. dated 20-4-1985 of the Ministry of Labour, Government of India, New Delhi.

This dispute coming on this day for final disposal in the presence of Thiru V. S. Neelakantan for King and Partridge. Advocates for the Managements upon perusing the reference,

This dispute coming on this day for final disposal in the claim and counter statements and other connected papers on record and the workman being absent, this Tribunal passed the following.

AWARD

This dispute between the workmen and the Management of Indian Rare Earth, Limited, Manavalakurichi arises out of a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947 by the Government of India in its Order No. L-43012(6)|84-D.V., dated 20-4-1985 of the Ministry of Labour for adjudication of the following issue:

- "Is the Divisional Manager, Indian Rare Earths Limited, Manavalakurichi justified in barring the increment of Shri Shanmughoraju, Junior Clerk for a period of six months? If not, to what relief the workman in dispute is entitled?"
- (2) Parties were served with summons. Both parties were represented by counsel.
- (3) Petitioner-worker Thiru Shanmugharaju filed claim statement on 27-3-1986. The Management filed their counter statement on 4-6-1986.
- (4) In spite of several adjournments granted for enquiry, the Petitioner-workman did not attend the Court.
- (5) Today also when the dispute was taken up for enquiry, the Petitioner-workman was absent and not represented. The Management was represented by counsel.
- (6) Hence an award is passed dismissing the claim of the workman for default. No costs.

Dated, this 5th day of January, 1987.

FYZEE MAHMOOD, Presiding Officer
